# DISCLAIMER

Please note that this manual is a best effort by the Delaware County Prosecutor's Office to provide you, as township officials, with easy-to-understand information on the positions, duties, and responsibilities of various township officials and relevant township law. *It is intended to be informational only and is not a legal authority. This manual is not intended to be and should not be construed as a substitute for the Ohio Revised Code, Ohio case law, or any other legal authority.* The Ohio Revised Code and Ohio case law **ALWAYS** take precedence over this manual. Every effort has been made to provide the most current information as of December 2021, the publication date of this manual. Should you have questions about any of the information contained in this manual, or any other matter concerning township law, please contact the Delaware County Prosecutor's Office before acting.

November 16, 2023

Dear Delaware County Township Officials:

It is my honor to serve as your legal advisor. A priority of my administration is to maintain the highest standard of legal services and to continue to build lasting relationships with the townships of Delaware County. Often, the role of our civil division may seem overshadowed by the seriousness of our criminal duties, but to me, the representation of our civil clients is as important as our prosecution of serious crimes. The civil division is one avenue to ensure that we continue our smart growth as one of the fastest growing counties in Ohio (and the United States) and to maintain the way of life our citizens have come to know and love.

I repeatedly hear how each of you look forward to this training. I hope it once again provides you with useful information and that this manual is a useful tool. If you have questions or concerns that are not addressed at this training or in this manual, please feel free to contact my office for assistance. I am glad you are here and look forward to working with you and your township.

Sincerely,

Melissa A. Schiffel  
Delaware County Prosecuting Attorney

## General Overview

Each county in Ohio is divided into townships. Townships are the most basic political subdivisions of the state.<sup>1</sup> They are creations of the state and are intended generally to “serve as an agency or instrumentality of the state, for purposes of political organization and local administration....”<sup>2</sup>

The Ohio Constitution requires the general assembly to provide, by law, for the election of “such township officials as may be necessary.”<sup>3</sup> In each township, the law provides for the election of three (3) township trustees and a fiscal officer.<sup>4</sup> Township trustees are the individuals who comprise the board of trustees and are vested with leadership of the township as its legislative body. Essentially, they are the ultimate decision making body of local township government.

## The Ohio Revised Code

Because townships are created by the state and, essentially, are an extension of state government, township officials and employees are limited in their authority and actions. They are empowered only by the provisions of the Ohio Revised Code or that which can necessarily be implied from the Ohio Revised Code.<sup>5</sup> In short, the Ohio Revised Code contains both the inner and outer limits of township authority. As a township trustee or official, this is a basic rule of thumb to keep in mind when contemplating any act on behalf of the township.

Thus, all actions of township trustees, as well as other township officials, must be both derived from and permitted by the Ohio Revised Code. In other words, the Ohio Revised Code must contain a positive statement conferring authority to take action. Where the Ohio Revised Code is silent and does not state that a township or township official has a particular power or ability to act, the township, trustee and/or township official does not possess the power or ability to perform that act. Only where the Revised Code contains positive language conferring the power or ability to take action or perform a particular act may the township or township official take action.

The majority of sections of the Ohio Revised Code that address townships, township issues, and township officials are concentrated in Title 5 of the Ohio Revised Code. As a result, many of the sections related to townships have a statute number that is in the 500’s. When consulting the Ohio Revised Code for guidance, a township trustee or official should consider looking in Title 5. However, keep in mind that the Ohio Revised Code contains titles generally numbered with the odd numbers “1” through “63,” each containing numerous statutes. Therefore, issues concerning

or relevant to townships or township officials may be contained or discussed in other titles or statutes elsewhere in the Revised Code.<sup>6</sup> For help with legal questions concerning the Ohio Revised Code or other matters, contact the Delaware County Prosecutor's Office.

### **Term of Office, Oath, and Bond**

In Ohio, each township has three (3) elected township trustees.<sup>7</sup> To hold the position of township trustee, a person must be an elector (a qualified and registered voter) in the township where he or she holds office.<sup>8</sup> An elector is a person who is eighteen years of age or older, has been a resident of Ohio thirty (30) days immediately preceding the election at which the he or she offers to vote, a resident of the county and precinct in which the he or she offers to vote, and has been registered to vote for thirty (30) days.<sup>9</sup> Additionally, one may not hold concurrently an office incompatible with the office of township trustee.<sup>10</sup>

Each of the three (3) elected trustees holds a four-year term of office. Terms of office for the three (3) trustees are staggered so that, generally, all three trustees' positions are not up for election in the same year. Pursuant to R.C. § 505.01, two (2) trustee positions were to be elected in 1949 and every four (4) years thereafter.<sup>11</sup> The third trustee position was to be elected in 1951 and every four (4) years thereafter.<sup>12</sup> After their election, all three (3) trustees begin their terms on the first day of January immediately following their election.<sup>13</sup> These staggered terms provide that at least two (2) experienced township officials, including the township fiscal officer, remain in office.<sup>14</sup>

Before taking office, a newly elected trustee must take an oath of office and must either post a bond to the state "for the use of the township"<sup>15</sup> or (if the township has adopted an employee dishonesty and faithful performance of duty policy) obtain the required insurance coverage.<sup>16</sup>

The oath administered need not be of a particular form, and an affirmation may be made in place of an oath if a person has "conscientious scruples" against taking one. The oath must be in writing. It may be administered by any person holding an elected office under the constitution or laws of Ohio if the oath taker is elected or appointed to offices within the geographical limits of the elected officer's constituency, and the oath must be to support the constitution of the United States and the

Effective December 20, 2005, the officer's title was changed to "township fiscal officer." See Sub. S.B. 107, 126th Gen. Assem., Reg. Sess. (Ohio 2005); OHIO REV. CODE ANN. § 507.01.

constitution of this state and to faithfully discharge the duties of the office.<sup>17</sup> (See sample oath in the Sample Forms Section.) The oath should be signed by both the person taking the oath and the person administering the oath. If the oath is taken before an officer other than the township fiscal officer, the officer before whom it is taken shall immediately deposit with the fiscal officer a certificate of the oath. The fiscal officer shall make a record of all official oaths.<sup>18</sup>

The bond must be in the sum of \$1,000.00 and must be conditioned on “the faithful performance of [the person’s] official duties as a trustee....”<sup>19</sup> At least two (2) sureties must back the bond, both of which must be residents of the same township as the trustee.<sup>20</sup> Alternatively, a corporate surety authorized to do business in Ohio may back the bond.<sup>21</sup> To be acceptable, the bond must be approved by a judge of the county court or judge of a municipal court having jurisdiction in the township (i.e. Delaware Municipal Court).<sup>22</sup> The bond must be deposited with the township fiscal officer and recorded by the fiscal officer.<sup>23</sup>

### **Employee Dishonesty and Faithful Performance of Duty Policy**

Instead of requiring bond, a township may adopt, by ordinance or resolution, an “employee dishonesty and faithful performance of duty policy.”<sup>24</sup> This is a “policy of insurance, or a coverage document issued by a joint self-insurance pool authorized under section 2744.081 of the Revised Code, to protect against losses that would otherwise be protected against under a surety bond....”<sup>25</sup> A trustee’s coverage under this policy must be at least equal to the coverage that would have been obtained with a surety bond.<sup>26</sup>

Once in effect, the policy replaces the Ohio Revised Code’s bond requirements for township trustees.<sup>27</sup> A trustee who maintains the required coverage is qualified for their office<sup>28</sup> while a trustee who fails to obtain coverage is not qualified.<sup>29</sup> If such a policy is passed during a trustee’s term, then the trustee must obtain coverage or vacate their office.<sup>30</sup>

## Vacancy

For the process and necessary forms for filling a vacancy in the office of township trustee, see the Vacancy section in the Forms Section of this manual.

## Powers and Duties

It is important to remember that the powers of a township board of trustees are limited. A board of township trustees is empowered only with that authority either expressly provided by law or necessarily implied therefrom. Accordingly, a board of township trustees has only as much authority and power as is conferred upon it by the Ohio Revised Code.<sup>31</sup> By law, a board of township trustees has various powers and duties.<sup>32</sup> Examples of such powers include the ability to appoint and remove certain employees,<sup>33</sup> pass zoning resolutions,<sup>34</sup> acquire, maintain, and/or construct buildings for the benefit of the township,<sup>35</sup> construct and maintain township roads,<sup>36</sup> and provide for fire protection for the township's citizens.<sup>37</sup> There are many other powers and duties that a board of township trustees enjoys, but all of those powers and duties are given and limited by the language of the Ohio Revised Code.<sup>38</sup>

It is also important to remember that a township board of trustees acts through the vote of a majority of its members or, in some instances where required by statute, the unanimous vote of its members. Individual trustees have no authority to act on their own. On a more personal level, an individual trustee's power and authority may be limited by a conflict of interest.<sup>39</sup> Under such circumstances, a trustee should recuse (i.e., excuse) themselves from deliberations and voting on the matter on which they are conflicted.<sup>40</sup>

## Compensation of Trustees

Township trustees are entitled to compensation for their services as fixed by law. Compensation may be either per diem (i.e., each day of service in the business of the township) or by annual salary.<sup>41</sup> Unless the board of trustees unanimously resolves to compensate the trustees with an annual salary, a trustee will be compensated per diem.<sup>42</sup> The per diem rate of compensation is

based on the amount of the township budget. Per diem rates are listed in R.C. §§ 505.24(A) –(C). If the per diem method of compensation is used, the board of trustees must establish, by resolution, a method by which each board member regularly accounts for and reports his or her trustee activities and the time spent doing those activities.<sup>43</sup> Such reports are to be submitted to the township fiscal officer and are to be made available to the public.<sup>44</sup> Under the per diem method, a trustee’s compensation is to be paid from the township’s general fund and/or from other township funds in relation to and in proportion to the kinds of activities performed.<sup>45</sup>

As an alternative to the per diem method, the board of trustees may, by unanimous vote, resolve to compensate the trustees through an annual salary.<sup>46</sup> The amount of the annual salary approved by the board is to be no more than the maximum amount that could be received annually by a trustee if he or she were to be paid on a per diem basis pursuant to R.C. §§ 505.24(A),(B) and (C).<sup>47</sup> The trustees’ annual salary “shall be paid from the township general fund or from other township funds in such proportions as the board may specify by resolution.”<sup>48</sup> Furthermore, “[e]ach trustee shall certify the percentage of time spent working on matters to be paid from the township general fund and from other township funds in such proportions as the kinds of services performed.”<sup>49</sup> As under the per diem method, a trustee’s compensation is to be paid from the township’s general fund and/or from other township funds in relation to and in proportion to the kinds of activities performed.<sup>50</sup>

A board of trustees that has adopted a salary method of compensation may return to the per diem method.<sup>51</sup> In order to do so, a resolution to return to the per diem method must be passed by a majority vote of the board.<sup>52</sup>

Any change in the method of compensation will take effect on the first day of January following the vote.<sup>53</sup>

**Prohibition on In-Term Changes in Compensation.** Regardless of the method of compensation used to compensate trustees, if a board of township trustees passes a resolution changing (increase or decrease) the compensation of a township trustee or elected official, the trustee or elected official is constitutionally prohibited from receiving the change in compensation during his or her current term in office.<sup>54</sup> It is important to note that a change in compensation includes changes in benefits, such as an insurance benefits. Only upon the trustee’s commencement of a new term of

### **The Board of Trustees Meeting**

Regular trustees' meetings serve various functions. Broadly, they are public gatherings of the township trustees where township business is conducted. However, this generalization does not begin to scratch the surface of what actually comprises and occurs during a board of township trustees meeting.

Generally, township trustees hold regular meetings at least once a month at a regularly scheduled time and place. Due to the volume of public business, some townships have more than one regularly scheduled meeting per month. Though there is no limit on the number of regular trustee meetings that can be held per month, the meeting must conform to the requirements set forth in the Ohio Revised Code.

The most important of these requirements is that the meeting must be properly noticed (i.e. advertised) and open to attendance by the public (i.e., open meeting) in compliance with Ohio's Open Meetings Law (i.e. Sunshine Law).<sup>55</sup> The Ohio Revised Code contains specific criteria that must be met in order for a meeting to be considered an open meeting.<sup>56</sup> For example, a trustee meeting must be properly noticed (i.e. advertised) so that the public knows in advance the time and place of the meeting and also, in the event of a special or emergency meeting, the purpose of the meeting.<sup>57</sup> Monetary and other penalties, including the invalidity of actions taken at a meeting that is not an open meeting, apply for failing to observe these requirements.<sup>58</sup>

Because holding open meetings is such an immensely important requirement, it is discussed separately in the "Open Meetings and Ohio's Sunshine Law" section in the Trustee's section of this manual.<sup>59</sup>

As a part of and in addition to conducting an open meeting, the trustees meeting must be held in a public location<sup>60</sup> as determined by the board of trustees in its fair and impartial discretion.<sup>61</sup> For most townships, this is likely the township hall. If the township does not have a township hall or is unable to meet at the township hall, another location may be used for the meeting, as long as it is open to the public and the location is properly noticed (i.e. advertised.)

Another prerequisite for conducting a trustees meeting is attendance by the trustees.<sup>62</sup> In order to vote on and pass any resolutions, a quorum of trustees must be present.<sup>63</sup> Generally, a quorum

consists of a majority of the members of the board or two (2) trustees,<sup>64</sup> but every effort should be made to have all three (3) trustees present.<sup>65</sup>

The township fiscal officer's presence is also required to take proper minutes of the meeting.<sup>66</sup> Minutes of the meeting must be recorded and promptly prepared, filed, and maintained.<sup>67</sup> This includes having the minutes signed by the president of the board of trustees after they have been read and approved.<sup>68</sup> Additionally, the township fiscal officer must attest to the minutes and make the minutes of each meeting available to the public for inspection.<sup>69</sup>

The fiscal officer should also assist the trustees in efficiently proceeding through township business transacted at the meeting, including accurately recording resolutions, taking roll call votes, recording votes, and maintaining township financial accounts. The specific duties of a township fiscal officer, as relating to township trustees meetings as well as other duties and responsibilities, are discussed in detail in the "Township Fiscal Officer" section of this manual.

## **1. General Meeting Procedures**

The Ohio Revised Code sets forth no exact format or formula for how a township trustees meeting must proceed. Though strict compliance with the traditional rules of parliamentary procedure is not required by law, the meeting should be run in an orderly and controlled fashion.<sup>70</sup>

Generally, there are certain events that should occur at each meeting as detailed below. These include the prior creation of a written agenda detailing old and new business items.<sup>71</sup> Copies of this written agenda should be made available to the attending public in advance. When called to order, the Pledge of Allegiance often begins the trustees meeting, followed by a roll call and the fiscal officer's acknowledgment of the proper advertisement of the meeting. Afterwards, the previous meeting's minutes are read and approved. Then, each member of the board is called upon to give reports, including the fiscal officer's report concerning the township books and finances. Usually, checks to be issued are approved and signed by the trustees at this time. Old business issues are raised and addressed afterwards. This is most often followed by new business and the conclusion and adjournment of the meeting.

In the spirit of keeping the meeting open, comments from the public should be entertained throughout the meeting. Members of the public should not be discouraged from speaking or denied the ability to raise issues or concerns at the appropriate time. Individuals raising issues or concerns at inappropriate times should be informed politely of when it is appropriate to do so and encouraged to re-raise their issue or comment at the appropriate time.

## 2. January Organizational Meeting

The first trustees’ meeting of the year, held in January, is organizational in nature (i.e., organizational meeting). This meeting allows for the election of officers and, if in a year following election, for new trustees to take office and conduct business for the first time.<sup>72</sup>

If in a year following election, certificates of election of the newly elected officers are called for and presented at the organizational meeting.<sup>73</sup> These certificates are to be received and expressly made part of the minutes.<sup>74</sup>

If there is a newly elected fiscal officer, he or she presents his or her bond or proof of coverage under an employee dishonesty and faithful performance of duty policy (if applicable) at the organizational meeting.<sup>75</sup> The bond or coverage must be in the appropriate amount specified in R.C. § 507.03.<sup>76</sup> The board of trustees must then approve the proof of coverage or sureties securing the township fiscal officer’s bond and receive the bond or proof of coverage, followed by the bond or proof of coverage being recorded by the fiscal officer and filed with the county treasurer.<sup>77</sup>

<sup>77</sup> LOCAL GOVERNMENT LAW, *supra* note 1, § 9:14. *See also* OHIO REV. CODE ANN. § 3.061(C)(1), 3.30.

Newly elected trustees must also present their bond(s) or proof of coverage under an employee dishonesty and faithful performance of duty policy at the organizational meeting.<sup>78</sup> The bonds must have been approved by a county or municipal court judge.<sup>79</sup> Such bonds or insurance coverage are to be received by the board and recorded by the fiscal officer.<sup>80</sup>

If the organizational meeting is in a year following the election of a new fiscal officer, the newly elected fiscal officer will present a certificate stating that the oath of office has been administered to him or her, and having been qualified for the position, assume the duties of the township fiscal officer and administer the oath to the newly elected trustee.<sup>81</sup> The board then sets the township fiscal officer's salary consistent with the appropriate amount specified in R.C. § 507.09.<sup>82</sup>

At the organizational meeting, the outgoing fiscal officer shall plan for the surrender, in good order, of all township books and records to the newly elected fiscal officer on April 1<sup>st</sup> (the date on which the fiscal officer actually takes office).<sup>83</sup> The outgoing fiscal officer "should be certain that all accounts are in balance as of March 31 and that the cash journal plus outstanding warrants equal the balance in the township bank" upon the surrender of the books.<sup>84</sup> However, the new fiscal officer should not accept the township books until April 1<sup>st</sup>.<sup>85</sup>

The election of officers should also take place at the organizational meeting.<sup>86</sup> This is accomplished by the prior chairperson, president, or trustee conducting the meeting to this point relinquishing his or her position and turning the conduct of the meeting over to the fiscal officer.<sup>87</sup> The fiscal officer should then call for nominations for chairperson or president.<sup>88</sup> Nominations need not be seconded, but there is no harm in a nomination being seconded.<sup>89</sup> Following all nominations, the fiscal officer shall call for a motion to close nominations and, upon the motion being seconded, hold a roll-call vote to close nominations.<sup>90</sup> Once the nominations are closed, a roll call is then taken and each trustee states his or her choice for chairperson or president.<sup>91</sup> There is no secret ballot.<sup>92</sup> The person receiving the most votes becomes the new chairperson or president.<sup>93</sup>

The same procedure for electing a chairperson or president is then followed for electing a vice chairperson or vice president if this position is desired.<sup>94</sup>

After elections, the meeting proceeds on to other organizational and/or other business. This should include establishing by resolution a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings.<sup>95</sup>

## Open Meetings and Public Records (“Sunshine Laws”)

### 1. Open Meetings

Ohio law demands that all meetings and deliberations by public officials conducting public business, unless specifically excepted by law, be open to public attendance.<sup>96</sup> More specifically, R.C. § 121.22(C) states that “[a]ll meetings of any public body are declared to be public meetings open to the public at all times...[t]he minutes of a regular or special meeting of any public body shall be promptly prepared, filed, and maintained and shall be open to public inspection.”<sup>97</sup> This section is commonly known as or referred to as “Ohio’s Open Meetings Law” or “Sunshine Law”<sup>98</sup> and includes meetings by all township officials and boards.

R.C. § 121.22 provides specific criteria that must be met in order for a meeting to be considered “open” and includes limited exceptions to open meetings.<sup>99</sup> Also, this section contains provisions to force compliance with the “open meeting” requirements, including financial and personal penalties.<sup>100</sup> Additionally, any action taken by a public body is invalid if not conducted in an open meeting in compliance with R.C. § 121.22.<sup>101</sup>

Pursuant to R.C. § 121.22(B)(1)(a), a township board of trustees is a “public body.” When a “public body,” such as a board of trustees, holds a meeting, it must do so in strict compliance with the open meetings provisions of R.C. § 121.22. Under R.C. § 121.22(B)(2), a “meeting” is defined as “any prearranged discussion of the public business of the public body by a majority of its members.”<sup>102</sup> In the case of a board of trustees, generally, an arranged gathering of two (2) or more trustees to discuss trustee and/or township business of any type would constitute a “meeting” under this definition.<sup>103</sup>

In accordance with R.C. § 121.22(A) and (C), public officials, including township trustees and officials, are required “to take official action and to conduct all deliberations upon official business only in open meetings unless the subject matter is specifically excepted by law.”<sup>104</sup> This requirement and all other provisions of R.C. § 121.22 are to be “liberally construed,”<sup>105</sup> meaning that all interpretations of R.C. § 121.22, including those made by a court of law, are to be made in favor of open meetings.<sup>106</sup>

Aside from “executive sessions,” discussed in both this section and in a separate section of this manual,<sup>107</sup> there remains one exception to open meetings that applies to townships. Pursuant to R.C. § 121.22(D)(2), the Open Meetings Law or Sunshine Law does not apply to “[a]n audit conference conducted by the auditor of state or independent certified public accountants with officials of the public office that is the subject of the audit.”<sup>108</sup> In other words, such conferences are not held in an open meeting.

To conduct open meetings:

Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least twenty-four hours' advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or members calling the meeting shall notify the news media that have requested notification immediately of the time, place, and purpose of the meeting.<sup>109</sup>

Established by resolution, these rules for holding meetings are generally adopted at the January organizational meeting. Contact the Delaware County Prosecutor’s Office to obtain a resolution to establish these rules. A sample resolution is also included in the forms section of this manual.

All meetings must be noticed (i.e. advertised) to the public. The board may determine, by resolution, how to notice and advertise their meetings.<sup>110</sup> Regular meetings are generally noticed following the January organizational meeting at which meeting the time and place of regular meetings are established. Special and emergency meeting are noticed when there is a need for such meetings. Normally, advertisements are placed in a newspaper of general circulation in the township, such as the *Delaware Gazette*. Any notice must state that a trustees meeting is to be held (if it is a regular meeting, the day of each month when the regular meeting is held (i.e., first Monday of each month)), where it is to be held, the time it is to be held and, if it is a special or emergency meeting, the purpose of the meeting.<sup>111</sup> If it is a special or emergency meeting (when

a real and present emergency exists), the news media that have requested notification must immediately be notified of the time, place, and purpose of the meeting.<sup>112</sup>

Additionally, R.C. § 121.22 provides that any person, upon request, may “obtain reasonable advance notification of all meetings at which any specific type of public business is to be discussed.”<sup>113</sup> Persons wishing to receive either an agenda or advanced notice of a meeting when a specified topic is to be discussed may, at their choice, be placed on a mailing or email list and mailed or emailed such information. That person is to pay “a reasonable fee” for this service.<sup>114</sup>

Executive sessions are permissible only under very specific circumstances. Executive sessions may be held “only after a majority of a quorum of the public body determines, by roll call vote, to hold an executive session and only at a regular or special meeting...”<sup>115</sup> Executive sessions may be held only for the purpose of considering the matters specifically listed in R.C. § 121.22(G)(1)-(8).<sup>116</sup> Please refer to the “Executive Session” section of this manual for the purposes for which an executive session may be held and the procedures for entering and exiting executive sessions.

If a public body does not comply with the open meeting provisions of R.C. § 121.22, it may be subject to various penalties. Pursuant to R.C. § 121.22(H), “[a] resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body.”<sup>117</sup> Moreover, “[a] resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations...[took place in a properly declared executive session that was held for a proper purpose].”<sup>118</sup> Also, a resolution, rule, or formal action taken at a meeting not properly noticed (i.e. advertised) is invalid.<sup>119</sup>

A civil action may be brought against the township for not complying with the open meeting provisions of R.C. § 121.22.<sup>120</sup> Such an action could result in the issuance of an injunction, or court order, against the township ordering it to comply with R.C. § 121.22. If the court issues such an order, the township could be subject to fines, court costs, and payment of the attorney’s fees of the party bringing the action.<sup>121</sup> Additionally, a public official or a trustee that fails to comply with such a court order may be removed from office by the court.<sup>122</sup>

Pursuant to R.C. 109.43 and R.C. 149.43(E)(1), all elected officials, including trustees and fiscal officers, or their appropriate designees, are required to attend three (3) hours per term of office of training on public records and open meetings.<sup>123</sup> If a designee is appointed to attend, the township should generate a written record of appointment of the designee. Known as “certified training” or

Trustees and fiscal officers need to be sure either they or their appointed designee attend this training each term of office. Certificates from the training and, if applicable, the written record appointing a designee should be retained as they may be requested as a part of an audit.

## **2. Executive Session (Generally)**

From time to time, a board of trustees will experience the need to hold a portion of its meeting in private away from the public. Such a closed meeting is permissible under very limited circumstances. These closed meetings are called executive sessions, and attendance is limited to the members of the governmental body and such other persons specifically invited.<sup>124</sup> Executive sessions are a limited exception to the Open Meetings Law/Ohio’s Sunshine Law under R.C. § 121.22.<sup>125</sup> An executive session must be entered and exited according to a statutorily defined procedure and must be held for a statutorily approved purpose.<sup>126</sup>

Pursuant to R.C. § 121.22(G), both a motion and a vote are required for a board of trustees to adjourn into executive session. Executive sessions may be held “only after a majority of a quorum of the public body determines, by roll call vote, to hold an executive session and only at a regular or special meeting....”<sup>127</sup> If the executive session is to be held pursuant to R.C. 121.22(G)(1), often referred to as a “personnel matters” executive session, the motion must specifically state one or more of the reasons in R.C. § 121.22(G)(1) as the reason(s) for going into executive session.<sup>128</sup> Also, it must contain the specific topic to be considered in that executive session.<sup>129</sup> The minutes of the executive session “need only reflect the general subject matter of discussion in executive sessions....”<sup>130</sup>

No decisions can be made in executive session (i.e., no straw polls or votes) and no motions or resolutions may be voted upon in executive session.<sup>131</sup> All resolutions and motions must be voted

### **3. Purposes for Which Executive Session May Occur (R.C. § 121.22(G)(1)-(8))**

The purposes for which a board of trustees can adjourn into executive session are very limited. The Ohio Revised Code includes eight (8) purposes pursuant to which a public body, such as a board of township trustees, may hold an executive session.<sup>133</sup> Not all of the purposes listed in R.C. §§ 121.22(G)(1)-(8) are applicable to townships.<sup>134</sup> Those purposes that may generally be applicable to townships and which require strict compliance are as follows:

1. To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. If a public body holds an executive session pursuant to division (G)(1) [this subsection] . . . the motion and vote to hold that executive session shall state which one of the approved purposes listed in division (G)(1) [this subsection] . . . are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting. R.C. § 121.22(G)(1).
2. To consider the purchase of property for public purposes, the sale of property at competitive bidding, or the sale or other disposition of unneeded, obsolete, or unfit-for-use property in accordance with [R.C. § 505.10], if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers. R.C. § 121.22(G)(2).

<sup>134</sup> The purpose listed under OHIO REV. CODE ANN. § 121.22(G)(7) is not generally applicable to townships.

4. Preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment. R.C. § 121.22(G)(4).
5. Matters required to be kept confidential by federal law or regulations or state statutes. R.C. § 121.22(G)(5).
6. Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office. R.C. § 121.22(G)(6).
7. [NOT APPLICABLE]
8. To consider confidential information related to the marketing plans, specific business strategies, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:
  - a. The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.
  - b. A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.<sup>135</sup> R.C. § 121.22(G)(8).

Ohio law strongly favors open meetings, encourages interpretation of the law against closed meetings, and provides penalties to ensure compliance.<sup>136</sup> Therefore, entering executive session carelessly for a reason other than those listed may result in penalties to the township or individual township office holders. According to R.C. § 121.22(H), “[a] resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body.”<sup>137</sup> Additionally, “[a] resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations” took place in a properly declared executive session that was held for a proper purpose.<sup>138</sup> Thus, all votes must occur in open session.

#### **4. Public Records**

All “records,” as that term is defined in the Ohio Revised Code,<sup>139</sup> kept by any public office, regardless of form, including a township, constitute a “public record,” except those records specifically excepted by law or defined by law as not being a public record.<sup>140</sup> Upon request, a township must provide prompt inspection of public records and must provide copies of public records within a reasonable period of time.<sup>141</sup> The Ohio Public Records Act, located in R.C. § 149.43, requires each public office to adopt a public records policy and requires all elected officials, or a designee, to attend an approved public records training session.<sup>142</sup>

Specifically, pursuant to R.C. 149.43(E)(1), all elected officials, including trustees and fiscal officers, or their appropriate designees, are required to attend three (3) hours per term of office of training on public records and open meetings. Known as “certified training” or “certified public records training,” these trainings are approved by the attorney general in accordance with R.C. § 109.43 and are generally conducted by the attorney general’s office or the auditor of state’s office. Trustees and fiscal officers need to be sure either they or their appointed designee attend this training each term of office. If a designee is appointed to attend, the township should generate a written record of appointment of the designee. Certificates from the training and, if applicable, the written record appointing a designee should be retained as they may be requested as a part of an audit.

The Ohio Attorney General annually publishes the Ohio Sunshine Laws, An Open Government Resource Manual or “Yellow Book.” It contains helpful information regarding public records laws and open meetings laws. This book is available online at the following address:

#### **Resolutions (Generally)**

The resolution is how a board of trustees takes action. The action taken may be either large or small and may be related to any legitimate subject that the board of trustees considers. A resolution

<sup>142</sup> OHIO REV. CODE ANN. § 149.43(E)(1).

is properly raised by motion and considered, debated, made, and adopted only at an open trustees meeting.<sup>143</sup>

Resolutions raised, considered, debated, made, or adopted outside of an open meeting are invalid.<sup>144</sup> Penalties to the board, township, or individual trustee, monetary and otherwise, may be levied for resolutions raised, considered, debated, made, or adopted outside of open session.<sup>145</sup>

The specific wording of a resolution should be recorded as a part of the minutes of the trustees meeting. After a resolution is proposed by motion, a motion should be seconded by another trustee. A roll call vote of the trustees should then be taken. Depending on the subject of the motion, either a simple majority or unanimous vote will be required for its passage and passage of the resolution. The requirements of the Ohio Revised Code relevant to the particular subject of the resolution generally dictate when a unanimous vote is required.

Remember that the power of a board of township trustees remains rooted in the authority granted to it either expressly by statute or necessarily implied therefrom.<sup>146</sup> “If a board of township trustees attempts to do something [by resolution] which is not specifically authorized by statute, nor reasonably implied as necessary to accomplish something which is authorized, it is acting illegally and beyond its powers.”<sup>147</sup> Simply put, a board may not, by resolution, go beyond the bounds of its powers and authority under the law.

## **Township Property**

Townships possess various types of both real and personal property. Due to the wide variety of property possessed by townships, township trustees hold various roles and responsibilities in relation to that property. The board of trustees and their successors hold title to township property for the township and are responsible for its maintenance, care, and management.

Because there are many different types of property that a township may possess and be responsible for, it is not possible to address every type of property in this manual. However, the next few subsections address some of the common types of property that may be possessed by a township.

### **1. Cemeteries**

Chapter 517 of the Ohio Revised Code addresses township cemeteries. Specifically, it addresses the purchase or acquisition of a cemetery, the sale of lots/plots, the care of the cemetery, and other issues affecting the operation of a cemetery.

According to R.C. § 517.01, a “board of township trustees may accept a conveyance of, or purchase, and enclose, improve, and protect lands in one or more places within the township as it

deems necessary and proper for cemetery purposes.”<sup>148</sup> If the trustees are unable to secure land for a cemetery through a contractual purchase on reasonable terms, they may appropriate land pursuant to eminent domain procedures specified in R.C. §§ 163.01-163.22.<sup>149</sup> Unless funds are set aside and available under R.C. § 517.08 for the purchase or acquisition of a cemetery, the question of the establishment of a cemetery must be put to a vote at a regular annual election “on the order of the board of township trustees or the written application of any six electors of the township....”<sup>150</sup> To help defray the costs of such an acquisition or to help in the enclosing, care, supervision, repair, or improving of lands for a cemetery, the trustees may also levy a tax sufficient for that purpose.<sup>151</sup>

### **A. Lots**

When acquired, the board of trustees shall have the land purchased for the cemetery “laid out in lots, avenues, and paths, [and] shall number the lots...”<sup>152</sup> A plat map of the cemetery should be “carefully kept” by the township fiscal officer.<sup>153</sup>

Once the land for the cemetery has been acquired and laid out, the board of trustees will be responsible for the sale of lots within the cemetery. R.C. § 517.07 addresses the sale of cemetery lots. According to that section, the trustees “shall sell at a reasonable price the number of lots” to meet public demands.<sup>154</sup> After the terms of the sale have been met, a deed for these lots should be executed and issued by the trustees to the purchasers of lots or other interment rights.<sup>155</sup> The township fiscal officer should record the deed in a book dedicated exclusively to that purpose.<sup>156</sup> The cost of recording the deed shall be paid by the person who receives it.<sup>157</sup>

Under special circumstances, payment for a cemetery lot can be waived. Specifically:

[u]pon the application of a head of a family living in the township, the board shall, without charge, make and deliver to the applicant a deed for a suitable lot or right for the interment of the applicant’s family, if, in the opinion of the board and by reason of the circumstances of the family, the payment would be oppressive.<sup>158</sup>

To better maintain cemetery records, R.C. § 517.07 allows a township the option of including three conditions within the terms of sale and in any deed issued for a cemetery lot. These conditions include:

1. The buyer providing to the board of township trustees, in writing, a list of names and addresses of the persons to whom the buyer's property would pass by if the buyer dies and the property passes without a will.
2. The buyer notifying the board of township trustees, in writing, of any subsequent changes in the name and address of any person to whom the property would be passed if the buyer dies and the property passes without a will.
3. Any person who receives a township cemetery lot or right by gift, inheritance, or any other means other than the original conveyance shall, within one year after receiving such interest, give written notice of his or her name and address to the township board of trustees having control of the cemetery, and shall notify the board of trustees of any subsequent changes in the person's name or address.

Additionally, the terms of sale and any deed for any lots or rights executed in compliance with the above notification requirements shall state that the board of township trustees shall have right of reentry to the cemetery lot or right if the notification requirements are not met.<sup>159</sup>

Where these conditions are imposed and not met, R.C. § 517.07 allows the township certain remedies and provides certain steps to follow to gain a right of re-entry to the lot.<sup>160</sup> Specifically, at least ninety (90) days before establishing reentry, notice must be sent by the board of trustees to the last known owner at the last known owner's address by certified mail and also posted on the board's website (if it maintains one), stating that the owner's interest in the lot or right will cease unless the above notification requirements are met.<sup>161</sup> If the last known owner's address cannot be ascertained, notice may be published in a newspaper of general circulation in the county.<sup>162</sup> The board of trustees must then pass a resolution stating that the conditions of the sale have not been fulfilled in order for the board to reclaim its interest in the lot or right.<sup>163</sup>

Aside from or in addition to these conditions, the board of trustees may also limit the terms of sale to allow re-entry to the lot or right where the lot, tomb, columbarium or portion thereof is not used by the owner, a member of the owner's family, or an owner's descendant within a specified period of time.<sup>164</sup> The specified period of time must be at least twenty (20) years, but no more than fifty (50) years, with a right of renewal at no cost.<sup>165</sup> Pursuant to R.C. § 517.07:

[t]he terms of sale and any deed for lots or rights conveyed with a termination date shall state that the board shall have right of reentry to the lot or right at the end of the specified time period if the lot, tomb, including a mausoleum, or columbarium, is not used within this time period or renewed for an extended period.<sup>166</sup>

The board may also repurchase a lot at any time at a price that is mutually agreeable to the board and the owner of the lot.<sup>170</sup> Any such repurchase must be negotiated with the lot owner.<sup>171</sup>

## **B. Maintenance and Care**

A board of township trustees is charged with the care and maintenance of cemeteries under its control.<sup>172</sup> Care and maintenance includes making of rules and regulations concerning the cemetery, setting cemetery hours, cutting the grass, killing weeds, maintaining the fences, and righting fallen tombstones or headstones.<sup>173</sup> For such expenses, “[t]he board may levy a tax...not to exceed one-half mill in any one year, upon all taxable property of the township.”<sup>174</sup>

In addition, R.C. § 517.06 specifically permits the board of township trustees to “make and enforce all needful rules and regulations for burial, interment, reinterment, or disinterment.”<sup>175</sup>

## **2. Township Hall**

Most townships have a township hall which serves the primary function of being a place for conducting township business, such as trustee meetings and meetings of other township boards and committees. Township halls often have secondary functions as well, such as serving as a center of various community activities, including voting. Because the township hall serves many important functions in both township government and life in general in the township, the Ohio Revised Code specifically addresses its construction and use.

## A. Construction and Finance:

Sections 511.01-511.07 of the Ohio Revised Code specifically address the township hall or “town hall,” as it is often referred to in the Revised Code.<sup>176</sup> These sections primarily focus on the construction and financing of a township hall. The construction and financing of a township hall is also addressed by R.C. §§ 505.26 and 505.262.

When considering the specifics of township hall construction and financing, it is important to remember that all contracts for supplies, materials, equipment, and/or contractors are subject to a competitive bidding process if the total estimated cost of the contract exceeds \$75,000.00.<sup>177</sup> If the total cost of the contract is less than or equal to \$75,000.00, competitive bidding may be undertaken at the board’s discretion.<sup>178</sup>

The competitive bidding process for counties is described in R.C. § 307.86 *et seq.*, and although this process is not expressly applicable to townships, it should be used as a guide. These sections of the Ohio Revised Code prescribe specific procedures for notification, advertising, and reception of bids.<sup>179</sup> Due to the involved nature of the competitive bidding process, it is discussed separately in a later section of this manual.<sup>180</sup>

The services of an accountant, architect, attorney at law, physician, professional engineer, construction project manager, consultant, surveyor, or appraiser are all exceptions to the requirement of competitive bidding.<sup>181</sup> Contracts for “professional design services,” which include the services of an architect, landscape architect, professional engineer, or surveyor are, however, subject to a separate qualification process that must be followed.<sup>182</sup>

With this in mind, R.C. § 505.26 empowers a board of trustees to “purchase, appropriate, construct, enlarge, improve, rebuild, repair, furnish, and equip a township hall...”<sup>183</sup> The construction, improvement, enlargement, removal and financing of a township hall may be achieved by one of two methods described in the Ohio Revised Code. Though these methods vary, the most significant difference concerns the submission of the issue of construction of the township hall to the voters.<sup>184</sup>

The first method, subject to the conditions delineated by R.C. § 505.262, allows the trustees, by resolution and unanimous vote, to purchase or construct any building for a lawful purpose, including a township hall, and to finance that purchase or construction through the issuance of securities of the township without submitting the issue to the voters for approval.<sup>185</sup> Under the

first method, the conditions that must be met for the purchase or construction of the building are as follows:

1. A unanimous resolution by the trustees for the purchase or construction of a township hall,<sup>186</sup> and;
2. If securities of the township to finance purchases and construction are to be issued, the following requirements must be observed:
  - A unanimous resolution by the township trustees to issue securities of the township;
  - The securities must be signed by the board and attested to by the signature of the township fiscal officer;
  - The maximum maturity of the securities is subject to the limitations in R.C. § 133.20;
  - The securities shall bear interest not to exceed the rate determined under R.C. § 9.95;<sup>187</sup>
  - The resolution authorizing the issuance of the securities must provide for annual taxation in the amount sufficient to pay the interest on and the principal of the securities;
  - The securities shall be offered for sale on the open market or given to the vendor or contractor if no sale is made, and
  - Certification by the county auditor that the debt service charge in the first year of the purchase, together with the debt service charge for that same year for any other purchase or construction already undertaken pursuant to R.C. § 505.262(A) does not exceed one-tenth of the township's total revenue from all sources.<sup>188</sup>

“[W]hen all the conditions set forth in R.C. [§] 505.262 are satisfied, neither the question of the purchase nor the question of the issuance of the securities need be submitted to the electorate.”<sup>189</sup> Additionally, “[t]he securities may contain a clause permitting prepayment at the option of the board.”<sup>190</sup>

If the conditions in R.C. § 505.262 are unable to be met or the township wishes to finance the purchase by a means other than the issuance of securities, R.C. §§ 511.01-511.02 apply. These sections require both the issue of construction and of the financing of the construction to be

submitted to the electorate if the cost of the township hall exceeds \$75,000.00.<sup>191</sup> Note that the resolution authorizing such a vote must be submitted to the board of elections “not later than four p.m. of the ninetieth day before the day of the election.”<sup>192</sup> After approval by the majority of voters, the trustees “may make all contracts necessary for the purchase of a site, and the erection, improvement, or enlargement of such [a] building.”<sup>193</sup>

Under any circumstances where the board of trustees is considering the issuance of securities, notes, and/or bonds to finance the purchase or construction of a township hall, the board should consult bond counsel. The issuance of securities, notes, and/or bonds is a highly specialized area of law that requires the specific expertise of bond counsel to effectively guide the township through the process of issuing securities, notes, and/or bonds.

When a board of township trustees, pursuant to an affirmative vote, is authorized to purchase land for a township hall and build a township hall on that purchased land, but cannot procure the appropriate land through a contractual purchase, it may appropriate up to one acre of land for this purpose.<sup>194</sup> In other words, under such circumstances, eminent domain may be used to obtain the property pursuant to R.C. §§ 163.01-163.22.<sup>195</sup>

## **B. Control and Rental**

After the township hall is built, the board of township trustees will have control of the township hall.<sup>196</sup> The trustees may rent or lease all or any part of the township hall to any person or organization.<sup>197</sup> All rent must be paid in advance or fully secured.<sup>198</sup> Rent monies received may be used for the improvement or repair of the township hall and the balance of funds remaining must be used for general township purposes.<sup>199</sup>

Terms of the rental or lease are decided by the trustees and may be anything that the trustees consider proper.<sup>200</sup> The terms of any rental or lease agreement “may give preference to persons who are residents of or organizations that are headquartered in the township or that are charitable or fraternal in nature.”<sup>201</sup> Nevertheless, all persons and organizations “shall be treated on a like or similar basis, and no differentiation shall be made on the basis of race, color, religion, national origin, sex, or political affiliation.”<sup>202</sup>

### 3. Equipment and Personal Property

From trucks and shovels to chairs and computers, townships possess many types of equipment and personal property. Because townships are limited in their authority and actions by the provisions of the Ohio Revised Code or that which can necessarily be implied therefrom, the types of equipment and personal property that can be possessed, acquired, or disposed of by the township are limited to what the Revised Code authorizes a township to acquire. The means of acquisition is also limited by what the Revised Code permits.

#### A. Acquisition

Generally, “the board of township trustees of any township, by unanimous vote, may adopt a resolution allowing the township to contract for the purchase of equipment . . . for any lawful township purpose.”<sup>203</sup> Although this is a very broad statement, it is not a *carte blanche*. When the township contemplates the purchase of equipment, it must be established that there is a legitimate lawful purpose for the purchase of the equipment and approval must be by a unanimous vote of the board.<sup>204</sup>

Aside from the general purchasing provisions of R.C. § 505.262, the Ohio Revised Code contains many sections that allow a township to purchase specific types of equipment or personal property. According to R.C. § 505.261, a township can purchase materials and recreation equipment to establish a township park under R.C. § 505.26. If the township has a police or fire department, subject to meeting certain requirements and meeting applicable competitive bidding requirements, it can purchase equipment for police and fire protection.<sup>205</sup> A township may acquire equipment for the disposal of tree leaves.<sup>206</sup> It may purchase equipment for the construction, repair and maintenance of township roads as well as equipment for the removal of snow and ice from them.<sup>207</sup> It may purchase furnishings and equipment for a township hall.<sup>208</sup> Additional sections of the Ohio Revised Code allow for the purchase of various other types of equipment and personal property.

With limited exceptions, a township must acquire property costing \$75,000.00 or more through a competitive bidding process.<sup>209</sup> There is no general competitive bidding statute applicable to townships. Rather, competitive bidding requirements are found in separate individual statutes; generally those authorizing the purchase. The process for competitive bidding may or may not be specified in the authorizing statute. Where a process is not or is only partially specified in the authorizing statute, the process in the county general competitive bidding statute should be used as a guide or should supplement where the processes is only partially specified. The county general competitive bidding statute is found in R.C. § 307.86. It prescribes specific procedures for

notification, advertising, and reception of bids.<sup>210</sup> Due to the involved nature of the competitive bidding process, it is discussed separately in a later section of this manual.<sup>211</sup>

There are, however, certain exceptions to competitive bidding that are appropriate for discussion here. As an example, R.C. § 505.08 allows a township to make purchases without advertising or bidding when a real and present emergency situation exists. The purchase must consist of “services, materials, equipment, or supplies needed to meet the emergency...” and must cost less than \$75,000.00.<sup>212</sup> In order to make such a purchase, the board of trustees must first pass by “a unanimous vote a resolution declaring a real and present emergency in connection with the administration of township services or the execution of duties assigned by law to any officer of a township...”<sup>213</sup> Only then can the trustees resolve to enter into a contract for such a purchase.<sup>214</sup>

Another exception to competitive bidding is when the purchase or sale of materials, equipment, or supplies is to be made from or to “any department, agency, or political subdivision of the state...”<sup>215</sup> Such exception also applies to the “purchase of services with a soil and water conservation district,” the “purchase of supplies, services, materials, and equipment with a regional planning commission pursuant to division (D) of section 713.23 of the Revised Code,” and for “the purchase of services from an educational service center under section 3313.846 of the Revised Code”.<sup>216</sup> A resolution for making such a purchase shall meet the requirements of R.C. § 505.101(A)-(C), which requires the inclusion of a statement of the maximum amount to be paid, a description of the items to be purchased, and making the appropriation of funds.<sup>217</sup>

Competitive bidding is also not required when a board of township trustees purchases real or personal property at public auction. The township board of trustees by resolution may “designate an individual, officer, or employee to represent the board and tender bids at the auction.”<sup>218</sup> Purchases made at public auctions must be subject to a maximum purchase price established by board resolution or an appraisal approved by the board of trustees prior to the auction.<sup>219</sup>

Still further, competitive bidding is not required by a township if the purchase is made through a cooperative purchasing program, as long as a competitive bidding procedure was used by the government agency establishing the program to obtain pricing.<sup>220</sup> Such programs include, but are not limited to, the Ohio Department of Administrative Services Cooperative Purchasing Program<sup>221</sup> and the Ohio Department of Transportation (ODOT) Cooperative Purchasing Program.<sup>222</sup> There are certain prerequisite requirements that must be met for these programs before

purchases can be made. Contacting the programs directly or contacting the Prosecutor’s Office first for program requirements is recommended.

Concerning any contract for the purchase of equipment, materials, supplies, insurance, services, or a public improvement, the township board of trustees by resolution, may establish a “model system of preferences for products mined or produced in Ohio and the United States and for Ohio-based contractors promulgated pursuant to division (E) of section 125.11 of the Revised Code.”<sup>223</sup> The resolution establishing such a system must meet certain requirements before it can be considered and passed.<sup>224</sup> Where such a preference system is approved and effective, no contract may be awarded by the township or trustees that is contrary to the preferential system.<sup>225</sup>

## **B. Financing**

If the township is not able to afford the full purchase price of a piece of equipment, the Ohio Revised Code provides townships with certain financing options. When specific requirements are met, the township may issue securities for the purchase and/or place a tax levy before voters.<sup>226</sup> In other instances, the township may enter into a lease or lease-purchase agreement to acquire certain property.<sup>227</sup> Townships may also reduce the initial purchase costs of some items of property by disposing of other property, such as trading-in old vehicles or equipment for value credited against the purchase price.<sup>228</sup>

A township may divide the purchase price of equipment or materials with another jurisdiction.<sup>229</sup> It may jointly enter into purchase contracts with one or more counties or townships or participate in a joint purchasing program for the purchase of equipment or materials.<sup>230</sup>

The township should contact the Prosecutor’s Office with any questions about financing or financing options. Under any circumstances where the board of trustees is considering the issuance of securities, notes, and/or bonds to finance a purchase, the board should consult bond counsel. The issuance of securities, notes, and/or bonds is a highly specialized area of law that requires the specific expertise of bond counsel to effectively guide the township through the process of issuing securities, notes, and/or bonds.

### **C. Receipt of Donations**

When a township receives an offer of donated property, the trustees “may accept, on behalf of the township, the donation by bequest, devise, deed of gift, or otherwise, of any real or personal property for any township use.”<sup>231</sup>

### **D. Tracking**

Once a purchase of property has been made, it is the duty of the township to keep track of that property. Pursuant to R.C. § 505.04, the “board of township trustees shall make an inventory on the second Monday of January, each year, of all the materials, machinery, tools, and other township supplies in its possession.”<sup>232</sup> The inventory shall be filed with the township fiscal officer.<sup>233</sup> Also, the inventory is public record and must be available for public inspection.<sup>234</sup>

### **E. Disposal**

When township property, including motor vehicles, road machinery, equipment, and tools are no longer needed by the township or are worn-out or obsolete, the township may sell or otherwise dispose of the property in accordance with R.C. § 505.10.<sup>235</sup> The board of trustees, by resolution, must determine the lack of need or obsolescence of the property and authorize its sale.<sup>236</sup> If, in the opinion of the board of trustees, the property is valued at more than \$2,500.00, the property shall be sold by either public auction or sealed bid following the procedures specified in R.C. § 505.10(A)(1).<sup>237</sup> On the other hand, if it is the opinion of the trustees that the property is worth less than or equal to \$2,500.00, the trustees may resolve to either sell the property at private sale without advertising or notification or donate it to an eligible nonprofit organization (one both located in Ohio and exempted from federal income taxation).<sup>238</sup> (Note that there are certain requirements under Ohio Revised Code section 505.10(A)(2)(b) that must be met before property may be donated. Contact the Prosecutor’s Office before proceeding to donate property.) Additionally, if the board believes that the property is unfit for its acquired purpose, unneeded for public use, or is obsolete and has no value, the trustees may resolve to either discard or salvage the property.<sup>239</sup>

When selling or discarding worn-out or obsolete equipment, ethics are an important consideration. According to R.C. § 102.03(D):

[n]o public official or employee shall use or authorize the use of the

<sup>235</sup> Other procedures may apply aside from the procedures in OHIO REV. CODE ANN. § 505.10. *See also* OHIO REV. CODE ANN. §§ 505.101 (describing the purchase or sale with departments, agencies, subdivisions, educational centers or regional planning commissions), 505.102 (describing leases to senior citizen organizations).

authority or influence of office or employment to secure anything of value or the promise or offer of anything of value that is of such a character as to manifest a substantial and improper influence upon the public official or employee with respect to that person's duties.<sup>240</sup>

Trustees and township officials, therefore, should be careful to avoid using their office or position to, in any way, improperly influence or take advantage of the sale or disposition of township equipment or property. For example, when deciding to sell or dispose of property, a dollar value, reasonably supported by current market demands for such property, should be assigned to the piece of property. Additionally, trustees and township officials should remain on one side of the transaction, as the seller, and not the purchaser. This avoids all appearances of impropriety. These examples are not exhaustive; they are meant to illustrate some situations that raise ethical concerns. Trustees and township officials should be cautious and ever vigilant to avoid placing themselves in situations that raise ethical concerns.

If, after following the auction and notification procedures described in R.C. § 505.10, no acceptable bid is received for the property, the board may resolve to enter into a contract to sell the property without bidding or advertising.<sup>241</sup>

Regardless of the property's value, R.C. § 505.10(D) allows the board of trustees to sell property via Internet auction.<sup>242</sup> Certain requirements must be met before an item of property may be sold through an Internet auction.<sup>243</sup> Contact the Prosecutor's Office before proceeding to sell items via Internet auctions.

#### **4. Acquisition of Land/Real Property**

As with all powers of a township, the authority to acquire and hold land is derived from the Ohio Revised Code, which provides townships with statutory authority to acquire or possess land for specific purposes.<sup>244</sup> As discussed in other sections of this manual, such purposes often include land on which to place a township hall or a cemetery.<sup>245</sup> However, there are various other purposes for which the Ohio Revised Code allows a township to acquire or hold land.

Some purposes for which a township may acquire and hold land generally include the following:

- 1) Township hall<sup>246</sup>
- 2) Township park<sup>247</sup>
- 3) Public library buildings<sup>248</sup>

- 4) Bridges<sup>249</sup>
- 5) Viaducts<sup>250</sup>
- 6) Space for township offices<sup>251</sup>
- 7) Site for firefighting purposes<sup>252</sup>
- 8) Site for township police district<sup>253</sup>
- 9) Cemetery<sup>254</sup>

Additionally, if a board of township trustees seeks land to construct a building, it may, subject to certain limitations, resolve unanimously to contract for sites to construct a building for any “lawful township purpose.”<sup>255</sup> Moreover, pursuant to R.C. § 511.11, “[t]he board of township trustees may acquire by purchase, appropriation, or otherwise, any private or public lands which it might deem necessary for its use....”<sup>256</sup> Property taken pursuant to R.C. § 511.11 is taken in the name of the trustees and their successors.<sup>257</sup>

It is important to keep in mind that the authority to acquire land granted under R.C. § 511.11 is not unlimited. The property acquired pursuant to R.C. § 511.11 must be “for [the township’s] use.”<sup>258</sup> As an example, the township may not acquire property for the purpose of promoting current or future industrial use, as land acquired for this purpose would presumably not be for the use of the township.<sup>259</sup>

#### **A. Park**

Pursuant to R.C. § 505.261, the trustees “may acquire suitable lands . . . to establish a township park....”<sup>260</sup> Various financing options are available to township trustees when considering the purchase of a park.<sup>261</sup> Additionally, if the trustees purchase a park, they may purchase items to improve the land acquired for the park including landscape planting, playground equipment, athletic equipment, and recreational equipment.<sup>262</sup>

#### **B. Preserve**

As opposed to recreational use, trustees may acquire land, other than by appropriation, to protect and preserve it.<sup>263</sup> Specifically, R.C. § 505.26 allows a board of township trustees to acquire land “for the purposes of protecting and preserving the natural, scenic, open, or wooded condition of

land, water, or wetlands against modification or encroachment resulting from occupation, development, or other use....”<sup>264</sup> Once the township acquires land for such a purpose, the township may “restore and maintain” those lands.<sup>265</sup>

## **Sale of Land/Real Property**

Occasionally, a township may wish to sell real property to which it holds title. If the real property is to be sold to another political subdivision in Ohio, the trustees may, by resolution, authorize the transfer and conveyance of the property “upon such terms as are agreed to between the board and the legislative authority of that political subdivision.”<sup>266</sup>

If the real property is to be sold to a person or entity other than another political subdivision in Ohio, “the board, upon a unanimous vote of its members and by resolution, may authorize the transfer and conveyance of that real property to any person upon whatever terms are agreed to between the board and that person.”<sup>267</sup>

When the purchaser is not another political subdivision in Ohio and a unanimous vote of the trustees to sell to another person or entity cannot be achieved, the real property, if, based on a majority vote of the board, is still to be sold, it should be sold at public auction pursuant to the procedure in R.C. § 505.10(A)(1). A minimum reserve price should be set in the resolution to sell the real property at public auction. If the real property fails to sell at auction, the trustees, “by resolution, may enter into a contract, without advertising or bidding, for the sale of that property.”<sup>268</sup> Such a resolution must contain the “minimum acceptable price [which shall not be lower than the minimum reserve price set for the public auction] and the minimum acceptable terms for the contract.”<sup>269</sup>

Note that many steps are involved in the sale or purchase of real property. Legal counsel should be consulted throughout the purchase and/or sale process, beginning at the time when the board of trustees is first contemplating the purchase or sale and before the board approves any resolution to purchase or sell real property.

## **Competitive Bidding**

Competitive bidding is the process by which government entities and/or agencies, including townships, purchase many goods and services. In terms of government, when it comes to purchasing, it is the general rule rather than the exception. Competitive bidding ensures that all interested sellers have a fair opportunity of being awarded a government contract and that the purchasing government entity or agency receives the lowest and best price for the product or

service. The concept of competitive bidding and the procedure to be followed in seeking and awarding competitive bids should become very familiar to township trustees and fiscal officers.

Generally, the Ohio Revised Code makes competitive bidding mandatory in the following areas:

1. The sale of school lands,<sup>270</sup>
2. The sale or trade-in of property and equipment,<sup>271</sup>
3. The purchase of either firefighting equipment or buildings at a cost of more than \$75,000.00,<sup>272</sup>
4. The building of memorials, monuments, or statues at a cost of 75,000.00 or more,<sup>273</sup>
5. The lighting of an unincorporated district and the equipment necessary to do so at a cost of \$750,000.00 or more,<sup>274</sup>
6. The purchase of road machinery, materials, and supplies and buildings at a cost of \$750,000.00 or more,<sup>275</sup>
7. Contracts for work on, and materials necessary for, the erection, repair, alteration, or rebuilding of a public building,<sup>276</sup>
8. The maintenance and repair of township roads and bridges where the cost of the project exceeds \$105,000 or the construction or reconstruction of township roads and bridges at a cost exceeding \$35,000 per mile.<sup>277</sup>
9. Exclusive provision, maintenance, and/or operation of facilities for collection, transfer, recycling, and disposal of solid waste in the township.<sup>278</sup>

This list is not intended to be exhaustive, but rather to provide some examples of items for which competitive bidding is required. If in doubt whether competitive bidding is required, please contact the Prosecuting Attorney's Office.

Please note that as of House Bill 33, which went into effect on October 3, 2023, Section 9.17 of the Revised Code was created. R.C. 9.17 raises the competitive bidding threshold for township projects from \$50,000 to \$75,000 through the end of 2024. For each calendar year after 2024, the statute requires a 3% increase in that threshold as determined and published by the Director of the Department of Commerce.<sup>279</sup>

### **Competitive Bidding Procedures**

There is no general competitive bidding statute applicable to townships. Instead, competitive bidding requirements are found in separate individual statutes; generally those authorizing the purchase. The process for competitive bidding may or may not be specified in the authorizing

statute. Where a process is not or is only partially specified in the authorizing statute, the process in the county general competitive bidding statute should be used as a guide or should supplement where the processes is only partially specified. The county general competitive bidding statute is found in R.C. § 307.86. It prescribes specific procedures for notification, advertising, and reception of bids. Generally, the procedures are as follows:

**A. Notice:**

- Notices for competitive bidding must include:
  1. A general description of the subject of the proposed contract;
  2. The time and place where the plans and specifications or itemized list of supplies, facilities, or equipment and estimated quantities can be obtained or examined;
  3. The time and place where bids will be opened;
  4. The time and place for filing bids;
  5. The terms of the proposed purchase,
  6. The conditions under which bids will be received; and,
  7. The existence of a system of preference, if any, for products mined and produced in Ohio and the United States adopted pursuant to R.C. § 505.103.<sup>280</sup>
  
- Notice must be published once a week for at least two (2) consecutive weeks before the day of the opening of bids in a newspaper of general circulation in the county (i.e., the *Delaware Gazette*).<sup>281</sup> Additional notice may also be placed in trade papers or other designated publications.
  
- Additionally, notices/advertisements should be posted on a bulletin board in a suitable public place in the township offices for at least two (2) weeks before the day bids are opened.<sup>282</sup>
  
- Note that advertisements may be placed on the township’s official internet web site. If the township does post the notice/advertisement on its internet web site, it can eliminate the second week of notice to be published in the newspaper,

<sup>280</sup> See OHIO REV. CODE ANN. § 307.87. Note that OHIO REV. CODE ANN. § 307.90 (linked to in the cited statute) is a county provision comparable to OHIO REV. CODE ANN. 505.103.

<sup>281</sup> Pursuant to R.C. § 7.12, a newspaper of general circulation is defined as “a publication bearing a title or name that is regularly issued at least once a week, and that meets all of the following requirements: (1) It is printed in the English language using standard printing methods, being not less than eight [8] pages in the broadsheet format or sixteen [16] pages in the tabloid format; (2) It contains at least twenty-five per cent [25%] editorial content, which includes, but is not limited to, local news, political information, and local sports; (3) It has been published continuously for at least three [3] years immediately preceding legal publication by the state agency or political subdivision; (4) The publication has the ability to add subscribers to its distribution list; and (5) The publication is circulated generally by United States mail or carrier delivery in the political subdivision responsible for legal publication or in the state, if legal publication is made by a state agency, by proof of the filing of a United States Postal Service “Statement of Ownership, Management, and Circulation” (PS form 3526) with the local postmaster, or by proof of an independent audit of the publication performed, within the twelve [12] months immediately preceding legal publication.”

provided that the first notice published in the newspaper meets all of the above listed requirements, plus includes the following additional four (4) requirements:

1. It is published at least two (2) weeks before the opening of bids;
2. It includes a statement that the notice/advertisement is posted on the township's official internet web site;
3. It includes the internet web site address for the township's official web page; and,
4. It includes instructions describing how the notice/advertisement can be accessed on the township's official Internet web page.<sup>283</sup>

**B. Request for Bids (RFB)**

A request for bids (RFB) or bid package containing all purchase or project specifications, bidding procedures, bonding requirements, a description of the award process, and bid blanks must be drafted and available to potential bidders.

**C. Award:**

A contract that has been competitively bid should be awarded or not awarded as follows:

1. To the lowest and best bidder<sup>284</sup> (in certain instances lowest responsible bidder – See R.C. §§ 5549.21 and 5575.01(A)); or,
2. All bids shall be rejected.<sup>285</sup>

Bids submitted by potential contractors shall be submitted at the time and place advertised, and be in the form prescribed by the trustees.<sup>286</sup> All bids shall contain the full name of the person submitting the bid.<sup>287</sup> The trustees should open the bids at the time and place advertised.<sup>288</sup>

Bids in excess of \$50,000.00 for the construction, demolition, alteration, repair, or reconstruction of an improvement must file a bid guarantee in accordance with R.C. § 153.54.<sup>289</sup> Bids for any other contract in excess of \$50,000 may be accompanied by:

reasonable amount stated in the notice but not to exceed five per cent of the bid, conditioned that the bidder, if the bidder's bid is accepted, shall execute a contract in conformity to the invitation and the bid.<sup>290</sup>

Note that all bids may be rejected.<sup>291</sup> The bond or bid guarantee of any unsuccessful bidder shall be returned to the bidder if rejected.<sup>292</sup>

Upon acceptance of a bid for a contract other than for the construction, demolition, alteration, repair, or reconstruction of an improvement, the township shall require, as a condition of entering into a contract with the successful bidder, "faithful performance of all things to be done under the contract..."<sup>293</sup> As an additional requirement to entering a contract, the township shall require "the [performance] bond provided for by section 153.57 of the Revised Code, with good and sufficient surety in an amount not to exceed the amount of the bid."<sup>294</sup>

There are additional bidding and awarding requirements that apply when the contract is for a public improvement or the construction, demolition, alteration, or repair of a building. These requirements can be complicated. Any township considering such a project should consult with the Prosecutor's Office before bidding, proceeding with, or awarding such a contract.

## Roads

Townships are responsible for constructing, repairing, and maintaining township roads within their jurisdictional boundaries. Township roads include "all public highways other than state or county roads."<sup>295</sup> It is the duty of the board of township trustees to maintain all township roads within the jurisdictional boundaries of the township.<sup>296</sup> As a part of its duties related to road maintenance, the township must also clear and remove snow and ice from township roads.<sup>297</sup> The county commissioners, by agreement, may assist the township in this duty.<sup>298</sup> The township trustees may also request for the county engineer to inspect specific township roads and provide advice on the best methods for repairing, maintaining, or dragging those roads.<sup>299</sup> The county engineer is prohibited from providing assistance beyond inspections and advice.<sup>300</sup> A "Request for Engineering Assistance" form is included in the forms section of this manual.

Work on township roads is addressed in R.C. § 5575.01. This section divides the issue into two categories: 1) “maintenance and repair” and 2) “construction or reconstruction.”<sup>301</sup> Under either category, the township may proceed either by means of a contract or by means of a force account.<sup>302</sup> As discussed later, there are certain requirements that must be met before proceeding by force account.

Generally, proceeding by force account means “[i]nstead of entering into a contract for the performance of the road work, the trustees may themselves employ the [workers], buy the materials, and proceed to do the road work without a contract, if they deem this method is in the best interest of the public.”<sup>303</sup> All roadwork done by force account must be completed under the direction of the board of trustees or the road supervisor.<sup>304</sup>

The competitive bidding process is to be followed in securing contractors and/or materials for the construction, repair, and maintenance of roads. Ohio Revised Code Sections 5575.01-5575.02 prescribe the specific procedures for notification, advertising, and reception of bids for contracts regarding township roadwork.<sup>305</sup>

According to R.C. § 5575.02, the competitive bidding procedure to be followed for contracts involving roadwork is as follows:

**A. Advertise:**

- Once in a newspaper published in the county and of general circulation in the township (i.e., the *Delaware Gazette*).<sup>306</sup>
- The notice/advertisement should appear not less than two (2) weeks prior to the date for letting contracts.

<sup>305</sup> OHIO REV. CODE ANN. §§ 5575.01-5575.02.

<sup>306</sup> Pursuant to R.C. § 7.12, a newspaper of general circulation is defined as “a publication bearing a title or name that is regularly issued at least once a week, and that meets all of the following requirements: (1) It is printed in the English language using standard printing methods, being not less than eight [8] pages in the broadsheet format or sixteen [16] pages in the tabloid format; (2) It contains at least twenty-five per cent [25%] editorial content, which includes, but is not limited to, local news, political information, and local sports; (3) It has been published continuously for at least three [3] years immediately preceding legal publication by the state agency or political subdivision; (4) The publication has the ability to add subscribers to its distribution list; and (5) The publication is circulated generally by United States mail or carrier delivery in the political subdivision responsible for legal publication or in the state, if legal publication is made by a state agency, by proof of the filing of a United States Postal Service “Statement of Ownership, Management, and Circulation” (PS form 3526) with the local postmaster, or by proof of an independent audit of the publication performed, within the twelve [12] months immediately preceding legal publication.”

**B. Notice:**

- Notices must state:<sup>307</sup>
  1. That copies of the surveys, plans, profiles, cross sections, estimates, and specifications for such improvement are on file with the board; and,
  2. The time within which bids will be received.
- It should also include:<sup>308</sup>
  1. A general description of the subject of the proposed contract;
  2. The time and place where the plans and specifications or itemized list of supplies, facilities, or equipment and estimated quantities can be obtained or examined;
  3. The time and place where bids will be opened;
  4. The time and place for filing bids (the time within which bids will be received);
  5. The terms of the proposed purchase;
  6. The conditions under which bids will be received; and,
  7. The existence of a system of preference, if any, for products mined and produced in Ohio and the United States adopted pursuant to R.C. § 505.103.

**C. Request for Bids (RFB)**

A request for bids (RFB) or bid package containing all purchase or project specifications, bidding procedures, bonding requirements, a description of the award process, and bid blanks must be drafted and available to potential bidders.

**D. Award:**

- The board may let the work as a whole or in convenient sections as it determines,
- Award to lowest and best bidder who meets requirements of R.C. § 153.54 (bid guarantee) (in the case of R.C. § 5575.01(A) – maintenance and repair of township roads – award to the lowest responsible bidder),<sup>309</sup>
- Bids shall be let on the basis of lump sum bids, unless the board orders it to be let upon the basis of unit price.<sup>310</sup>

<sup>310</sup> OHIO REV. CODE ANN. § 5575.02.

There are two primary exceptions to the competitive bidding requirement based on the amount of the estimated cost of the project. If the estimated amount is below a set threshold amount, then the contract does not have to be competitively bid. The threshold amounts differ depending on whether the project is considered “maintenance and repair” or “construction or reconstruction.” The threshold amounts increase on July 1 of every odd-number year based on criteria listed in R.C. § 5575.01(D); the director of transportation is required to notify the county engineer of these increases.<sup>311</sup>

Concerning the “maintenance and repair” of roads, the township trustees should first have the county engineer estimate the cost of the project. If the estimated cost of the project is greater than \$105,000, the board must use competitive bidding and the contract should be awarded to the lowest responsible bidder.<sup>312</sup> If the estimated cost is less than \$105,000, the contract may be let without competitive bidding or the work may be done on force account.<sup>313</sup> If the township trustees choose to complete the maintenance and repair by force account, and the force account costs \$35,000 or more, then the township trustees must have the county engineer “complete the force account assessment form developed by the auditor of state....”<sup>314</sup>

When considering undertaking the “construction or reconstruction” of a road, the trustees shall have the county engineer estimate the cost of the project, including “labor, material, freight, fuel, hauling, use of machinery, and equipment, and all other items of cost.”<sup>315</sup> In lieu of proceeding by contract, the board may proceed by force account if the trustees find that to be in the best interest of the public.<sup>316</sup> Except as provided by R.C. §§ 505.08 and 505.101, where the total estimated cost of the project exceeds \$35,000 per mile, the project must be competitively bid.<sup>317</sup> Under such circumstances, and before proceeding by force account, the trustees must invite and receive competitive bids and must consider and reject those bids pursuant to competitive bidding procedures.<sup>318</sup> Only then can the township proceed by force account.<sup>319</sup> Under such circumstances, all work must conform to the plans and specifications upon which the bids were based.<sup>320</sup>

The final applicable exception to competitive bidding concerning roadwork is where an emergency exists. Pursuant to R.C. § 505.08, the trustees, “by a unanimous vote [on] a resolution declaring a real and present emergency in connection with the administration of township services or the execution of duties assigned by law to any officer of a township,” may resolve to enter into a contract without either competitive bidding or advertising for “...services, materials, equipment,

## **Zoning**

Township zoning is addressed in Chapter 519 of the Ohio Revised Code.

A township, “in the interest of the public health and safety,” by resolution, in accordance with a comprehensive plan, may regulate the following:

### **Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- location,
- height,
- bulk,
- number of stories, and
- size of buildings and other structures

### **Lots or Parcels:**

- percentages of lot areas which may be occupied,
- set back building lines,
- sizes of yards, courts, and other open spaces,
- the density of population.

### **Uses:**

- the uses of buildings and other structures including tents, cabins, and trailer coaches, and
- the uses of land for trade, industry, residence, recreation, or other purposes.<sup>322</sup>

A township, “in the interest of the public convenience, comfort, prosperity, or general welfare,” by resolution, in accordance with a comprehensive plan, may regulate the following:

### **Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- location
- setback lines

### **Uses:**

- uses of buildings and other structures including tents, cabins, and trailer coaches.
- uses of land for trade, industry, residence, recreation, or other purposes.

<sup>321</sup> OHIO REV. CODE ANN. § 505.08; referencing OHIO REV. CODE ANN. § 9.17.

<sup>322</sup> OHIO REV. CODE ANN. § 519.02(A).

**Landscaping and Architectural Standards:**

- reasonable landscaping standards and architectural standards excluding exterior building materials.<sup>323</sup>

A township, “in the interest of the public convenience, comfort, prosperity, or general welfare,” by resolution and in accordance with a comprehensive plan, *for non-residential property only*, may regulate the following:

**Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- height
- bulk
- number of stories
- size

**Lots or Parcels:**

- percentages of lot areas that may be occupied
- sizes of yards, courts, and other open spaces
- density of population<sup>324</sup>

Note that the Ohio Revised Code differentiates among the various interests of the public in allowing for the regulation of residential and non-residential property through zoning. The interests listed above must correlate with the type of property sought to be regulated by zoning.

For purpose of regulating the above listed criteria, the trustees “may divide all or any part of the unincorporated territory of the township into districts or zones of such number, shape, and area as the board determines.”<sup>325</sup>

However, zoning districts must “be uniform for each class or kind of building or other structure or use throughout any district or zone, but the regulations in one district or zone may differ from those in other districts or zones.”<sup>326</sup> This means that regulations adopted by the trustees and applicable to a specific zoning category (i.e., FR-1) must be applied equally to all land in the township that is classified or designated under that particular zoning category. Yet, nothing prohibits the board of trustees from creating additional zoning categories if the board of trustees determines there is a need.

In order to proceed with and act under the zoning powers granted to townships pursuant to R.C. §§ 519.02-519.25, the board must pass a resolution expressing an intent to adopt zoning.<sup>327</sup> This resolution may be brought and adopted either upon the board of trustee’s own volition or by petition.<sup>328</sup> The petition must be signed by a number of qualified voters residing in the unincorporated area of the township or areas of the township to be included in the zoning plan.

This number must be equal to eight percent (8%) of the total votes cast for any candidate for governor in the relevant unincorporated territory of the township during the last gubernatorial election.<sup>329</sup> The board of trustees must adopt any such petitions.<sup>330</sup>

## **1. Zoning Resolutions**

Zoning resolutions are the embodiment of township zoning. They are created pursuant to authority granted under R.C. § 519.02 and act as a comprehensive guide to zoning regulations within the township. Typically, zoning resolutions are divided into various articles, each of which address regulations concerning, but not limited to, individual zoning districts (FR-1), zoned items (signs), standards (general development standards), the functions of the zoning boards and officials, and enforcement of the zoning resolution.

Generally, the zoning commission acts to create and draft zoning resolutions. However, the board of trustees has the ultimate authority to approve and adopt the resolution.<sup>331</sup> If adopted by the board, the question of “whether or not the proposed plan of zoning shall be put into effect ... [shall] be submitted to the electors residing in the unincorporated area of the township included in the proposed plan of zoning for their approval or rejection at the next primary or general election, or a special election ... called for this purpose.”<sup>332</sup> If the majority of voters favor zoning, the resolution shall be put into effect.<sup>333</sup>

The township zoning commission, the board of trustees (by passage of a resolution), or a property owner or lessee of land within the affected area (by application) may initiate amendments to the zoning resolution.<sup>334</sup> The procedure for approving amendments is addressed in R.C. § 519.12. As the process for amending a zoning resolution involves many steps, it is addressed later in this manual in the Board of Zoning Commission section.

## **2. Board of Zoning Commission (BZC), Board of Zoning Appeals (BZA), and Township Zoning Inspector.**

To aid in the development and enforcement of township zoning, the board of trustees must hire employees and appoint boards to assist them in this task. These boards and employees generally consist of a township zoning inspector,<sup>335</sup> a board of zoning commission (BZC),<sup>336</sup> and a board of zoning appeals (BZA).<sup>337</sup>

When a township board of trustees seeks to proceed with zoning pursuant to Chapter 519 of the Ohio Revised Code, it must create and establish a township zoning commission,<sup>338</sup> often referred

to as the board of zoning commission or “BZC.” A BZC must consist of five (5) members, all residents of the unincorporated territory of the township, who serve terms “of such length and so arranged that the term of one member will expire each year.”<sup>339</sup> Each BZC member serves until his or her successor is appointed and qualified.<sup>340</sup>

Pursuant to R.C. § 519.04, the board may also “appoint two alternate members to the township zoning commission, for terms to be determined by the board of township trustees.”<sup>341</sup> Alternates must meet the same qualifications as regular members.<sup>342</sup> Alternates take the place of an absent regular member at any meeting of the township zoning commission and may vote on any matter on which the absent member is authorized to vote.<sup>343</sup> Alternates serve until the member's successor is appointed and qualified.<sup>344</sup>

BZC members may be expelled from the board for nonperformance of duty, misconduct in office, or for other cause by the board of trustees.<sup>345</sup> Under such circumstances, written charges must be filed with the board of trustees and served on the BZC member in accordance with R.C. § 519.04(B).<sup>346</sup> The BZC member must be given a public hearing on the charges, which is to be held a minimum of ten (10) days and a maximum of sixty (60) days after the BZC member is served with the written charges.<sup>347</sup> To fill a vacancy on the BZC, the trustees must appoint a new BZC member to fill the unexpired term of the BZC member being replaced.<sup>348</sup>

The powers and duties of the BZC generally consist of, among other things, the development of the initial zoning resolution and maps, recommendations of changes or amendments to the zoning resolution and maps, and recommendations concerning changes in existing zoning designations.<sup>349</sup> Because these duties and powers are extensive and detailed, they will be more fully addressed in a later section of this manual.<sup>350</sup> (See the section entitled “Board of Zoning Commission”). Also, the role of the township board of trustees in the zoning process is better addressed in conjunction with the BZC and will be addressed in this later section as well. (See the section entitled “Board of Zoning Commission”).

Aside from the BZC, the board of township trustees of “any township which adopts zoning regulations . . . shall appoint a township board of zoning appeals . . .,”<sup>351</sup> or “BZA.” Like the BZC, the BZA consists of five (5) members, all of whom must live in the unincorporated territory of the township included in the area zoned.<sup>352</sup> Each of the members serve terms “of such length and so arranged that the term of one member will expire each year” and serve until their successor is

appointed and qualified.<sup>353</sup> BZA members are generally removable for similar reasons and in a manner similar to that of members of the BZC.<sup>354</sup>

Pursuant to R.C. § 519.13(A), the board “may appoint two alternate members to the township board of zoning appeals, for terms to be determined by the board of township trustees.” Alternates shall take the place of an absent regular member at any meeting of the BZA and may vote on any matter on which the absent member is authorized to vote.<sup>355</sup> Alternates shall meet the same appointment criteria as a regular member.<sup>356</sup> Alternates shall serve until the member's successor is appointed and qualified.<sup>357</sup>

Generally, the powers and duties of the BZA consist of hearing applications for variances and conditional uses and deciding appeals. Appeals heard by the BZA include those “where it is alleged there is error in any order, requirement, decision, or determination made by an administrative official [(i.e., zoning inspector)] in the enforcement of sections 519.02 to 519.25 of the Revised Code, or of any resolution adopted pursuant thereto.”<sup>358</sup> Hearings are on applications for variances,<sup>359</sup> conditional uses,<sup>360</sup> and, in certain instances, to revoke an authorized variance or conditional use “granted for the extraction of minerals.”<sup>361</sup> Again, as these powers and duties are extensive, they are addressed in a later section of this manual.<sup>362</sup> (See the section entitled “Board of Zoning Appeals”).

In addition to the BZC and BZA, the board of township trustees may hire, as an unclassified, at-will employee, a township zoning inspector.<sup>363</sup> It is the duty of the zoning inspector to issue zoning permits and to enforce the zoning resolution.<sup>364</sup> Despite these powers of enforcement, the zoning inspector is not a law enforcement officer and “may not enter and inspect private property without consent unless there is an emergency, the property is open to the public, or the activity conducted on the property has a history of government oversight so that no expectation of privacy exists.”<sup>365</sup> Because the powers and duties of the township zoning inspector are extensive, they are more fully addressed in a later section of this manual.<sup>366</sup> (See the section entitled “Zoning Inspector”). authority that township trustees can exercise over township employees, such as the township zoning inspector, is also addressed in a latter section of this manual.

## Township Employees

A township board of trustees may hire employees to perform tasks and assist in the efficient operation of the township. Such employees may include road superintendent, secretaries, laborers, and township zoning inspectors.<sup>367</sup> Typically, these are unclassified, at-will employees that, generally, may be hired or fired at the discretion of the board of trustees.<sup>368</sup> Also, police officers may be township employees and are employed and removed pursuant to R.C. § 509.01 and §§ 505.49-505.495.<sup>369</sup> Fire chiefs and chiefs of police are employed by the board of trustees pursuant to R.C. § 505.38 and R.C. § 505.49, respectively. Firefighters may also be employed by the board pursuant to R.C. § 505.38(A) and may be removed as provided by R.C. §§ 733.35 to 733.39.<sup>370</sup>

According to R.C. § 511.10, “[t]he board of township trustees may appoint . . . employees as are necessary and fix their compensation.”<sup>371</sup> The board of trustees is not limited in terms of fixing the compensation of its employees and may fix the compensation of its employees as it sees fit, within reason.

Just as the board of trustees may hire an employee, they may also fire any appointed at-will employee. A single trustee, acting unilaterally, may not fire a township employee. A majority vote of the board of trustees is required to remove an employee.<sup>372</sup>

Note that different hiring and firing procedures may apply to unionized and civil service employees. Please contact the Prosecutor’s Office with specific questions concerning the employment or removal of unionized and civil service employees.

## Employee Health Insurance Coverage

Townships may provide health insurance coverage for their employees and officers, subject to some restrictions. R.C. § 505.60(A) allows:

the board of township trustees of any township may procure and pay all or any part of the cost of insurance policies that may provide benefits for hospitalization, surgical care, major medical care, disability, dental care, eye care, medical care, hearing aids, prescription drugs, or sickness and accident insurance, or a combination of any of the foregoing types of insurance for township officers and employees.<sup>373</sup>

The Ohio Attorney General has noted this subsection and recognized the ability of townships to provide such insurance benefits.<sup>374</sup>

Pursuant to R.C. § 505.60(E), the board of trustees may provide health insurance benefits “through an individual self-insurance program or a joint self-insurance program as provided in section 9.833 of the Revised Code.”<sup>375</sup> R.C. § 9.833 states how political subdivisions, including townships, establish individual or joint self-insurance programs. Specifically, R.C. §§ 9.833(B)(1)-(5), states how a political subdivision may establish and maintain such insurance programs and how joint agreements between political subdivisions can be made to procure, establish, and maintain health insurance benefits. Ohio Revised Code Section 9.833(C), depending on the type of insurance program selected, provides requirements for the township for managing a health insurance program. Note that R.C. § 9.833(E) excludes townships from some of the requirements listed in R.C. § 9.833 if an individual self-insurance program is selected and created solely by municipal corporations as defined in § 5705.01 of the Revised Code.

Competitive bidding is not required to purchase health insurance benefits from a private company for township officers and employees.<sup>376</sup> However, the company providing the insurance must be licensed to do business in Ohio.<sup>377</sup>

If the township procures health insurance benefits for its employees, the policies must provide “uniform coverage” for all township officers and full-time employees and their immediate dependents.<sup>378</sup> In other words, if insurance is procured, it must offer “the same benefits to its officers and full-time employees and their immediate dependents...”<sup>379</sup> Additionally, the township “may provide coverage” for part-time township employees and their immediate dependents.<sup>380</sup> If the benefits are offered to part-time employees, they too must be offered the

same coverage.<sup>381</sup> According to the Ohio Attorney General, “in providing hospital and medical insurance under R.C. 505.60, a board of township trustees may not distinguish between part-time and full-time employees.”<sup>382</sup> Although coverage must be the same for all officers and employees, “there is no requirement that the premium charged or amount paid must be the same for each township trustee.”<sup>383</sup>

In addition, R.C. § 3901.56 permits health and life insurers, including public employee benefit plans, to offer a “wellness or health improvement program that provides rewards or incentives” in order to encourage or reward participation.<sup>384</sup> Rewards and incentives may include, but are not limited to: “merchandise; gift cards; debit cards; premium discounts or rebates; contributions to a health savings account; modifications to copayment, deductible, or coinsurance amounts; or any combination of these incentives, to encourage participation or to reward participation in the program.”<sup>385</sup>

In order for an elected official (i.e. trustee or fiscal officer) to receive health or hospitalization insurance, the purchase of the insurance must have been authorized prior to the officer’s existing term in office.<sup>386</sup> The reason for this is because the Ohio Constitution, Article II, Section 20 states that the salary or compensation of an officer is fixed and cannot be changed during the officer’s existing term.<sup>387</sup> Trustees and fiscal officers are considered officers.<sup>388</sup> The provision of health insurance is a fringe benefit to employment and, therefore, constitutes part of the officer’s compensation.<sup>389</sup> Thus, “the township is not permitted, during an existing term of a township trustee, to authorize the purchase of health or hospitalization insurance for the trustee during that term.”<sup>390</sup> Accordingly, “the purchase of health or hospitalization insurance must be authorized by resolution before a particular term begins.”<sup>391</sup>

**TOWNSHIP FISCAL OFFICER**

## General Overview

The township fiscal officer generally functions as the township fiscal manager and record keeper.<sup>392</sup> In this capacity, the township fiscal officer, among other responsibilities, generally has the following primary responsibilities:

- Keeping the minutes of township trustees meetings,
- Keeping and maintaining the township financial records,
- Keeping and maintaining all other official township records,
- Keeping the records of any and all township cemeteries,
- Administration of oaths, and
- Communicating between the township and the board of elections.

In addition to the above listed general responsibilities, the township fiscal officer may and does have additional responsibilities.

## Qualifications

In order to hold the office of township fiscal officer, a person must first have and maintain the following qualifications:

- The person must be an elector<sup>393</sup>; and,
- The person must be a resident of the township.<sup>394</sup>

Before taking any action as the township fiscal officer, a township fiscal officer must do the following:

- Take the oath of office, which must be in writing, may be administered by any person holding an elected office under the constitution or laws of this state if that person is elected or appointed to offices within the geographical limits of the elected officer's constituency, and must be to support the constitution of the United States and the constitution of this state, and to faithfully discharge the duties of the office; and,
- Give bond or prove appropriate insurance coverage.<sup>395</sup>

It is important to note that despite having the above qualifications, a person may be disqualified from simultaneously holding the office of township fiscal officer and another office or position, whether or not the other office or position is with the township, as a result of the office of fiscal officer being incompatible with the other office or position.<sup>396</sup>

## Term of Office

A township fiscal officer is elected every four (4) years at the general election for a four (4) year term of office.<sup>397</sup> The general election is “the election held on the first Tuesday after the first Monday in each November.”<sup>398</sup> Given the four (4) year term of office, beginning with the general election held in November 2007, an election for township fiscal officer will occur in every other odd numbered year.<sup>399</sup> Following election, the term of the office for the township fiscal officer begins “on the first day of April . . . after [the] election.”<sup>400</sup>

## Vacancy

A vacancy occurs by a person’s nonacceptance of the position, the fiscal officer’s death, the fiscal officer’s removal or resignation from office, the fiscal officer’s cessation of living in the township, and other causes.<sup>401</sup> For the process and necessary forms for filling a vacancy in the office of township fiscal officer, see the Vacancy section in the Forms Section of this manual.

## Compensation

The compensation of the township fiscal officer is set annually by resolution of the board of township trustees.<sup>402</sup> The amount of compensation as set by such resolution shall be consistent with the amounts set in the schedule set forth in R.C. § 507.09(A) through (D).<sup>403</sup> Such schedule sets the amount of the township fiscal officer’s compensation based upon the size of the township’s budget and accounts for annual increases.<sup>404</sup>

The township fiscal officer may elect to take less than the amount of the statutorily set compensation by notifying the board of township trustees in writing.<sup>405</sup> The board of trustees shall include this notice in the minutes of its next board meeting.<sup>406</sup>

In accordance with R.C. § 507.09(D), the township fiscal officer’s compensation is to be paid in equal monthly installments.<sup>407</sup> The township fiscal officer may be paid from the township’s general fund as well as from other funds, depending upon “the proportion of time the township fiscal officer spends providing services related to each fund.”<sup>408</sup> R.C. 507.09(D) requires that the fiscal officer document the amount of time he or she spends “providing services related to each

The compensation of the township fiscal officer shall increase annually in accordance with R.C. § 507.09(B) and (C).<sup>410</sup> Such increases shall be provided for and included in a resolution of the board of trustees.

## **Bond**

Before the township fiscal officer takes office, he or she must give bond payable to the board of township trustees with sureties approved by the board.<sup>411</sup> The amount of the bond is determined by the board of trustees, but shall not be less than the amounts provided in the schedule in R.C. § 507.03(A)-(J).<sup>412</sup> The bond amounts included in the schedule are based upon the overall township budget.<sup>413</sup>

The bond is given by the township fiscal officer for the purpose of ensuring the faithful performance of his or her duties.<sup>414</sup> Thus the bond shall be conditioned on “the faithful performance of the duties of the office of township fiscal officer.”<sup>415</sup>

The bond must be obtained from licensed sureties approved by the board of trustees.<sup>416</sup> The premium of any licensed surety company on the bond must be paid with township funds.<sup>417</sup>

Once the bond is purchased and given, it shall be recorded by the township fiscal officer and filed with the county treasurer and carefully preserved.<sup>418</sup>

## **Employee Dishonesty and Faithful Performance of Duty Policy in Lieu of Bond**

Instead of requiring bond, a township may adopt, by ordinance or resolution, an “employee dishonesty and faithful performance of duty policy.”<sup>419</sup> This is a “policy of insurance, or a coverage document issued by a joint self-insurance pool authorized under section 2744.081 of the Revised Code, to protect against losses that would otherwise be protected against under a

surety bond....”<sup>420</sup> A fiscal officer’s coverage under this policy must be at least equal to the coverage that would have been obtained with a surety bond.<sup>421</sup>

Once in effect, the policy replaces the Ohio Revised Code’s bond requirements for the township fiscal officer.<sup>422</sup> A fiscal officer who maintains the required coverage is qualified for their office<sup>423</sup> while a fiscal officer who fails to obtain coverage is not qualified.<sup>424</sup> If such a policy is passed during a fiscal officer’s term, then the fiscal officer must obtain coverage or vacate their office.<sup>425</sup>

## **Hours and Meeting Attendance**

The township fiscal officer is able to set his or her own hours.<sup>426</sup> The board of township trustees may not require the fiscal officer to hold specific hours.<sup>427</sup> However, the township fiscal officer is required by statute to “personally attend at least one meeting of the board [of trustees] during each quarter of every year, unless prevented by the occurrence of an emergency from attending.”<sup>428</sup>

## **Fiscal Officer’s Relationship to the Trustees**

The township fiscal officer is elected by the people of the township and “like the trustees, is responsible only to the people.”<sup>429</sup> It has been noted that the township fiscal officer is an officer *to the board of trustees*.<sup>430</sup> Thus, a trustee lacks authority to direct the actions of the fiscal officer, who is considered to be a co-equal elected official responsible to the people.

## **General Duties**

The powers and duties of a township fiscal officer are limited. Specifically, a township fiscal officer is a creature of statute and is empowered only with that authority as provided by statute, or necessarily implied therefrom. In other words, a statute (Ohio Revised Code) must affirmatively impose a duty or permit an action before a township fiscal officer may engage in such duty or action.

The township fiscal officer’s main duties include keeping “an accurate record of the proceedings of the board of township trustees at all of its meetings, and of all its accounts and transactions,

including the acceptance of the bonds of township officers.”<sup>431</sup> Included within these duties is the keeping of accurate township records, minutes of trustees meetings, and township financial records.<sup>432</sup>

In addition, the township fiscal officer is required to keep communication with the board of elections. The fiscal officer is required to notify the board of elections when there is a vacancy in an elected township office.<sup>433</sup> This notice needs to be given in writing, no later than ten (10) days after the vacancy occurs.<sup>434</sup> The fiscal officer should also notify the Ohio Secretary of State of the vacancy within the same window of time. See the Vacancy section in the Forms Section of this manual for more information on filling vacancies.

Also, the township fiscal officer is required to notify the board of elections of any changes in boundaries of the township (i.e., if part of the township is annexed into a village or city). This must be done in writing within ten (10) days after the effective date of the change in boundaries and the notification must contain a plat showing the boundary changes.<sup>435</sup>

Aside from the above specified duties, the township fiscal officer also has other varied and numerous ministerial duties. Such duties may include, but are not limited to, keeping cemetery records, writing checks, ordering supplies, and the like.

## **Fiscal Responsibilities**

The fiscal officer is responsible for and must maintain the accounts and financial records of the township.<sup>436</sup> Accordingly, no money belonging to the township may be paid-out, except pursuant to an order signed by at least two (2) township trustees and countersigned by the township fiscal officer.<sup>437</sup> Alternatively, the board of township trustees may by resolution authorize the payment of lawful obligations of the township “by direct deposit of funds by electronic transfer in accordance with section 9.37 of the Revised Code.”<sup>438</sup>

Given the vast number of relatively small expenditures made by a township, the board of trustees, by resolution, may authorize township officers and employees to incur obligations of \$10,000.00 or less on behalf of the township.<sup>439</sup> Alternatively, the board of trustees, by resolution, may authorize the township administrator, if such a position exists, to authorize township officers and employees to incur obligations of \$10,000.00 or less on behalf of the township.<sup>440</sup> Any and all such transactions incurred on behalf of the township by a township officer or employee pursuant to any

## **Contractual Requirements**

### **1. Certificate of Availability of Funds**

Whenever the township makes a contract to expend money, the township fiscal officer must attach a certificate stating that money is available for such a purpose.<sup>442</sup> Specifically, the certificate shall be attached to the contract and state that:

the amount required to meet the obligation or, in the case of a continuing contract to be performed in whole or in part in an ensuing fiscal year, the amount required to meet the obligation in the fiscal year in which the contract is made, has been lawfully appropriated for such purpose and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances.<sup>443</sup>

If a contract is made without this certificate from the fiscal officer, the contract will be declared void, and no warrant shall be issued in payment of any amount due thereon.<sup>444</sup> Remedies may be available to correct situations where a contract is inadvertently entered without such a certificate being attached.<sup>445</sup>

### **2. Findings for Recovery (Certificates)**

Pursuant to R.C. § 9.24, townships are required to perform what are called “findings for recovery” check/verifications before awarding certain contracts paid for in whole or in part with state funds.<sup>446</sup> A “finding for recovery” is defined as:

a determination issued by the auditor of state . . . that public money has been illegally expended, public money has been collected but not been accounted for, public money is due but has not been collected, or public money has been converted or misappropriated.<sup>447</sup>

The types of contracts, as listed in R.C. § 9.24(G)(1), to which this verification/check applies are those for goods, services, or construction that meet the following criteria:<sup>448</sup>

<sup>446</sup> OHIO REV. CODE ANN. § 9.24.

<sup>447</sup> OHIO REV. CODE ANN. § 9.24(H)(3).

<sup>448</sup> OHIO REV. CODE ANN. § 9.24(G)(1).

- A. The cost for the goods, services, or construction provided under the contract is estimated to exceed \$25,000.00; or,
- B. The aggregate cost for the goods, services, or construction provided under multiple contracts entered into by the . . . political subdivision and a single person within the fiscal year preceding the fiscal year within which a contract is being entered into by that same . . . political subdivision and the same single person, exceeded \$50,000.00; or,
- C. The contract is a renewal of a contract previously entered into and renewed pursuant to that preceding contract.<sup>449</sup>

Subsection C above only applies provided that the contract meets either subsection A or B above.<sup>450</sup>

According to R.C. § 9.24(A):

no political subdivision shall award a contract described in division (G)(1) of . . . [R.C. § 9.24 (see above)] for goods, services, or construction, paid for in whole or in part with state funds, to a person against whom a finding for recovery has been issued by the auditor of state on or after January 1, 2001, if the finding for recovery is unresolved.<sup>451</sup>

Moreover, according to R.C. § 9.24(E):

[b]efore awarding a contract described in division (G)(1) of . . . [R.C. § 9.24 (see above)] for goods, services, or construction, paid for in whole or in part with state funds, a . . . political subdivision shall verify that the person to whom the . . . political subdivision plans to award the contract has no unresolved finding for recovery issued against the person. A . . . political subdivision shall verify that the person does not appear in the database described in division (D) of . . . [R.C. § 9.24] or shall obtain other proof that the person has no unresolved finding for recovery issued against the person.<sup>452</sup>

Thus, in preparation for entering a contract for which a check for a “finding for recovery” check/verification is required, a “finding for recovery” check must be performed. The township fiscal officer will likely be the person responsible for performing the task of verifying that there is no unresolved finding for recovery against the person with whom the township proposes to contact. The apparent purpose of creating and requiring that the database be checked before awarding a contract is to avoid awarding new contracts to those who have unresolved obligations involving state money or property and in doing so encourage complete fulfillment of those prior unfulfilled obligations to the state.

<sup>451</sup> OHIO REV. CODE ANN. § 9.24(A).

The database described in R.C. § 9.24(D) is the “Findings for Recovery” Database, which can be found on the auditor of state’s web page at:

<http://www.auditor.state.oh.us/findings.html>

A certified search of the “Findings for Recovery” Database should be performed at this website. The result should be a certificate. The certificate should be printed and attached to the contract.

A statement in which the contractor certifies that he or she is not the subject of any unresolved findings for recovery should also be included in the body of the contract.

Failure of a township to actually check the “Findings for Recovery” Database before awarding a contract or the award of a contract to a person who has an unresolved “finding for recovery” in the “Findings for Recovery” Database could result in the contract being void. It is, therefore, very important to check all contracts meeting the above listed criteria (see R.C. § 9.24(G)(1)) involving state funds against the “Findings for Recovery” Database. As previously stated, a certification that indicates a check has been performed should be printed from the “Findings for Recovery” Database after an actual check/verification has been performed. This form should be printed and attached to the contract.

### **3. OPERS Independent Contractor Acknowledgement Form**

The law requires that a contractor classified as an independent contractor acknowledge the contractor's status as an independent contractor and the fact that no contributions will be made to the Ohio Public Employees Retirement System (“OPERS”). This acknowledgement is made by completion of the OPERS Independent Contractor Acknowledgement form (“OPERS Form”). (See “OPERS Independent Contractor Acknowledgement” form in the Sample Forms Section.) The OPERS Form only needs to be completed if the contractor is an individual or has less than five (5) employees. The original completed OPERS Form(s) should be attached to the back of the Contract. A copy(ies) of the completed OPERS Form should be sent to OPERS.

If the contractor has five (5) or more employees, a statement in which the contractor certifies that fact should also be included in the body of the contract in lieu of the contractor completing the OPERS Form.

### **Records to be Maintained**

The township fiscal officer is responsible for accurately recording the minutes of all meetings held by the board of township trustees. In addition to the meeting minutes, the township fiscal officer is responsible for keeping three (3) books. These books are as follows:

- a book for the record of township roads;
- a book for the record of marks and brands; and,

- a book for the record of official oaths and bonds of township officers.<sup>453</sup>

The township shall provide the fiscal officer with these books.<sup>454</sup> In addition to keeping minutes and the above referenced books, the township fiscal officer is responsible for keeping an exact record of all township accounts and transactions.

## Oath

Each person chosen or appointed to an office shall take an oath of office before entering upon the discharge of the duties of that office.<sup>455</sup> The township fiscal officer may administer such oath of office to township officers.<sup>456</sup> Additionally, the township fiscal officer may certify affidavits that pertain to the business of the township or the board of education of the local school district.<sup>457</sup>

Although the township fiscal officer generally administers the oath of office to township officials, the township fiscal officer is unable to administer the oath to him or herself. Therefore, the oath must be administered to the fiscal officer by some other authorized person. The person may be any person holding an elected office under the constitution or laws of Ohio, if the township is within the geographical limits of the elected officer's constituency.<sup>458</sup> Further, a judge or a notary public commissioned in Ohio may administer the oath.<sup>459</sup> The certificate of the oath must be filed and recorded.<sup>460</sup>

The oath of office shall be to support the constitution of the United States and the constitution of this state, and to faithfully discharge the duties of the office.<sup>461</sup> (See sample oath in the Sample Forms Section.)

The oath shall be in writing. The person taking the oath shall write the person's signature immediately under the text of the oath. The person administering the oath under authority of R.C. §§ 3.24 or 507.06 (i.e., fiscal officer) shall then write the administering person's signature, the title of the elected office that the administering person holds, and the date; and shall affix the seal of office if a seal is prescribed for, or has been adopted by, the administering person's office.<sup>462</sup>

## Deputy Fiscal Officer

When a township fiscal officer is unable to carry out the duties of the office of township fiscal officer due to illness, entering the military service of the United States, because of a court ordered

suspension as provided for under section 507.13 of the Revised Code or because the fiscal officer is otherwise incapacitated or disqualified, the board of township trustees shall appoint a deputy fiscal officer.<sup>463</sup> Once appointed, a deputy fiscal officer has the full power to discharge the duties of the office of township fiscal officer.<sup>464</sup> In accordance with R.C. § 507.02, a deputy fiscal officer shall serve during the actual fiscal officer's absence until his or her return or a successor fiscal officer is elected and qualified.<sup>465</sup>

Like the actual fiscal officer, before entering on the discharge of official duties, the deputy fiscal officer shall give bond for the faithful discharge of official duties, as required under R.C. § 507.03.<sup>466</sup> The bond shall be payable to the board of trustees and is to consist of the same minimum amount as that of the actual fiscal officer.<sup>467</sup> Such bond amount is provided in 507.03(A) through (J) and is based, as with the actual fiscal officer, upon the total amount of the township budget.<sup>468</sup> The bond shall be recorded and filed with the county treasurer. If the township had adopted an employee dishonesty and faithful performance of duty policy, the deputy fiscal officer must instead prove that he or she possesses insurance coverage as required by ORC § 3.061.<sup>469</sup>

By resolution, the board of trustees shall adjust and determine the compensation of the actual fiscal officer and deputy fiscal officer.<sup>470</sup> The total of such compensation for both the actual fiscal officer and any deputy fiscal officer shall not exceed the total annual compensation of the actual fiscal officer as fixed by resolution of the board of trustees pursuant to the schedule in R.C. § 507.09.<sup>471</sup>

### **Assistants to Aid the Fiscal Officer in the Performance of Duties**

If the fiscal officer needs assistance performing his or her duties, he or she has the power to employ such persons as he or she deems necessary as assistants.<sup>472</sup> The assistants serve at the pleasure of the fiscal officer or, in the absence of the fiscal officer, the deputy fiscal officer.<sup>473</sup> The township fiscal officer may delegate to an assistant and an assistant may perform any of the duties the fiscal officer is otherwise required to perform.<sup>474</sup> The fiscal officer may set the compensation of assistants subject to the prior approval of the board of trustees.<sup>475</sup> However, through the hiring of assistants, the fiscal officer is in no way relieved of the responsibilities of office and must discharge the duties of office in accordance with the law.<sup>476</sup>

### **Fiscal Caution, Watch, and Emergency**

R.C. Chapter 118 requires fiscal integrity of municipal corporations, counties, and townships.<sup>483</sup> The purpose of R.C. Chapter 118 is to “enact procedures, provide powers, and impose restrictions to assure fiscal integrity....”<sup>484</sup> A township experiencing fiscal issues may be classified as follows:

- **Fiscal Caution** - The township's fiscal practices and budgetary conditions meet certain criteria established by the auditor of state that, if uncorrected, could result in a future declaration of a fiscal watch or fiscal emergency.<sup>485</sup>
- **Fiscal Watch** – Any of the fiscal watch conditions as listed in R.C. §118.022(A) exist.<sup>486</sup>
- **Fiscal Emergency** - Any of the fiscal emergency conditions as listed in R.C. §118.03(A) exist.<sup>487</sup> A fiscal emergency is determined pursuant to R.C. § 118.04.<sup>488</sup>

A fiscal watch review is the method by which the state will determine if a township is approaching a state of fiscal emergency.<sup>489</sup> The board of township trustees or the auditor of state may initiate proceedings by submitting a written request to the auditor of state.<sup>490</sup> The auditor of state will

acknowledge receipt of the written request for a fiscal watch review by sending a stamped and dated copy to the board of township trustees requesting a review.<sup>491</sup>

Several conditions may exist constituting grounds for a fiscal watch.<sup>492</sup> Upon determining that one or more of these conditions are present, the auditor of state shall issue a written declaration of the existence of a fiscal watch to the board of township trustees.<sup>493</sup> The fiscal watch shall remain in place until the auditor of state determines that none of the conditions which gave rise to the fiscal watch are in existence and cancels the watch, or until the auditor of state determines that a fiscal emergency is present.<sup>494</sup> During the fiscal watch, the auditor of state or a designee will provide “such technical and support services to the...township after a fiscal watch has been declared to exist as the auditor of state considers necessary.”<sup>495</sup>

Upon receiving the written declaration from the auditor of state, the board of township trustees for which a fiscal watch has been declared must submit a financial recovery plan to the auditor of state within ninety (90) days after a fiscal watch is declared. This recovery plan shall identify the following:

- actions to be taken to eliminate the conditions which led to the fiscal watch;
- schedule detailing approximate dates of beginning and completing corrective actions to be taken;
- a five-year forecast on the effects of the actions; and,
- evaluate the feasibility of entering into shared services agreements with other political subdivisions.<sup>496</sup>

If the board of township trustees fails to submit a feasible recovery plan within ninety (90) days or within any extension of time granted, or the auditor of state determines a fiscal emergency declaration is necessary to prevent further decline, the auditor of state shall declare that a fiscal emergency condition exists under R.C. § 118.04.<sup>497</sup> In effect, the existence of a fiscal emergency condition constitutes a fiscal emergency.<sup>498</sup> Such determination can be initiated by the auditor of state or upon written request filed by the board of township trustees.<sup>499</sup> Any determination made by the auditor of state that a fiscal emergency exists is final, but the board of township trustees may appeal the determination to the court of appeals having territorial jurisdiction over the township.<sup>500</sup>

### Continuing Education

Fiscal officers are required to participate in continuing education programs and courses.<sup>502</sup> The purpose of these programs and courses are “[t]o enhance the background and working knowledge of township fiscal officers in government accounting, budgeting and financing, financial report preparation, cybersecurity, and the rules adopted by the auditor of state...”<sup>503</sup>

The auditor of state is required to conduct these education programs and continuing education courses.<sup>504</sup> The Ohio Township Association may also conduct these programs and courses if approved by the auditor of state.<sup>505</sup> The manner and content of the programs and course are to be determined by the auditor of state, in conjunction with the Ohio Township Association.<sup>506</sup>

The programs and courses are intended for individuals elected or appointed for the first time to the office of township fiscal officer and for individuals who continue to hold the office in a subsequent term.<sup>507</sup> Fiscal officers are required to complete the following number of hours of programs and courses:

**TOWNSHIP ZONING INSPECTOR**

## General Overview and Compensation

Enforcing the township zoning resolution can be a monumental task. The Ohio Legislature has given boards of township trustees the ability to delegate portions of this task. According to R.C. § 519.16, a township “may establish and fill the position of township zoning inspector, together with such assistants as the board deems necessary....”<sup>521</sup> As a township employees, the board of trustees may “fix the compensation for such positions, and may make disbursements for them.”<sup>522</sup> Accordingly, the township zoning inspector, pursuant to R.C. § 124.11(B), is an unclassified employee that may be dismissed from his or her position at-will, without cause, absent discrimination or malfeasance.<sup>523</sup>

Before assuming the position, the township zoning inspector must either give bond or (if applicable) prove possession of insurance coverage under an employee dishonesty and faithful performance of duty policy. If no employee dishonesty and faithful performance of duty policy has been passed, the township zoning inspector must give a bond “conditioned upon the faithful performance of the zoning inspector’s official duties.”<sup>524</sup> The bond must be “signed by a bonding or surety company authorized to do business in this state, or, at the inspector’s option, signed by two or more freeholders having real estate in the value of double the amount of the bond, over and above all encumbrances to the state....”<sup>525</sup> In order to be acceptable, the surety company or real estate bond must be approved by the trustees.<sup>526</sup> The amount of the bond must be at least \$1,000.00 and not more than \$5,000.00, as fixed or determined by the township board of trustees.<sup>527</sup> The township fiscal officer is charged with accepting deposit of the bond.<sup>528</sup>

Instead of requiring bond, a township may adopt, by ordinance or resolution, an “employee dishonesty and faithful performance of duty policy.”<sup>529</sup> This is a “policy of insurance, or a coverage document issued by a joint self-insurance pool authorized under section 2744.081 of the Revised Code, to protect against losses that would otherwise be protected against under a surety bond....”<sup>530</sup> A township zoning inspector’s coverage under this policy must be at least equal to the coverage that would have been obtained with a surety bond.<sup>531</sup> Once in effect, the policy replaces the Ohio Revised Code’s bond requirements for the zoning inspector.<sup>532</sup> A

township zoning inspector who maintains the required coverage is qualified for their office<sup>533</sup> while a township zoning inspector who fails to obtain coverage is not qualified.<sup>534</sup> If such a policy is passed during the township zoning inspector's term, then the township zoning inspector must obtain coverage or vacate their office.<sup>535</sup>

The zoning inspector is a creature of statute. As a result, all actions of the township zoning inspector must be both derived from and permitted by statute (Ohio Revised Code) or necessarily implied therefrom. Most sections of the Ohio Revised Code that address township zoning are concentrated in Chapter 519. As a result, many of the sections related to township zoning have a statute number that begins with "519." When consulting the Ohio Revised Code for guidance, a township zoning inspector should consider looking in Chapter 519. However, keep in mind that the Ohio Revised Code contains titles numbered 1 through 63,<sup>536</sup> therefore issues concerning or relevant to township zoning may be discussed elsewhere in the Ohio Revised Code. For help with legal questions concerning the Ohio Revised Code or other matters, call the Delaware County Prosecuting Attorney's Office.

## **Powers and Duties**

Generally, the township zoning inspector enforces the township zoning resolution.<sup>537</sup> Although some degree of discretion is obviously necessary in terms of enforcement, it is largely the job of the township zoning inspector to implement the township zoning resolution.<sup>538</sup> In fact, the responsibilities of the zoning inspector have been described as "ministerial in nature."<sup>539</sup> In short, if a project meets all the requirements of the zoning resolution, it should be approved; if it does not, it should not be.<sup>540</sup>

A township zoning inspector has no responsibility or authority to create the township zoning resolution that he or she is charged with enforcing.<sup>541</sup> That responsibility is shared by the board of zoning commission (BZC) and the board of township trustees. Additionally, the township zoning inspector may not grant variances or conditional uses. Although the township zoning inspector may *distribute* applications for variances and conditional uses, the board of zoning appeals (BZA) hears and decides requests for both variances and conditional uses.<sup>542</sup>

<sup>542</sup> OHIO REV. CODE ANN. § 519.14(B)-(C).

Enforcement of the township zoning resolution includes, among other things, issuing permits and inspecting properties for compliance with the zoning resolution.<sup>543</sup> In performing these duties, it is important for a township zoning inspector to remember that they are “not a “[l]aw enforcement officer” under R.C. § 2901.01(A)(11) or [Ohio Rules of Criminal Procedure] 2(J).”<sup>544</sup> As a result:

[p]ursuant to the fourth amendment to the United States Constitution, a township zoning inspector may not enter and inspect private property without a search warrant where the owner or occupant of the property does not give consent, unless there is an emergency, the property is open to the public, or the industry conducted on the property has a history of government oversight such that no reasonable expectation of privacy exists.<sup>545</sup>

Compliance inspections must be conducted with this premise in mind.

## **Zoning Resolutions**

Zoning resolutions are the embodiment of township zoning. They are created pursuant to authority granted under R.C. § 519.02 and act as a comprehensive guide to zoning regulations within the township. Generally, zoning resolutions are divided into various articles, each of which address regulations concerning, but not limited to, individual zoning districts or categories (i.e., FR-1), zoned items (i.e., signs), standards (i.e., general development standards), or enforcement of the zoning resolution.

Though the board of zoning commission (BZC) generally acts to create and draft the zoning resolution, the board of trustees, as the legislative body of the township, has the ultimate authority to approve and adopt the resolution.<sup>546</sup> If adopted by the board of trustees, “the question of whether or not the proposed plan of zoning shall be put into effect” is submitted to the voters.<sup>547</sup> If the majority of voters favor zoning, the resolution shall be put into effect.<sup>548</sup>

As the township zoning inspector is only charged with enforcing the township zoning resolution, he or she has no responsibility for creating or changing the resolution.<sup>549</sup>

Amendments to the zoning resolution are initiated by either the board of zoning commission (BZC) by motion, the trustees by passage of a resolution, or an application by a property owner.<sup>550</sup> The procedure for approving amendments is addressed in R.C. § 519.12. As the procedure for amending the zoning resolution involves many steps, it is addressed in another section of this manual. For further discussion, see the chapter entitled “Board of Zoning Commission.”

## Zoning Certificates (Permits)

For purposes of enforcing the township zoning resolution, the township board of trustees “may provide for a system of zoning certificates....”<sup>551</sup> Zoning certificates, commonly referred to as “permits” or “zoning permits,” are required by anyone who wants to use land pursuant to a zoning resolution.<sup>552</sup>

As with all aspects of its power and authority, “[t]ownships...are constrained to live within the strictures of the Revised Code...” in providing for a system of zoning certificates.<sup>553</sup> R.C. § 519.17 generally provides when a zoning certificate is required. According to that section, “[n]o person shall locate, erect, construct, reconstruct, enlarge, or structurally alter any building or structure within the territory included in a zoning resolution without obtaining a zoning certificate....”<sup>554</sup> Before a zoning certificate is issued, “the plans for the proposed building or structure [must] fully comply with the zoning regulations then in effect.”<sup>555</sup> Generally, this means that the current, not the past or proposed, zoning regulations govern the structure or building for which the applicant seeks a certificate. However, there may be rare, fact-specific, instances where this is not the case.

Generally, to obtain a zoning certificate, an application form must be obtained and completed.<sup>556</sup> Often, the zoning resolution will specify the process to be followed. Normally, the zoning inspector is the individual charged with distributing these application forms. Fees may be charged for submission of zoning certificate applications as long as those fees are reasonable.<sup>557</sup> The Ohio Revised Code, in certain instances, may dictate the amount of the fee to be charged.

## Review of Development Plans (Planned Unit Developments)

The township zoning inspector may review or assist in the review of preliminary and final development plans submitted for approval in connection with a planned unit development (PUD) pursuant to R.C. § 519.021. The nature and extent of this review may be provided by the terms for approval of a PUD in the township zoning resolution.

<sup>558</sup> See Planned Unit Development (PUD), *infra* pp. 153-55.

## Enforcement

It is the duty of the zoning inspector to implement and enforce the township zoning resolution *as written*.<sup>559</sup> This means that the zoning inspector may only enforce the terms of the zoning resolution presently in effect. He or she may not add, delete, or substitute any terms, phrases, or provisions into the zoning resolution. Therefore, the enforcement authority of the township zoning inspector is limited solely to the language appearing in the current effective zoning resolution.

In the same respect, the zoning inspector may only refuse to issue or hold a zoning certificate (or permit) when the subject property does not meet the requirements in the zoning resolution for issuing the requested certificate. In other words, a zoning certificate must be issued where a proposed project complies with the terms of the township zoning resolution for issuing the certificate. Note that “courts have been clear that a denial of a permit will not be allowed where there is no regulation prohibiting the sought-after activity.”<sup>560</sup>

## Violations

Violations of the township zoning resolution should be dealt with on a case-by-case basis. A zoning inspector may issue a written notice of a zoning violation to the property owner. Such notice shall state the nature of the violation, the specific section of the zoning resolution that is being violated (preferably both a section number(s) and the actual language from the zoning resolution should be cited), and provide a specific date by which the violation must be remedied.

Aside from and in addition to issuing a written notice of zoning violation, various other remedies and a penalty for violations are available in R.C. § 519.23 to R.C. § 519.24 and R.C. § 519.99. To avoid unnecessary court action, the township zoning inspector can attempt to resolve the violation on his or her own (i.e., working directly with the property owner to explain the violation and possible remedies and/or issuing a written notice of zoning violation).

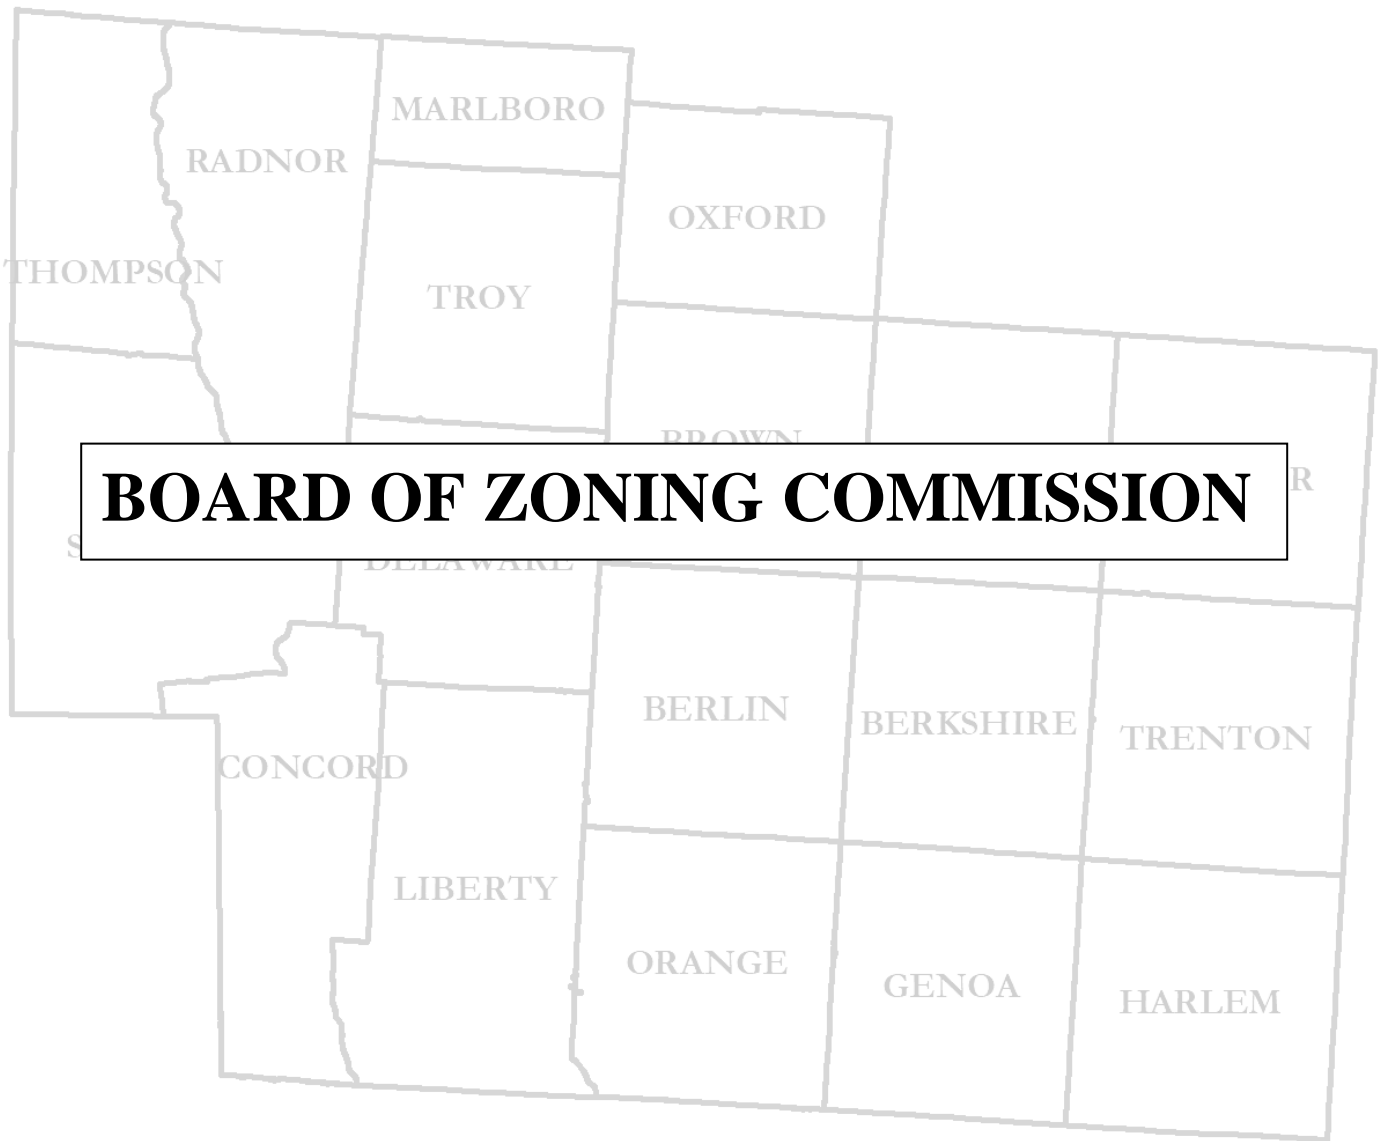

In certain instances where the township zoning inspector is unsure how to act, has acted, and been unsuccessful in achieving satisfactory results, or feels immediate action is needed, he or she should consult with the Delaware County Prosecuting Attorney’s Office.<sup>561</sup>

**BOARD OF ZONING COMMISSION**

## General Overview and Term of Office

The township zoning commission (BZC) is the origin of most zoning in the township. In making decisions concerning zoning, the BZC must work closely with the township trustees and the county regional planning commission.

The township board of trustees “shall create and establish a township zoning commission” when they enact zoning.<sup>562</sup> The BZC must consist of five (5) members, each of whom are appointed by the board of township trustees.<sup>563</sup> Each member of the BZC must be a resident of the unincorporated territory of the township.<sup>564</sup> If there is a regional planning commission, the board of township trustees may appoint a member of the regional planning commission to the BZC as long as the member is a resident of the unincorporated territory of the township.<sup>565</sup>

The township trustees shall establish the terms of the regular BZC members to be of such length and so arranged that the term of one member will expire each year.<sup>566</sup> If there is a vacancy on the BZC, the board of township trustees shall fill the vacancy for the unexpired term.<sup>567</sup> Each member or alternate member shall serve until his or her successor is appointed and qualified.<sup>568</sup>

BZC members may be expelled from their positions in accordance with R.C. § 519.04 for nonperformance of duty, misconduct in office, or for cause by the board.<sup>569</sup> Under such circumstances, written charges must be filed with the board of trustees and served on the BZC member in accordance with R.C. § 519.04.<sup>570</sup> The BZC member must be given a public hearing on the charges.<sup>571</sup> If the BZC member is expelled, the board of trustees must appoint a new BZC member to fill the unexpired term of the BZC member being replaced.<sup>572</sup>

Once created, the BZC “shall organize, adopt rules for the transaction of its business, and keep a record of its actions and determinations.”<sup>573</sup>

The BZC must have a majority (quorum) of its membership present in order to conduct a meeting/hearing and act. Some zoning resolutions require a majority of the BZC members to vote in order to act, refer to your township’s zoning resolution for more information.

## Compensation

The board of township trustees may approve and provide for the expenses and compensation of the members of the zoning commission.<sup>574</sup>

## Powers and Duties

The powers of the BZC are limited. As with all aspects of a township's power and authority, the BZC is a creature of statute and is empowered only with that authority provided by statute (Ohio Revised Code) or necessarily implied therefrom. It is firmly established that townships have no inherent or constitutionally-granted police power to enact zoning legislation and are limited to such zoning authority as they are granted by statute.<sup>575</sup> By statute, the BZC's main duty is to prepare a zoning plan for the township.<sup>576</sup> This zoning plan should include text and maps describing each zoned area of the township.<sup>577</sup> The township zoning plan shall be written in accordance with a comprehensive plan.<sup>578</sup>

In preparing a zoning plan, the BZC should make use of all resources available.<sup>579</sup> These resources include the regional planning commission and various county personnel.<sup>580</sup> Additionally, if funds are available, the BZC may employ outside experts and planning consultants.<sup>581</sup> The township zoning commission is responsible for keeping records of its actions and business.<sup>582</sup>

## Alternate Members

The board of trustees may also appoint two alternate members to the BZC for terms to be decided by the board of trustees.<sup>583</sup> The alternate members must meet the same qualifications as regular BZC members, including residing in the unincorporated territory of the township.<sup>584</sup> An alternate BZC member will serve until his or her successor is appointed and qualified.<sup>585</sup>

The purpose of alternate BZC members is to take the place of a regular BZC member at any BZC meeting when a regular member is unable to attend or a conflict of interest arises.<sup>586</sup> The procedure for having an alternate member attend a meeting shall be established by resolution by the

### **Adoption of a Township Zoning Plan (Resolution and Maps)**

After the board of township trustees approves a resolution pursuant to R.C. § 519.03 (establishing the intention to proceed with township zoning), the following procedure should be followed in creating a zoning resolution and maps:

1. The township trustees must create and establish a BZC pursuant to R.C. § 519.04.
2. The newly organized BZC should create and prepare a zoning plan, including both text and maps, for the unincorporated territory of the township.<sup>589</sup> This zoning plan is to be written in accordance with a comprehensive plan.<sup>590</sup> The plan should represent the BZC's recommendations for carrying out by the board of trustees the powers, purposes, and provisions set forth in R.C. §§ 519.01-519.99.<sup>591</sup> The BZC should work with county regional planning to develop a zoning plan and maps.<sup>592</sup> Services, expertise, and resources of other public offices should also be used and consulted in developing the zoning plan and maps. Also, within the limits of funds appropriated by the trustees, the BZC may employ or contract with outside experts and planning consultants to assist in creating the zoning plan.<sup>593</sup>
3. After creating its recommended zoning plan and maps, the BZC must hold at least one public hearing. Notice of the hearing shall be given by one (1) publication in one (1) or more newspapers of general circulation<sup>594</sup> in the township at least thirty (30) days before the date of such hearing.<sup>595</sup> The notice must "state the place and time at which the text and maps of the proposed zoning resolution may be examined."<sup>596</sup> It should also include the date, time, place, and reason for the public hearing.

  - *Note: If county regional planning disapproves of or suggests any material change to the proposed zoning resolution, the BZC must hold another public hearing on the resolution.*<sup>599</sup> *Notice of the hearing must be given by one (1) publication in one (1) or more newspapers of general circulation in the township*<sup>600</sup>. *The publication must occur at least thirty (30) days before the hearing. ## ZONING CHANGE/AMENDMENT FLOWCHART – R.C. § 519.12

\*Notice must be published at least once in one (1) or more newspapers of general circulation in the township at least ten (10) days prior to the public hearing and include the time, date and place for the public hearing and all information required by R.C. § 519.12(C). If ten (10) or fewer parcels are included within a rezone or redistrict, notice, including the time date and place of the public hearing and all information in R.C. § 519.12(C), must also be mailed via first class mail at least ten (10) days prior to the public hearing to all owners of property within and contiguous to and directly across the street from the area proposed to be rezoned or redistricted to the addresses of those owners appearing on the county auditor's current tax list. If ten (10) or more parcels are included within the rezone or redistrict, or if the amendment alters the text of the zoning resolution, the published notice must include the time date, and place of the public hearing and all of the information in R.C. § 519.12(D).

\*\* Note that notice must be published at least once in one or more newspapers of general circulation in the township at least ten (10) days prior to the public hearing and include the time, date, and place for the public hearing and all information required by R.C. § 519.12(F) or R.C. § 519.12(G) depending on whether ten (10) or fewer or more than ten (10) parcels or a text amendment are the subject of the proposed amendment.

### **Additional Notice Requirements (BZC Hearing)**

Besides specifying the time, date, and place of a BZC hearing during which a zoning amendment will be considered, R.C. §§ 519.12(C)-(D) mandate that notices must include additional information.

If the proposed amendment seeks to rezone ten (10) or fewer parcels of land, the published and mailed notices (notices are to be mailed by first class mail to owners and/or neighbors of the affected parcels (within and continuous to and directly across the street from such area proposed to be rezoned)) must contain the following information (in addition to the time, date, and place of the BZC hearing during which the zoning amendment will be considered):

1. The name of the BZC that will conduct the hearing;
2. A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;
3. A list of the addresses of all the properties to be rezoned by the proposed amendment and the names of the owners of the properties (as they appear on the county auditor's current tax list);
4. The current zoning classification of the property named in the amendment and the proposed zoning classification of that property;
5. The time and place where the motion, resolution, or application proposing to amend the zoning resolution will be available for examination for at least ten (10) days prior to the public hearing;
6. The name of the person responsible for giving notice of the public hearing (by mail and by publication);
7. A statement that the matter will be submitted to the board of township trustees after the conclusion of the hearing; and,
8. Any other information requested by the BZC.<sup>621</sup>

If the proposed amendment alters the text of the zoning resolution or seeks to rezone more than ten (10) parcels of land, the notice need only be published and must contain the following (again, in addition to the time, date, and place of a BZC hearing during which the zoning amendment will be considered):

1. The name of the BZC that will conduct the hearing;
2. A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;
3. The time and place where the text and maps of the proposed amendment will be available for examination for at least ten (10) days prior to the public hearing;
4. The name of the person responsible for giving notice of the public hearing by publication;
5. A statement that the matter will be submitted to the board of township trustees after the conclusion of the hearing; and,
6. Any other information requested by the BZC.<sup>622</sup>

### **Additional Notice Requirements (Board of Trustees Hearing)**

Similarly, once a BZC makes its recommendation on a proposed amendment and submits it to the board of trustees for consideration, R.C. §§ 519.12(F) and 519.12(G) mandate that the board of trustees, besides specifying the time, date, and place of the hearing during which a zoning amendment will be considered, include additional information in its published notice. Again, the content of the notice depends upon the number of parcels affected by the proposed zoning amendment. Such notices need only be published.

If the proposed amendment seeks to rezone ten (10) or fewer parcels of land, the published notice, in addition to specifying the time, date, and place of the hearing during which the amendment will be considered, must contain the following:

1. The name of the board of trustees that will conduct the hearing;
2. A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;
3. A list of the addresses of all the properties to be rezoned by the proposed amendment and the names of the owners of the properties (as they appear on the county auditor's current tax list);
4. The current zoning classification of the property named in the amendment and the proposed zoning classification of that property;
5. The time and place where the motion, resolution, or application proposing to amend the zoning resolution will be available for examination for at least ten (10) days prior to the public hearing;
6. The name of the person responsible for giving notice of the public hearing (by mail and by publication); and,
7. Any other information requested by the board.<sup>623</sup>

If the proposed amendment alters the text of the zoning resolution or seeks to rezone more than ten (10) parcels of land, the published notice, in addition to specifying the time, date, and place of the hearing during which the amendment will be considered, must contain the following:

1. The name of the board of trustees that will conduct the hearing;
2. A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;
3. The time and place where the text and maps of the proposed amendment will be available for examination for at least ten (10) days prior to the public hearing;
4. The name of the person responsible for giving notice of the public hearing by publication; and,
5. Any other information requested by the board.<sup>624</sup>

To make preparation of notices easier, checklists containing the above notice requirements are contained in the Sample Forms chapter of this manual.

## **Appropriate Considerations for Reviewing Resolutions/Amendments**

When drafting or preparing a zoning resolution or a text amendment to a zoning resolution, the purposes for which a township can zone must be considered. Specifically, such purposes include the following:

A township, “in the interest of the public health and safety,” by resolution, in accordance with a comprehensive plan, may regulate the following:

### **Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- location,
- height,
- bulk,
- number of stories, and
- size of buildings and other structures.

### **Lots or Parcels:**

- percentages of lot areas which may be occupied,
- set back building lines,
- sizes of yards, courts, and other open spaces,
- the density of population.

### **Uses:**

- the uses of buildings and other structures including tents, cabins, and trailer coaches, and
- the uses of land for trade, industry, residence, recreation, or other purposes.<sup>625</sup>

A township, “in the interest of the public convenience, comfort, prosperity, or general welfare,” by resolution, in accordance with a comprehensive plan, may regulate the following:

### **Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- Location
- Setback lines.

### **Uses:**

- Uses of buildings and other structures (including tents, cabins, and trailer coaches).
- Uses of land for trade, industry, residence, recreation, or other purposes.

### **Landscaping and Architectural Standards:**

- Reasonable landscaping standards and architectural standards excluding exterior building materials.<sup>626</sup>

<sup>625</sup> OHIO REV. CODE ANN. § 519.02(A).

<sup>626</sup> OHIO REV. CODE ANN. § 519.02(A).

A township, “in the interest of the public convenience, comfort, prosperity, or general welfare,” by resolution and in accordance with a comprehensive plan, *for non-residential property only*, may regulate the following:

**Buildings and Other Structures (Including Tents, Cabins, and Trailer Coaches):**

- Height
- Bulk
- Number of stories
- Size of buildings and other structures.

**Lots or Parcels:**

- Percentages of lot areas that may be occupied
- Sizes of yards, courts, and other open spaces
- Density of population<sup>627</sup>

Note that the Ohio Revised Code differentiates among the various interests of the public in allowing for the regulation of residential and non-residential property through zoning. The interests listed above must correlate with the type of property sought to be regulated by zoning.

**Vote of the Board of Trustees on Recommendations of the BZC**

According to R.C. § 519.12, the township board of trustees shall, within twenty days after the public hearing, “either adopt or deny the recommendations of the zoning commission or adopt some modification of them.”<sup>628</sup> In the event “the board denies or modifies the commission’s recommendations, a majority vote of the board shall be required.”<sup>629</sup>

**Referendum**

If, within thirty (30) days after the adoption of the amendment, the board of township trustees is presented a petition for a referendum, the zoning amendment shall be certified to the board of elections and put to a vote.<sup>630</sup> This petition must be signed by registered electors residing in the unincorporated area of the township equal to eight-percent (8%) of the total vote cast for all candidates for governor in the township at the most recent general election at which a governor was elected.<sup>631</sup> The special election for approval or rejection of the amendment must be held “on the day of the next primary or general election that occurs at least ninety [90] days after the petition is filed.”<sup>632</sup>

<sup>630</sup> OHIO REV. CODE ANN. § 519.12(H).

<sup>631</sup> OHIO REV. CODE ANN. § 519.12(H).

<sup>632</sup> OHIO REV. CODE ANN. § 519.12(H).

Before certifying the petitions to the board of elections and in accordance with R.C. § 519.12(H), the board of trustees must determine, by resolution adopted at an open meeting, that the petition is valid on its face.<sup>633</sup> Pursuant to R.C. § 519.12(H) and consistent with the interpretations of this law by Ohio courts and the Ohio Attorney General, a board of trustees has the “duty to determine whether petitions requesting a referendum on the zoning amendment filed with the board are valid on their face for presentation to the board of elections....”<sup>634</sup>

Thus, the board of trustees has the responsibility to determine the sufficiency of the petitions on their face, such that they should or should not be presented to the board of elections.<sup>635</sup>

This duty of the board of trustees is limited. The board of trustees “does not have the power to inquire into other matters” other than what is apparent from the face of the petitions.<sup>636</sup>

The process for determining validity generally involves the board of trustees satisfying itself that a petition is in the proper form and that it contains the requisite number of signatures.<sup>637</sup> In terms of the form of the petition, each part of the petition shall contain “the number and the full and correct title, if any, of the zoning amendment resolution, motion, or application, furnishing the name by which the amendment is known and a brief summary of its contents.”<sup>638</sup> It should also include an appropriate map of the area affected by the zoning.<sup>639</sup>

In terms of the number of signatures, the board of trustees will determine if the petition contains at least a number of signatures equal to eight-percent (8%) of the total vote cast for all candidates for governor in the township at the last preceding general election at which a governor was elected.<sup>640</sup> This number is available from the board of elections. Note that it is the responsibility of the board of elections to determine if the signatures are valid.<sup>641</sup>

It will be necessary for the board of trustees to determine the validity of the petitions in an open public meeting. A resolution should be approved either finding the petitions valid on their face and certifying the petitions to the board of elections or finding the petitions invalid on their face and rejecting certification to the board of elections. A form resolution for this purpose is available from the Delaware County Prosecuting Attorney’s Office. Any certification to the board of elections shall occur within two (2) weeks of receipt of the referendum petition and not less than ninety (90) days prior to the election at which the question is to be voted upon.<sup>642</sup>

**BOARD OF ZONING APPEALS**

## General Overview and Term of Office

In any township that has adopted zoning, the board of township trustees must appoint a township board of zoning appeals,<sup>643</sup> or “BZA.” The BZA must consist of five (5) members who are required to live in the unincorporated territory of the township included in the area zoned.<sup>644</sup> Each member of the BZA is appointed for a term “of such length and so arranged that the term of one member will expire each year.”<sup>645</sup> He or she shall serve until a successor is appointed and qualified.<sup>646</sup>

Also, the board of trustees may appoint two alternate members to the BZA for terms to be determined by the board of trustees.<sup>647</sup> To be appointed, alternate members must meet the same eligibility requirements as regular members.<sup>648</sup> Alternate members may serve in place of an absent regular member at any BZA meeting/hearing.<sup>649</sup> The board of trustees shall prescribe, in a resolution appointing alternate BZA members, the procedure by which an alternate BZA member may serve at BZA meetings.<sup>650</sup> When replacing a regular BZA member at a BZA meeting/hearing, an alternate BZA member may vote upon anything that the regular BZA member they replace would be eligible to vote upon.<sup>651</sup> Like regular members, alternate BZA members shall serve until their successor is appointed and qualified.<sup>652</sup>

BZA members may be expelled from their positions for the same reasons for which members of the board of zoning commission (BZC) can be removed from their positions.<sup>653</sup> These reasons can be found in R.C. § 519.04. Pursuant to that section, members can be expelled from the BZA for nonperformance of duty, misconduct in office, or for cause by the board of trustees.<sup>654</sup> Under such circumstances, written charges must be filed with the board of trustees and served on the BZA member in accordance with R.C. § 519.04.<sup>655</sup> The BZA member must be given a public hearing on the charges.<sup>656</sup>

In filling a vacancy on the BZA, the trustees appoint a new BZA member to serve out the remainder of the departed BZA member’s term.<sup>657</sup>

To assist in their duties and responsibilities, the BZA, “within the limits of the moneys appropriated by the board of township trustees for the purpose, [may] employ such executive, professional, technical, and other assistants as it considers necessary.”<sup>658</sup>

## Compensation

BZA members “may be allowed their expenses, or such compensation, or both, as the board of township trustees may approve and provide.”<sup>659</sup>

## Powers and Duties

By statute, the BZA generally is given authority to do four (4) things. According to R.C. §§ 519.14(A)-(D), they include the following:

- A. **Hear and decide appeals where it is alleged there is an error** in any order, requirement, decision, or determination made by an administrative official in the enforcement of R.C. §§ 519.02 to 519.25, or of any resolution adopted pursuant thereto;
- B. **Authorize**, upon appeal, in specific cases, such **variance** from the terms of the zoning resolution as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the resolution will result in unnecessary hardship, and so that the spirit of the resolution shall be observed and substantial justice done;
- C. **Grant conditional zoning certificates** for the use of land, buildings, or other structures if such certificates for specific uses are provided for in the zoning resolution;
- D. **Revoke** an authorized variance or conditional zoning certificate granted for the extraction of minerals, if any condition of the variance or certificate is violated.<sup>660</sup>

Specific statutory procedures must be followed if the BZA intends to revoke a variance of a conditional zoning certificate pursuant to R.C. § 519.14(D) as set forth above.<sup>661</sup> This includes notifying the holder of the variance or certificate by certified mail of both the BZA’s intent to revoke and the holder’s right to a hearing before the BZA within thirty (30) days of the notice’s mailing, if the holder so desires.<sup>662</sup>

Note that a gathering of BZA members to exercise their authority pursuant to R.C. § 519.14 is a quasi-judicial proceeding.<sup>663</sup> As such, a recording should be made of the BZA hearings so that a

record exists in the event that the BZA’s decision is appealed to the court of common pleas. Often, such recording consists of having a court reporter present to take down a verbatim transcript of the hearing.

In exercising its authority pursuant to R.C. § 519.14(A)-(D), the BZA

may, in conformity with such sections, reverse or affirm, wholly or partly, or may modify the order, requirement, decision, or determination appealed from, and may make such order, requirement, decision, or determination as ought to be made, and to that end has all powers of the officer from whom the appeal is taken.<sup>664</sup>

Thus, the decision of the BZA may take the form of a reversal, affirmation, or modification of an administrative official’s decision concerning the enforcement of sections R.C. §§ 519.02-519.25.<sup>665</sup> In addition, the BZA is granted authority to make the “order, requirement, decision, or determination” that “ought to be made...”<sup>666</sup> This provision allows the BZA to make a decision on alternative grounds, based on the evidence available. However, this decision-making authority does not extend to determining the constitutionality of the zoning resolution or a regulation contained therein.<sup>667</sup>

## Variations

A variance is a “minor departure or exception from the strict rule or literal enforcement or interpretation of zoning provisions.”<sup>668</sup> It is intended to allow slight deviations from the zoning resolution as applied on an individual or case-by-case basis.<sup>669</sup> A variance is related to an individual hardship that is or will be suffered on particular property without a deviation from the strict provisions of the zoning resolution.<sup>670</sup>

Variations are not substitutes for rezoning; they “are to be granted for problems related to particular parcels.”<sup>671</sup> In other words, if changing the zoning designation of the property can alleviate the hardship experienced on a particular piece of property, rezoning the property is the more appropriate avenue for the property owner to pursue.

There are two types of variations: “area or bulk variations” and “use variations.”

Generally, an area or bulk variance does not alter the character of the surrounding neighborhood and concerns the technical measurements required by zoning, such as “departures from yard and height requirements.”<sup>672</sup> Usually, area or bulk variances include parking and sign code regulations.<sup>673</sup> Setbacks are often the subject of an area variance.

The standard for granting an area variance is whether the owner has encountered “practical difficulties.”<sup>674</sup> According to the Supreme Court of Ohio in *Duncan v. Village of Middlefield*, the factors to be considered when considering an area variance under the practical difficulties standard include but are not limited to the following:

- 1) Whether the property in question will yield a reasonable return or whether there can be a beneficial use of the property without the variance;
- 2) Whether the variance is substantial;
- 3) Whether the essential character of the neighborhood would be substantially altered or whether adjoining properties would suffer a substantial detriment as a result of the variance;
- 4) Whether the variance would adversely affect the delivery of governmental services (e.g., water, sewer, garbage);
- 5) Whether the property owner purchased the property with knowledge of the zoning restriction;
- 6) Whether the property owner’s predicament feasibly can be obviated through some method other than a variance;
- 7) Whether the spirit and intent behind the zoning requirement would be observed and substantial justice done by granting the variance.<sup>675</sup>

Use variances, on the other hand, typically concern the actual use of the property and “authorize uses not expressly or impliedly permitted by the zoning code.”<sup>676</sup> Generally, the standard to be applied for granting a use variance is whether the owner would suffer “unnecessary hardship.”<sup>677</sup>

Vill. of Middlefield*, 23 Ohio St.3d 83, 83-84, 491 N.E.2d 692, 693 (1986) (finding that area zoning variances are subject to the practical difficulties standard).

Though self-imposed hardship is often fatal to the granting of a use variance, it is not necessarily fatal to an area variance. With an area variance, the fact that the hardship was self-imposed should be considered, along with the above seven factors from the *Duncan* case.<sup>678</sup>

## Conditional Use

A conditional use differs from a variance. Unlike a variance, which requests a deviation from the provisions of the zoning resolution, a conditional use (or special exception) is a legitimate use of property pursuant to the terms of the zoning resolution, yet the use may have a significant impact upon the zoned property. Therefore, certain prescribed conditions must be met before the use will be allowed.<sup>679</sup> These conditions, which distinguish a permitted use (a use expressly permitted by the zoning resolution) from a conditional use, are set forth within the zoning code.

In issuing a conditional zoning certificate, a BZA is governed by the terms and conditions of the zoning resolution itself.<sup>680</sup> Thus, “[t]he standards for granting or denying each use will differ from ordinance to ordinance.”<sup>681</sup> It remains the responsibility of the BZA to interpret and apply the standards in the resolution.<sup>682</sup>

## Procedures

The township zoning resolution often provides rules and regulations pertaining to the BZA. The BZA, in accordance with these rules and regulations, can organize and adopt rules.<sup>683</sup>

BZA meetings/hearings are called by the chairperson, and at such other times as the board determines appropriate, and shall be open to the public.<sup>684</sup> The BZA must have a majority (quorum) of its membership present in order to conduct a meeting/hearing and act. Some zoning resolutions require a majority of the BZA members to vote in order to act, refer to your township’s zoning resolution for more information. The chair, and if the chairperson is absent the acting chairperson, may administer oaths.<sup>685</sup> The BZA may compel the attendance of witnesses.<sup>686</sup> Minutes of BZA hearings shall be kept by the BZA secretary or clerk and shall include the vote of each member upon each question.<sup>687</sup> In addition to minutes, a court reporter is generally present to take a verbatim transcript of the proceedings. If a member is either not present or fails to vote, the minutes should note this fact.<sup>688</sup> The BZA must keep “records of its examinations and other

### **Procedure for Appeal of Decision of Administrative Official**

“[A]ny person aggrieved or...any officer of the township affected by any decision of the administrative officer” may appeal to the BZA.<sup>690</sup> Such appeals must be taken within twenty (20) days following the decision that is the reason for the appeal.<sup>691</sup> The filing must include a notice of appeal and state the grounds for the appeal. It must be filed with the officer from whom the appeal is taken and with the BZA.<sup>692</sup> After the filing of the notice of appeal, the officer whose decision is being appealed shall immediately send all documents pertaining to the decision to the BZA.<sup>693</sup>

The BZA shall then “fix a reasonable time for the public hearing of the appeal....”<sup>694</sup> Each interested party shall receive ten (10) days’ notice in writing of the public hearing.<sup>695</sup> Notice of the hearing shall also be published once in one or more newspapers of general circulation<sup>696</sup> in the county at least ten (10) days prior to the hearing.<sup>697</sup> Parties may represent themselves at the hearing or be represented by an attorney.<sup>698</sup>

Following the hearing, the BZA shall render a written decision and its findings of fact and conclusions within a “reasonable time” after the appeal has been submitted to the board.<sup>699</sup> Such a written decision and findings of fact and conclusions shall be delivered to each of the parties to the appeal.

**PUBLIC RECORDS AND  
RECORDS RETENTION**

## Ohio's Public Records Law

Ohio's Public Records Law is codified in R.C. § 149.43.

### Definitions

As provided by the Ohio Revised Code, the following definitions apply concerning public records:

- A. "Records" includes any document, device, or item, regardless of physical form or characteristic, including an electronic record as defined in section 1306.01 of the Revised Code, created or received by or coming under the jurisdiction of any public office of the state or its political subdivisions, which serves to document the organization, functions, policies, decisions, procedures, operations, or other activities of the office.<sup>701</sup>
- B. "Public Record" means records kept by any public office, including, but not limited to, state, county, city, village, township, and school district units, and records pertaining to the delivery of educational services by an alternative school in this state kept by the nonprofit or for-profit entity operating the alternative school pursuant to section 3313.533 of the Revised Code. "Public record" does not mean any of the records listed in R.C. § 149.43(A)(1)(a) through (ss).<sup>702</sup>

### General Application of Ohio's Public Records Law

Unless exempted by law from being a public record, all records kept and maintained by a township are public records.<sup>703</sup>

### Availability of Public Records

Upon receipt of a request for public records, townships are under a duty to produce public records for inspection and/or copying/reproduction. Concerning inspection of public records, R.C. § 149.43(B)(1) states that "[u]pon request . . . all public records responsive to the request shall be promptly prepared and made available for inspection to the requester at all reasonable times during regular business hours."<sup>704</sup> Upon request for copies and/or reproduction of a public record, R.C. § 149.43(B)(1) states that "a public office or person responsible for public records shall make copies of the requested public record available to the requester at cost and within a reasonable period of time."<sup>705</sup> There is no requirement that the township or person responsible for the public

record permit or allow the person seeking the copy of the public record to, themselves, make the copy of the public record.<sup>706</sup>

## **Maintenance of Records**

Consistent with the express, statutory goal “[t]o facilitate broader access to public records” and consistent with the requirements and duties under R.C. § 149.43(B) to produce public records, a township “shall organize and maintain public records in a manner that they can be made available for inspection or copying....”<sup>707</sup> In addition, the township shall have a copy of its current records retention schedule available “at a location readily available to the public.”<sup>708</sup>

## **Requests for Public Records**

There are no requirements governing the means, format, style, or content of public records requests. In other words, a public records request can be made by any means, be in any format, be in any style, and does not have to contain any specific information.

### **A. Prohibition Against Placing Conditions on Requests**

Except as required or authorized by state or federal law, conditions cannot be placed on requests for public records. According to R.C. § 149.43(B)(4):

[u]nless specifically required or authorized by state or federal law or in accordance with . . . [R.C. § 149.43(B)], no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requestor's identity or the intended use of the requested public record constitutes a denial of the request.<sup>709</sup>

### **B. Written Requests, Identification, Purpose**

In accordance with R.C. § 149.43(B)(5), a township may ask the person making the public records request to:

- Make the request in writing
- Ask the requester's identity
- Inquire about the intended use of the information.<sup>710</sup>

<sup>709</sup> OHIO REV. CODE ANN. § 149.43(B)(4).

<sup>710</sup> OHIO REV. CODE ANN. § 149.43(B)(5).

These requests may only be made **after** disclosing to the person making the request that:

a written request is not mandatory, that the requester may decline to reveal the requester's identity or the intended use, and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.<sup>711</sup>

### **C. Ambiguous and/or Overly Broad Requests**

If a public records request is ambiguous or overly broad or where the person making the request has difficulty in making the request, “such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person responsible for the requested public record may deny the request....”<sup>712</sup> Under such circumstances, the township “shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties.”<sup>713</sup>

### **Choice of Media**

A person requesting a copy/reproduction of a public record shall have a choice of media upon which the public record is copied/reproduced.<sup>714</sup> Specifically:

The public office or the person responsible for the public record shall permit the requester to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the requester makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the requester.<sup>715</sup>

### **Cost**

A township may charge the actual cost of copying or reproducing the public record.<sup>716</sup> The cost encompasses materials, but does not include labor.<sup>717</sup> The township may require the person

making the request “to pay in advance the cost involved in providing the copy of the public record....”<sup>718</sup>

### **Postage/Delivery**

Pursuant to R.C. § 149.43(B)(7), a person making a request for public records may request that copies of the public records be delivered to that person or any other person via U.S. mail or other means of delivery or transmission.<sup>719</sup> Under such circumstances, “a public office or person responsible for public records shall transmit a copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the copy.”<sup>720</sup>

Costs incurred in the mailing, delivery, or transmission of public records in response to a public records request may be collected from the individual making the public records request. Specifically, a township

may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.<sup>721</sup>

### **Denial of a Request for Public Records**

#### **A. Non-Existent Record**

Where a request is made for a record that the township does not have or that the township has not maintained or does not maintain, R.C. § 149.43 does not require the creation of new documents to satisfy the demands of a requester.<sup>722</sup> Such a request should be denied with an explanation that the requested record does not exist.

#### **B. Denial of Entire Record**

In accordance with R.C. § 149.43(B)(3), if a public records request is denied in whole or in part, the township or person responsible for the public record “shall provide the requester with an explanation, including legal authority, setting forth why the request was denied.”<sup>723</sup> If the initial request for the record(s) was made in writing, the explanation shall be provided in writing.<sup>724</sup>

<sup>724</sup> OHIO REV. CODE ANN. § 149.43(B)(3).

## C. Redaction

Where a public record exists, but “contains information that is exempt from the duty to permit public inspection or to copy the public record,” R.C. § 149.43(B)(1) states that:

the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible.<sup>725</sup>

Pursuant to R.C. § 149.43(A)(13), “redaction” as related to public records means “obscuring or deleting any information that is exempt from the duty to permit public inspection or copying from an item that otherwise meets the definition of a "record" in section 149.011 of the Revised Code.”<sup>726</sup>

According to R.C. § 149.43(B)(1), “[a] redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.”<sup>727</sup> As a denial of a request for a public record, all redactions must be supported with an explanation of the redaction that includes legal authority setting forth why the request was denied.<sup>728</sup> Such explanation, including legal authority, must be provided to the person who made the public records request.<sup>729</sup> If the initial request for the records was made in writing, the explanation shall be provided in writing.<sup>730</sup>

### Designated Public Service Worker Residential or Familial Information

Pursuant to R.C. § 149.43(A)(1)(p), the residential and familial information of “designated public service workers” is not a public record.<sup>731</sup> “Designated public service workers,” as defined by R.C. § 149.43(A)(7), are as follows:

- peace officer
- parole officer
- probation officer
- bailiff
- prosecuting attorney
- assistant prosecuting attorney
- correctional employee
- county or multicounty corrections officer

- state board of pharmacy employee

- regional psychiatric hospital employee
- judge
- magistrate
- federal law enforcement officer.

For purposes of the Ohio Public Record Law, "peace officer" has the same meaning as in R.C. § 109.71 and also includes the superintendent and troopers of the state highway patrol.<sup>732</sup> It does not include the sheriff of a county or a supervisory employee who, in the absence of the sheriff, is authorized to stand in for, exercise the authority of, and perform the duties of the sheriff.<sup>733</sup> Also, "firefighter" means any regular, paid or volunteer, member of a lawfully constituted fire department of a municipal corporation, township, fire district, or village.<sup>734</sup> Additionally, "EMT" means EMTs-basic, EMTs-I, and paramedics that provide emergency medical services for a public emergency medical service organization. "Emergency medical service organization," "EMT-basic," "EMT-I," and "paramedic" have the meanings as in R.C. § 4765.01.<sup>735</sup> Additional definitions of positions that are defined as "designated public service workers" may be found in R.C. § 149.43(A)(9).

Pursuant to R.C. § 149.43(A)(8), "[d]esignated public service worker residential and familial information" means any information that discloses any of the following about a "designated public service worker":

- The address of the actual personal residence of designated public service worker, except for the following information:
- The address of the actual personal residence of a prosecuting attorney or judge, and

- The name of any beneficiary of employment benefits, including, but not limited to, life insurance benefits, provided to a designated public service worker by the designated public service worker's employer;
- The identity and amount of any charitable or employment benefit deduction made by the designated public service worker's employer from the designated public service worker's compensation, unless the amount of the deduction is required by state or federal law;
- The name, the residential address, the name of the employer, the address of the employer, the social security number, the residential telephone number, any bank account, debit card, charge card, or credit card number, or the emergency telephone number of the spouse, a former spouse, or any child of a designated public worker;
- A photograph of a peace officer who holds a position or has an assignment that may include undercover or plain clothes positions or assignments as determined by the peace officer's appointing authority.<sup>736</sup>

### **Consequences of Failing to Comply with Ohio's Public Records Law/ Improper Destruction of Records**

A person that is aggrieved by an alleged failure of a public office or person to comply with Ohio's Public Records Law may either (but not both) "[f]ile a complaint with the clerk of the court of claims or the clerk of the court of common pleas under section 2743.75 of the Revised Code" or file an action for mandamus.<sup>737</sup> A mandamus action is a court action to force a public office or person to comply with the law. Such an action may be brought in the court of common pleas, the appellate court, or the Supreme Court of Ohio.<sup>738</sup> If the person prevails in the mandamus action, such person may be awarded court costs, attorney's fees, and, if applicable, statutory damages.<sup>739</sup>

<sup>736</sup> OHIO REV. CODE ANN. § 149.43(A)(8)(a)-(g).

<sup>737</sup> OHIO REV. CODE ANN. § 149.43(C)(1).

<sup>738</sup> OHIO REV. CODE ANN. § 149.43(C)(1)(b).

<sup>739</sup> OHIO REV. CODE ANN. § 149.43(C)(1)(b).

According to R.C. § 149.43(C)(2), statutory damages amounts to one hundred dollars (\$100.00) per business day for every day the request was not complied with, beginning with the date the mandamus action was filed, up to a maximum of one thousand dollars (\$1,000.00).<sup>740</sup>

Furthermore, R.C. § 149.351 requires that public records shall not be “removed, destroyed, mutilated, transferred, or otherwise damaged or disposed of” unless explicitly provided for by law, or established “under the rules adopted by the records commissions provided for under sections 149.38 to 149.42 of the Revised Code.”<sup>741</sup> A person who is aggrieved by the wrongful removal, destruction, mutilation or transfer of such a public record may file a civil action “to recover a forfeiture in the amount of one thousand dollars [(\$1,000)] for each violation, but not to exceed a cumulative total of ten thousand dollars [(\$10,000)], regardless of the number of violations, and to obtain an award of the reasonable attorney's fees incurred by the person in the civil action not to exceed the forfeiture amount recovered.”<sup>742</sup> Thus, the amounts that can be recovered in forfeiture for the destruction or damage of records, as well as the amount of attorney’s fees which can be recovered, are limited to ten thousand (\$10,000.00).

### **Training Requirement**

In accordance with R.C. § 149.43(E)(1), all elected officials, including township officials or their appropriate designees, shall attend training on Ohio’s Public Records Law as approved by the Ohio Attorney General.<sup>743</sup> The training shall be for a minimum of three (3) hours “for every term of office for which the elected official or future official was appointed or elected to the public office involved.”<sup>744</sup> For a list of training sessions being offered by the Attorney General, see the Ohio Attorney General’s website:

<http://www.ohioattorneygeneral.gov/Training-and-Education>.

The Ohio Auditor of State is authorized by the Attorney General to also provide these trainings. For a list of training sessions being offered by the Auditor, see the Ohio Auditor of State’s website:

<https://ohioauditor.gov/trainings/publicrecords.html>.

### **Required Public Records Policy**

Pursuant to R.C. § 149.43(E)(2), all public offices shall adopt a public records policy for responding to requests for public records.<sup>745</sup> Such policy shall be in compliance with Ohio’s Public Records Law.<sup>746</sup> Except as otherwise permitted by R.C. § 149.43, the policy shall not do any of the following:

---

<sup>740</sup> OHIO REV. CODE ANN. § 149.43(C)(2).

<sup>741</sup> OHIO REV. CODE ANN. § 149.351(A).

<sup>742</sup> OHIO REV. CODE ANN. § 149.351(B)(2).

<sup>745</sup> OHIO REV. CODE ANN. § 149.43(E)(2).

<sup>746</sup> OHIO REV. CODE ANN. § 149.43(E)(2).

- limit the number of public records that the public office will make available to a single person,
- limit the number of public records that it will make available during a fixed period of time,
- establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight (8) hours.<sup>747</sup>

The policy shall be distributed to “the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office.”<sup>748</sup> In the case of a township, this employee is most likely the township fiscal officer or possibly the township administrator. Whether the fiscal officer, administrator, or another employee, the records custodian or records manager or other employee that has custody of the records shall be required to acknowledge receipt of a copy of the public records policy.<sup>749</sup>

The public records policy shall be posted on a poster in a conspicuous place within the office of each branch and main location of the public office.<sup>750</sup> If the office has a website, the policy may be posted on that website.<sup>751</sup> The public records policy shall also be included in any handbook or manual of general policies and procedures for all employees of the public office, if such a manual or handbook exists or is maintained.<sup>752</sup> This is most likely an employee handbook or manual provided to all employees.

Pursuant to R.C. § 109.43, the Ohio Attorney General is charged, for purposes of providing guidance to public offices in drafting a public records policy as required by R.C. § 149.43(E)(2), with drafting a model public records policy. Such policy is available on the Ohio Attorney General’s website at:

<https://www.ohioattorneygeneral.gov/Files/Government-Entities/Model-Public-Records-Policy.aspx>.

While a model policy is available from the Ohio Attorney General, the Delaware County Prosecuting Attorney has drafted a model policy for use throughout Delaware County. This model policy appears on the following pages.

It is the policy of the \_\_\_\_\_ Township, Delaware County, Ohio Board of Township Trustees ("Board") that openness leads to a better informed citizenry, which leads to better government and better public policy. ## II. Purpose:

The Board acknowledges that \_\_\_\_\_ Township maintains many records including, but not limited to, both fixed medium (i.e., paper, film, etc.) and electronic (i.e., email) that are used in the administration and operation of \_\_\_\_\_ Township. The records maintained by the Board and/or \_\_\_\_\_ Township and the ability to access them are a means to provide trust between the public and \_\_\_\_\_ Township. To foster, maintain, and continue to build such trust, the Board and \_\_\_\_\_ Township, in accordance with state law, adopts this Public Records Policy ("Policy"). (R.C. § 149.43(E)(2)).

(R.C. § 149.011(G)).
- B. "Public Record" means records kept by any public office, including, but not limited to, state, county, city, village, township, and school district units, and records pertaining to the delivery of educational services by an alternative school in this state kept by the nonprofit or for-profit entity operating the alternative school pursuant to section 3313.533 of the Revised Code. "Public record" does not mean any of the records listed in R.C. § 149.43(A)(1)(a) through (ss). (R.C. § 149.43(A)(1)).

#### IV. Scope:

All records of the Board and \_\_\_\_\_ Township are public records unless they do not meet either or both of the definitions of "Records" or "Public Record" as defined by the Ohio Revised Code (R.C. § 149.011(G) and R.C. § 149.43(A)(1)) or are otherwise specifically exempt from disclosure pursuant to the Ohio Revised Code or applicable federal law.

(See Form 1) (R.C. 149.43(E)(2)).

- G. The Board and/or \_\_\_\_\_ Township will charge the actual costs of postage and mailing supplies when the requesting party requires the public records to be transmitted via the United States Postal Service or any type of priority mail service.

## VII. Availability/Inspection

- A. Upon request and subject to R.C. § 149.43(B)(1), all public records shall be promptly prepared and made available for inspection to any person during regular business hours, with the exception of legal holidays.
- B. Copies or reproductions of the requested records shall be made available at cost (See Fee Schedule) and within a reasonable period of time.
- C. “Promptly” and “Reasonable,” as used above and in connection with the preparation and production of the requested records, is to be determined by the facts and circumstances of each public records request and should take into account the following:
  - 1. The opportunity for legal review,
  - 2. The volume of records requested, and,
  - 3. The proximity of the location where the records are stored.

## VIII. Requests for Public Records

- A. Any person, including corporations, individuals, and even governmental agencies, may request public records, and will be allowed prompt inspection of public records and copies within a reasonable amount of time upon request.
- B. No specific language is required to make a request for public records. The requester must, however, identify the records requested with sufficient clarity to allow the Board and/or \_\_\_\_\_ Township to identify, retrieve, and review the records.
- C. If it is not clear what records are being sought, the records custodian shall contact the requester for clarification and should inform the requester of the manner in which the office keeps its records.
- D. To help identify, locate, or deliver the desired public records, the requester may be asked, but is not required, to:
  - 1. Put a records request in writing,
  - 2. Provide his or her identity, or
  - 3. Provide the intended use of the requested public record.

If the requester is asked for any of this information, he or she shall first be advised of the following:

- 1. The requester does not have to answer any of the above questions or provide a written request, and
- 2. The requester's refusal to provide any of this information does not impair the requester's right to inspect and/or receive copies of the

requested public records. (R.C. 149.43(B)(5)).

E. For the purpose of enhancing the ability of the Board and/or \_\_\_\_\_ Township to identify and provide for prompt inspection and/or copies of the requested records in a reasonable period of time, the requester shall be provided with Form 3 for the requester to complete. In providing Form 3 to the requester, the requester shall be informed:

1. The requester does not have to complete Form 3, and
2. The requester's refusal to complete or provide any and/or all information on Form 3 does not impair the requestor's right to inspect and/or receive copies of the requested public records. (R.C. 149.43(B)(5)).

#### IX. Response/Release

A. Requests for public records shall be processed the same regardless of the means by which the request was made. (Note Section X - Special Provisions for Public Records Requests Received by Email, Regular Mail, or Other Delivery Service.)

B. The records custodian shall complete the public records request using Form 4.

C. Requests for records that are capable of being satisfied immediately and about which there are no issues concerning release or inspection should be satisfied immediately.

D. Requests for public records that are not capable of being satisfied immediately shall be dealt with as follows:

1. Voluminous/Copying or Reproduction Time Required Request:  
(Form 5)

- a. Each such request for public records should be evaluated for the estimated number of copies required to satisfy the request and/or an estimated length of time required to gather the records.
- b. The requester shall be informed of the estimated length of time required to respond.
- c. The requester shall be informed of the estimated total fee/cost associated with copying or reproducing and delivery of the record(s) and that such estimated total cost must be paid in full prior to the record(s) being copied or reproduced.
- d. The requester shall be informed that any difference between the total estimated cost and the total actual cost shall be settled either by \_\_\_\_\_ Township re-paying any overage or, prior to the delivery of the records, the requester paying any deficit.
- e. The requester shall be informed of any items within the request that

may be exempt from disclosure.

- f. If the request is made verbally the above information shall be provided to the requester either verbally or in writing. If the request is made in writing, the requester shall be informed of the above information in writing.
- g. All such information as required above shall be provided to the requester no more than three (3) days after receiving the request.
- h. Considering the volume of records requested, the requested records should be made available to the requester within a reasonable period of time.

2. Legal Issue Concerning Release: (Form 6)

- a. In the event a request for public records is made to inspect and/or obtain a copy of a record whose release may be prohibited or exempted by either state or federal law, the request shall be forwarded to legal counsel (i.e., Delaware County Prosecuting Attorney or other township legal counsel) for research and/or review.
- b. The person submitting the request shall be advised that their request is being reviewed by legal counsel to ensure that protected and/or exempted information is not improperly released. If the request is made verbally this information shall be provided to the requester either verbally or in writing. If the request is made in writing, the requester shall be informed in writing.
- c. If after review, it is determined that the record shall be released or inspection should be permitted, refer to subsection (E) below.
- d. If after review, it is determined that the record shall NOT be released, refer to Section XIII.

E. Copied records may be forwarded to the requestor by any means reasonably acceptable to the requester or the requestor shall be permitted to inspect the records.

F. Records whose release is prohibited or exempted by either state or federal law, or which are not considered public records as defined by R.C. 149.43(A)(1), shall NOT be subject to public release or inspection. Refer to Section XIII.

X. Special Provisions for Public Records Requests Received by Email, Regular Mail, or Other Delivery Service

A. Requests for public records received by email, regular mail, or other delivery service shall be responded to in the same manner as public records requests received via any other means, except that the records custodian, upon receipt of the request, shall, by any means practical, contact the requester and advise them as follows:

1. Advance payment is required prior to providing copies of public records,
  2. The estimated total fee/cost associated with copying or reproducing and delivery of the record(s) and that such estimated total cost must be paid in full prior to the record(s) being copied or reproduced.
  3. That any difference between the total estimated cost and the total actual cost shall be settled either by \_\_\_\_\_ Township re-paying any overage or, prior to the delivery of the records, the requester paying any deficit.
  4. Any items within the request that may be exempt from disclosure.
- B. Upon receipt of the fees/costs and where no issues concerning release exist, the copied or reproduced records shall be forwarded to the requester by any means reasonably acceptable to the requester.
- C. Voluminous requests, requests requiring time for copying or reproduction, and/or requests involving legal issues concerning release shall in all other respects be handled in accordance with Section IX.

## XI. Medium

- A. The requester shall be permitted to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or record custodian determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or records custodian. When the requester makes a choice, the public office or records custodian shall provide a copy of it in accordance with the choice made by the requester. (R.C. 149.43(B)(6)).
- B. Persons seeking copies of public records are not permitted to make their own copies of the requested records regardless of means or media. (R.C. 149.43(B)(6)).

## XII. Limited Requests

- A. In accordance with section 149.43(B)(7) of the Ohio Revised Code, the Board and \_\_\_\_\_ Township limits the number of requested public records to be transmitted through United States mail to a maximum of ten records per month, unless the requester certifies that the records or information in them will not be used for commercial purposes.
- B. For purposes of this section, "commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

### XIII. Response/Denial

#### A. Records Not Maintained by the Office Where the Request is Made

1. The requested records have never been maintained by the office where the request is made,
2. The requested records are no longer maintained or have been disposed of or transferred pursuant to applicable Schedules of Record Retention and Disposition (RC-2),
3. The requested record is a record that has been disposed of pursuant to an Application of the One-Time Records Disposal (RC-1) or Certificate of Records Disposal (RC-3),
4. The requested record is not a record used or maintained by the office where the request is made.

In such case, the requester shall be notified that in accordance with Ohio Revised Code Section 149.40, that there is no record responsive to the request and there is no requirement to create records to meet public record requests.

#### B. Ambiguous or Overly Broad Request for Public Records (R.C. 149.43(B)(2))

If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records such that the office or person responsible for the requested public record cannot reasonably identify what public records are being requested:

1. The request may be denied.
2. However, the requestor shall be provided with an opportunity to revise the request and informed of such opportunity. In such case, the records custodian shall also inform the requester of the manner in which records are maintained by the office and accessed in the ordinary course of the office's or records custodian's duties.

#### C. Denial of the Public Records Request

1. The request for a record or public record maintained by the office where the request is made may be denied if the record that is requested is prohibited from release due to applicable state or federal law.
  - a. Any denial of public records requested must include an explanation, including legal authority.
  - b. If portions of a record are public and portions are exempt, the exempt portions are to be redacted and the rest released. If there are redactions, each redaction must be accompanied by a supporting explanation, including legal authority.
  - c. Employees shall consult legal counsel if they are unsure of whether the record requested or a portion of a requested record should be

withheld from disclosure or redacted.

2. As governed by R.C. 149.43(B)(3), if a request is ultimately denied, in whole or in part, the requester shall be provided with an explanation, including legal authority, setting forth why the request was denied.
3. If the initial request was provided in writing, then the explanation shall also be provided in writing.
4. The explanation shall not preclude the Board or \_\_\_\_\_ Township from relying upon additional reasons or legal authority in defending an action commenced pursuant to R.C. 149.43.

#### D. Redaction/Procedure

##### 1. Definition and Effect of a Redaction

- a. "Redaction" means obscuring or deleting any information that is exempt from the duty to permit public inspection or copying from an item that otherwise meets the definition of a "record" in section 149.011 of the Ohio Revised Code. (R.C. 149.43 (A)(13)).
- b. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction. (R.C. 149.43(B)(1)).

##### 2. Redaction Procedure

- a. If a public record contains certain information that is exempt from the duty to permit public inspection or copying, the information within the public record that is exempt shall be redacted and that information in the record which is not exempt shall be made available.
- b. Where a redaction is to be made, the records custodian may make the redaction electronically (computer) or physically (marker).
- c. Electronic redactions shall be made and saved in a separate file from the original record, so that an original record without the redactions is maintained. The redactions shall not be capable of being removed from the record in the separately saved file. The separately saved file containing the redacted record shall be the file/copy of the record that is released to the requester.
- d. Physical redactions shall be made by reproducing a copy of the page where the redaction is to be made. The redaction shall be made on the copied page. The copied page shall then be re-copied with the redactions. The resulting copy shall be the page that is released to the requester. The first reproduction page with the original redactions made by the employee is the work sheet. It shall be attached to the original record, and maintained in accordance with the retention period established for the original document.

- e. When making a redacted public record available for public inspection or copying, the records custodian shall notify the requester of any and all redactions and/or make any and all redactions plainly visible. (R.C. 149.43(B)(1)).
- f. As governed by R.C. 149.43(B)(3), if a request is ultimately denied, in whole or in part, including redactions, the requester shall be provided with an explanation, including legal authority, setting forth why the request was denied or redaction was made.
- g. If the initial request was provided in writing, then the explanation shall also be provided in writing.
- h. The explanation shall not preclude the Board or \_\_\_\_\_ Township from relying upon additional reasons or legal authority in defending an action commenced pursuant to R.C. 149.43.

#### XIV. Special Provisions Related to Email

Documents in electronic mail format are records as defined by the Ohio Revised Code when their content relates to the business of the office. Email shall be treated in the same fashion as records in any other format and should follow the same retention schedules.

- A. Records in private email accounts used to conduct public business are subject to disclosure, and all employees or representatives of the Board and \_\_\_\_\_ Township are instructed to retain their e-mails that relate to public business and to copy them to their business email accounts and/or to the office's records custodian.
- B. The records custodian is to treat the emails from private accounts as records of the public office, filing them in the appropriate way, retaining them per established schedules and making them available for inspection and copying in accordance with the Public Records Act.

#### XV. Grievances

- A. If a person is allegedly aggrieved due to the inability to inspect a public record or due to the inability to receive a copy of the public record, the person shall be advised that they may contact the senior representative of the office where the request was made.
- B. If the person is not satisfied after contacting the senior representative of the office where the request was made, they shall be advised that Ohio Revised Code section 149.43 provides a legal means for addressing their complaint in these disputes. (R.C. 149.43(C)).

XVI. Failure to Respond to a Public Records Request

The Board and \_\_\_\_\_ Township recognize the legal and non-legal consequences of failure to properly respond to a public records request. In addition to the distrust in government that failure to comply may cause, the failure to comply with a request may result in a court ordering the Board and/or \_\_\_\_\_ Township to comply with the law and to pay the requester's attorney's fees and damages.

XVII. Training and Education

The Board and \_\_\_\_\_ Township continue to update and address all education, training, disclosure, and policy requirements mandated by R.C. 109.43 and R.C. 149.43(E).

## Log of Public Records Requests

The State of Ohio Auditor has stepped-up efforts to ensure that public offices are complying with requests for public records. Those efforts include performance audits and spot-checks for compliance, timeliness, and accuracy of records releases. While the practice of tracking and maintaining records of public records requests has always been recommended, in light of the Auditor’s efforts, such practices become even more important.

The Auditor has recommended that all local governments maintain a log of all public records requests. At a minimum, the log should contain the date the request is received, the date of the response to the request, the name of the person or entity making the request (if given by the requester), the name of the person fulfilling the request, a description of the records requested, and, if the request is denied in whole or in part (i.e., withholding or redaction), the legal authority supporting the denial of the record. In connection with the log, the Auditor also suggests that copies of the records released be kept and maintained.

In order to avoid audit issues, boards of township trustees should consider adopting policies requiring the use of a log of public records requests. The log should be similar to the chart below. The purpose of the chart is to track and log public records requests. This chart contains the information that the Auditor would likely request in conducting an audit to check for compliance with requests for public records. In connection with this chart, it is recommended that copies of the released records be kept and maintained.

## **Township Records Commission**

Pursuant to R.C. § 149.42, in each township there is established a township records commission.<sup>756</sup> The township records commission consists of the chairperson of the board of township trustees and the township fiscal officer.<sup>757</sup> The commission shall meet at least once every twelve (12) months and upon the call of the chairperson.<sup>758</sup>

The purpose of the township records commission is to “review applications for one-time disposal of obsolete records and schedules of records retention and disposition submitted by township offices.”<sup>759</sup>

## **Records Retention**

The procedure for approving an application for one-time disposal of obsolete records (RC-1) or any schedule of records retention and disposition (RC-2) is as follows:

- The Township Records Commission approves the application or schedule.
- The Commission shall send the approved application or schedule to the Ohio History Connection (formerly known as the Ohio Historical Society) for its review.
- The Ohio History Connection shall review the application or schedule within a period of not more than sixty (60) days after its receipt, and may select for its custody any records it considers to be of continuing historical value.
- Upon completion of its review, the Ohio History Connection shall forward the application for one-time disposal of obsolete records or the schedule of records retention and disposition to the Auditor of State for the Auditor's approval or disapproval.
- The Auditor shall approve or disapprove the application or schedule within a period of not more than sixty (60) days after receipt of it.
- A copy of the approved/disapproved application or schedule shall be returned to the Commission.

The township may NOT dispose of any records outside of what is authorized by an approved application for one-time disposal of obsolete records (RC-1) or any approved schedule of records retention and disposition (RC-2)

Before public records may be disposed of, the Commission shall inform the Ohio History Connection of the disposal through the submission of a certificate of records disposal (RC-3) and shall give the History Connection, for a period of fifteen (15) business days, the opportunity to select for its custody those public records that it considers to be of continuing historical value.<sup>760</sup>

## Cellular Towers and Zoning

Generally, R.C. § 519.211 states that township zoning cannot regulate or control public utilities. In *Campanelli v. AT&T Wireless Services*, the Ohio Supreme Court found that wireless telecommunications companies are public utilities.<sup>762</sup> Thus, their towers cannot be regulated by township zoning in most circumstances.<sup>763</sup> However, R.C. § 519.211(B) specifically addresses telecommunications towers and allows a township, under very specific circumstances, to regulate them.<sup>764</sup>

Largely, the ability of townships to regulate telecommunications towers through zoning depends upon whether a proposed new tower meets the definition of “telecommunications tower” found in R.C. § 519.211(B)(1). Specifically, the most common type of telecommunications tower is a “free-standing telecommunications tower,” is defined as “any free-standing structure...that meets *all* of the following criteria [emphasis added]:

- a) The free-standing...structure is proposed to be constructed on or after October 31, 1996,
- b) The free-standing...structure is proposed to be owned or principally used by a public utility engaged in the provision of telecommunications services,
- c) The free-standing...structure is proposed to be located in an unincorporated area of a township, in an area zoned for residential use, ...
- d) The free-standing structure is proposed to top at a height that is greater than either the maximum allowable height of residential structures within the zoned area as set forth in the applicable zoning regulations, or the maximum allowable height of such a free-standing structure as set forth in any applicable zoning regulations in effect immediately prior to October 31, 1996, or as those regulations subsequently are amended.
- e) The free-standing structure...is proposed to have attached to it radio frequency transmission or reception equipment.”<sup>765</sup>

In determining if a proposed telecommunications tower meets these requirements, the township must examine how the area surrounding the tower is zoned. Under R.C. § 519.211(B)(1), the area must be zoned for “residential use.” Accordingly, the Ohio Supreme Court in *Symmes Twp. Board of Trustees v. Smyth* held that the area surrounding the tower must actually be zoned and designated for some type of residential use.<sup>766</sup>

Assuming that a telecommunications tower meets this definition, R.C. § 519.211 (B)(2) addresses the erection of telecommunications towers. Under that subsection, a township has zoning authority “with respect to the location, erection, construction, reconstruction, change, alteration, removal, or enlargement of a telecommunications tower...”<sup>767</sup> But this authority is limited. First, it is not

applicable to the maintenance or use of the tower or to any change or alteration that does not substantially increase the tower's height.<sup>768</sup> Second, it requires that both the board of trustees and property owners adjacent to the location of the proposed tower receive advance notice of the tower via certified mail, and the notice must meet the requirements of R.C. § 519.211(B)(3)(a).<sup>769</sup> Notice must also be sent to owners of and people occupying a residential dwelling within 100 feet of the planned tower.<sup>770</sup>

Note that once notice has been received, there is a very short time frame within which a neighbor or trustee may object to the tower. If no objection is made within *fifteen* (15) days from the date of mailing of the notice, the township does not have zoning authority to regulate erection of the tower.<sup>771</sup> If the trustees receive an objection or if a trustee makes an objection within fifteen (15) days, the trustees must act within *five* (5) days of receipt of the objection and have the township fiscal officer send notice to the person or company proposing to construct the tower.<sup>772</sup> The notice must indicate that R.C. §§ 519.02-519.25 applies to the tower and that the township has zoning authority over it.<sup>773</sup> Otherwise, the township has no zoning authority over erection of the tower.<sup>774</sup>

## **Agriculture and Zoning**

Agriculture is defined broadly by R.C. § 519.01.<sup>775</sup> This definition includes an extensive, though not exhaustive, list of what constitutes agriculture or agricultural activities under Ohio law.<sup>776</sup>

Case law has expanded the already broad statutory definition of what constitutes agriculture. Common activities associated with agriculture, such as “animal husbandry,” have come to be accepted within the statute’s purview.<sup>777</sup> Thus, “agriculture” includes rodeos,<sup>778</sup> riding stables,<sup>779</sup> and the breeding, raising, and care of dogs.<sup>780</sup>

Except under limited circumstances, townships may not use zoning to regulate the use of land utilized for agricultural purposes.<sup>781</sup> This includes buildings or structures incident to the use of the land for agricultural purposes.<sup>782</sup>

The limited circumstances include in platted subdivisions approved under R.C. §§ 711.05, 711.09, or 711.10, or in any area consisting of fifteen (15) or more contiguous lots approved under R.C. § 711.131 under the following circumstances:

- 1) Agriculture on lots of one (1) acre or less,<sup>783</sup>
- 2) Buildings or structures incident to the use of land for agricultural purposes on lots greater than one (1) acre but not greater than five (5) acres by: set back building lines, height, and size,<sup>784</sup>
- 3) Dairying and animal and poultry husbandry on lots greater than one (1) acre but not greater than five (5) acres when at least thirty-five (35%) percent of the lots in the subdivision are developed with at least one (1) building, structure, or improvement that is subject to real estate tax or tax on mobile homes under R.C. § 4503.06.<sup>785</sup>

The above exceptions do not apply to lots that are five (5) acres or greater.<sup>786</sup> Thus, agriculture is not subject to zoning when conducted on lots that are five (5) acres or larger.

Farm markets are subject to some limited zoning regulations. The aspects and limitations on regulating farm markets through township zoning are stated in R.C. § 519.21(C).

There remains the concern that simple agriculture may become commercial activity. No bright-line test exists that unequivocally distinguishes “agriculture” from “commercial activity.” Nevertheless, there are particular land uses and activities that, either directly or by interpretation, may be deemed to be “agriculture.” Questions about particular activities falling under the definition of “agriculture” must be addressed on a case-by-case basis.

Farm residences and homes for farm workers do not fall under the definition of agriculture.<sup>787</sup> Although the Revised Code includes both farming and ranching under the definition of agriculture, a residence does not fall under the definition of agriculture and, therefore, may be regulated through zoning.<sup>788</sup>

## **Cooperative Agreements**

Under R.C. § 9.482, political subdivisions, including townships, are permitted to contract with any other political subdivision or state agency for joint services, whereby one subdivision or state agency will perform for the recipient subdivision or state agency any service that the recipient subdivision or state agency is otherwise legally authorized to exercise, perform or render. In other words, R.C. § 9.482 authorizes townships to contractually agree “to exercise any power, perform any function, or render any service” for another contracting political subdivision or state agency, so long as the recipient subdivision or state agency is lawfully authorized to perform the service

itself.<sup>789</sup> Note that an agreement by one township to perform services for another subdivision or state agency does not, under any circumstances, deprive the recipient subdivision or state agency of its powers, functions, or authority, even if the recipient subdivision or state agency agrees that the power or function will be performed on its behalf by the other under a contract.<sup>790</sup>

In addition, R.C. § 9.482 permits a township to contract for the collection, administration, or enforcement of any tax on behalf of another subdivision, as long as the contracting subdivisions do not enter into any agreement “to levy any tax or to exercise, with regard to public moneys, any investment powers, perform any investment function, or render any investment service on behalf of a contracting subdivision.”<sup>791</sup>

Townships are required to obtain the written consent of any non-participating political subdivision in the event that any service contracted for will take place within the jurisdiction of the non-participating subdivision.<sup>792</sup>

## **Junk Motor Vehicles**

### **A) Definitions**

The Ohio Revised Code defines the following terms as follows:

#### 1) Collector’s Vehicle

“Collector's vehicle” means any motor vehicle or agricultural tractor or traction engine that is of special interest, that has a fair market value of one hundred dollars or more, whether operable or not, and that is owned, operated, collected, preserved, restored, maintained, or used essentially as a collector's item, leisure pursuit, or investment, but not as the owner's principal means of transportation.<sup>793</sup>

#### 2) Junk Motor Vehicle

“Junk motor vehicle” means a motor vehicle that meets all of the following criteria:

- a) Three model years old, or older;
- b) Apparently inoperable;
- c) Extensively damaged, including, but not limited to, any of the following: missing wheels, tires, engine, or transmission.<sup>794</sup>

<sup>793</sup> OHIO REV. CODE ANN. § 4501.01(F).

<sup>794</sup> OHIO REV. CODE ANN. § 505.173(E).

## **B) Storage of Junk Motor Vehicles**

A “board of township trustees may adopt resolutions as the board considers necessary to regulate the storage of junk motor vehicles on private or public property within the unincorporated area of the township.”<sup>795</sup> Such resolution shall not restrict any of the following:

- 1) operation of a scrap metal processing facility licensed under authority of R.C. §§ 4737.05 to 4737.12;
- 2) operation as a motor vehicle salvage dealer, salvage motor vehicle auction, or salvage motor vehicle pool of a person licensed under Chapter 4738. of the Revised Code;
- 3) provision of towing and recovery services conducted under R.C. §§ 4513.60 to 4513.63, including the storage and disposal of junk motor vehicles removed from public or private property in accordance with those sections.<sup>796</sup>

Whoever violates any such resolution is guilty of a minor misdemeanor.<sup>797</sup> Each day that a violation of such resolution continues constitutes a separate offense.<sup>798</sup> Fines levied and collected as a result of any such violations shall be paid into the township general revenue fund.<sup>799</sup>

In addition to imposing a penalty, a board of trustees may institute “an action for injunction, mandamus, or abatement, or any other appropriate action or proceeding to prohibit the storage of junk motor vehicles in violation” of the resolution.<sup>800</sup>

## **C) Storage of Collectors’ Vehicles**

No resolution regulating the storage of junk motor vehicles shall “prevent a person from storing or keeping, or restrict a person in the method of storing or keeping, any collector's vehicle on private property.”<sup>801</sup> The resolution may require any unlicensed collector’s vehicle to be concealed, by means of buildings, fences, vegetation, terrain, or other suitable screening.<sup>802</sup>

Regardless of whether it is licensed or unlicensed, a collector's vehicle is a “junk motor vehicle” if the collector's vehicle meets the definition of “junk motor vehicle” as that term is defined in the Ohio Revised Code.<sup>803</sup> If a collector's vehicle meets all of the criteria for being a “junk motor vehicle,” then the board of township trustees “may regulate the storage of that motor vehicle on private or public property in the same manner that the board may regulate the storage of any other

#### **D) Removal of Junk Motor Vehicles**

Subject to certain restrictions (See R.C. §§ 505.871(D) and 505.173), the “board of township trustees may provide, by resolution, for the removal of any vehicle in the unincorporated territory of the township that the board determines is a junk motor vehicle...” including collector’s vehicles that meet the definition of a “junk motor vehicle.”<sup>805</sup> In order for the board of trustees to find that a vehicle is a junk motor vehicle, the vehicle must meet all of the criteria of being a “junk motor vehicle” as that term is specifically defined by the Ohio Revised Code.

##### 1) Removal from Public Property

“If a junk motor vehicle is located on public property, the board of township trustees may provide in the resolution for the immediate removal of the vehicle.”<sup>806</sup>

##### 2) Removal from Private Property

“If a junk motor vehicle is located on private property, the board of township trustees may provide in the resolution for the removal of the vehicle not sooner than fourteen [(14)] days after the board serves written notice of its intention to remove or cause the removal of the vehicle on the owner of the land and any holders of liens of record on the land.”<sup>807</sup>

The notice required to remove a junk motor vehicle from private property shall include all of the following:

- a) General description of the vehicle to be removed;
- b) A statement that the board has determined that the vehicle is a junk motor vehicle;
- c) A statement that if the owner of the land fails to remove the vehicle within fourteen (14) days after service of the notice, the board may remove or cause the removal of the vehicle;
- d) A statement that any costs the board incurs in removing or causing the removal of the vehicle may be entered upon the tax duplicate and become a lien upon the land from the date of entry.<sup>808</sup>

Notice shall be sent by certified mail, return receipt requested, to the owner of the land (if the owner either lives in the township or if the owner’s address is known or can be found through reasonable diligence) where the junk motor vehicle is located and to any holders of liens of record

on the land.<sup>809</sup> Where notice is sent by certified mail and is refused or unclaimed, or if an owner's address is unknown and cannot reasonably be ascertained by an exercise of reasonable diligence, the notice shall be published once in a newspaper of general circulation in the township before the removal of the vehicle.<sup>810</sup> If the land where the vehicle is located contains a house or other structures, the notice shall also be posted on the house and/or other principal structure on the land.<sup>811</sup>

“A notice sent by certified mail shall be deemed to be served for purpose of this section on the date it was received as indicated by the date on a signed return receipt.”<sup>812</sup> “A notice given by publication shall be deemed to be served for purposes of this section on the date of the newspaper publication.”<sup>813</sup>

If the junk motor vehicle remains fourteen (14) days after notice has been served, the “board of township trustees may cause the removal or may employ the labor, materials, and equipment necessary to remove . . . [the] junk motor vehicle.”<sup>814</sup> Any and

all costs incurred in removing or causing the removal of [the] junk motor vehicle, when approved by the board, shall be paid out of the township general fund from moneys not otherwise appropriated, except that if the expenses exceed five hundred dollars [(\$500.00)], the board may borrow moneys from a financial institution to pay the expenses in whole or in part.<sup>815</sup>

The board of trustees, through any lawful means, may collect the costs, including any fees or interest paid to borrow moneys, incurred in removing or causing the removal of the junk motor vehicle.<sup>816</sup> The board of trustees “may direct the township fiscal officer to certify the costs and a description of the land to the county auditor. The county auditor shall place the costs upon the tax duplicate . . .” as a lien upon the land from and after the date of entry to be collected and returned to the township general fund.<sup>817</sup>

## Noise

Ohio Revised Code sections 505.17 and 505.172 are relevant to control of noise. Each section provides at least one option for the township to regulate noise.

Under R.C. § 505.17(A), a township may regulate, pursuant to R.C. § 4513.221, noise from passenger cars, motorcycles, and internal combustion engines in any areas outside of municipal

limits in two ways. First, pursuant to R.C. § 4513.221(A)-(B), a township may regulate noise from passenger cars or motorcycles operating on streets and highways under its jurisdiction. This type of regulation establishes a maximum decibel level at a distance of at least fifty feet from the noise source.<sup>818</sup> The maximum decibel levels and how such levels are to be measured are specified by R.C. § 4513.221(B). No regulation under R.C. § 4513.221(B) may be enforced unless signs giving notice of the regulation are posted along or at the entrance of the roads and streets.<sup>819</sup> The second type of regulation, described in R.C. § 4513.221(E), prohibits the operation of passenger cars, motorcycles, and other devices using internal combustion engines without proper mufflers. This provision applies to vehicles and devices operated anywhere within the unincorporated areas of the township.<sup>820</sup> See R.C. § 4513.221(E)(1)-(4) for what may be controlled through this type of regulation.

Both types of regulations under R.C. § 4513.221 must be enacted by resolution. R.C. § 505.17(B)(1) requires the township fiscal officer to post copies of the regulation in five (5) conspicuous public places in the township for thirty (30) days before becoming effective. Also, the regulation must be published in a newspaper of general circulation in the township for three (3) consecutive weeks.<sup>821</sup>

R.C. § 505.172(B) provides another option for the township to regulate noise. According to that section:

[A] board of township trustees may adopt regulations and orders that are necessary to control noise within the unincorporated territory of the township that is generated at any premises to which a D permit has been issued by the division of liquor control or that is generated within any areas zoned for residential use.<sup>822</sup>

Thus, a township may regulate noise pursuant to R.C. § 505.172(A) only within areas zoned residential or on any premises for which the Department of Liquor Control has issued a “D” permit.<sup>823</sup> A regulation pursuant to R.C. § 507.172 may be adopted by resolution.<sup>824</sup>

Note that the statute creates exceptions to noise regulations. Specifically, R.C. § 505.172 excepts the following from noise regulations: agricultural activities (as described in R.C. § 1.61), coal mining and reclamation operations, (as described in R.C. § 1513.01), surface mining (as described in R.C. § 1514.01), and drilling for either oil or gas.<sup>825</sup>

## **HIPAA**

HIPAA is the “Health Insurance Portability and Accountability Act of 1996” and consists of a set of regulations designed to guard the privacy of medical patients.<sup>826</sup>

Some townships have Fire Departments with EMT’s and police departments that need to keep in mind that any records of medical care must be kept within HIPAA guidelines. This usually means that no medical record should be disclosed without the consent of the individual to whom it pertains. However, individuals have the right to inspect their own medical records.

If the township keeps any employee medical records, these records must also be maintained in a HIPAA-compliant manner. Generally, only those with a need to know the information should have access to it. Even then, they must have access only to as much information as is minimally necessary. These records need to be kept under lock and key with access given only to those who require it.

If you have any questions regarding the release of a medical record or about complying with HIPAA regulations, please contact the Delaware County Prosecutor’s Office.

## **Nuisance Abatement**

Generally, the Ohio Revised Code allows a township, after giving proper notice and meeting certain specified conditions, to correct particular nuisance conditions occurring on properties within the township. Specifically, the township can abate nuisances such as noxious weeds and junk pursuant to R.C. § 505.87 and abate dangerous structures pursuant to R.C. § 505.86.

Under R.C. § 505.86(B), a board of township trustees, by resolution:

may provide for the removal, repair, or securance of buildings or other structures in the township that have been declared insecure, unsafe, or structurally defective by any fire department under contract with the township or by the county building department or other authority responsible under Chapter 3781. of the Revised Code for the enforcement of building regulations or the performance of building inspections in the township, or buildings or other structures that have been declared to be in a condition dangerous to life or health, or unfit for human habitation by the board of health of the general health district of which the township is a part.<sup>827</sup>

---

<sup>826</sup> See Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, 110 Stat. 1955 (codified in part at 42 U.S.C. 300gg-21 (2005)).

<sup>827</sup> OHIO REV. CODE ANN. § 505.86(B).

Costs incurred by the township in taking such action may be certified to the county auditor to be placed on the tax duplicate and collected as taxes on that property.<sup>828</sup> These costs shall be returned to the township and placed in the township general fund.<sup>829</sup> Costs incurred by the township may also be recovered in a civil action.<sup>830</sup>

Particular conditions and notice requirements must be met before a township can abate nuisances created by such structures and certify the costs to the tax list.<sup>831</sup> Additionally, the parties in interest of the property must be given the opportunity for a hearing before the board of township trustees.<sup>832</sup> See R.C. § 505.86 and contact the Delaware County Prosecutor's Office before taking any action.

Under R.C. § 505.87(A), “[a] board of township trustees may provide for the abatement, control, or removal of vegetation, garbage, refuse, and other debris from land in the township, if the board [through a resolution] determines that the owner’s maintenance of that vegetation, garbage, refuse, and other debris constitutes a nuisance.”<sup>833</sup> Costs incurred by the township in taking such action can be certified to the county auditor to be placed on the tax duplicate and collected as taxes on that property.<sup>834</sup> When collected, the taxes shall be returned to the township and placed in the general fund.<sup>835</sup>

## **Planned Unit Development (PUD)**

A planned unit development (PUD) is “a development which is planned to integrate residential, commercial, industrial, or any other use,”<sup>836</sup> including open spaces, lakes, ponds, and common areas.<sup>837</sup> Therefore, PUDs permit various land uses on the same tract, both allowing for a mixture of dwelling units and providing for a means of gathering, improving, and maintaining usable open space.<sup>838</sup> They allow for local planning and zoning techniques that facilitate the planned development of large tracts and encourage greater creativity in land use.<sup>839</sup>

In adopting PUD regulations, aspects of land development normally regulated by zoning may vary within an area with a single zoning classification;<sup>840</sup> they need not be uniform in order to both accommodate unified development and promote the purposes of zoning.<sup>841</sup> Thus, within a PUD

Revised Code section 519.021 requires that regulations adopted by a board of trustees for a PUD “further the purpose of promoting the general public welfare, encourag[e] the efficient use of land and resources, promot[e] greater efficiency in providing public and utility services, and encourag[e] innovation in the planning and building of all types of development.”<sup>843</sup> Note that any such regulations apply to the property *only at the election of the property’s owner and must include standards to guide the board of township trustees and/or BZC in approving or disapproving development within the PUD.*<sup>844</sup>

Under R.C. § 519.021, PUDs may be adopted in the township zoning resolution using *one* of the following *four* procedures:

- 1) Pursuant to section 519.021(A), a board of township trustees may adopt PUD regulations that establish standards that *will* apply to property that becomes a part of a PUD, but *do not automatically apply to any property in the township.*<sup>845</sup> In this instance, once PUD regulations have been adopted, *property owners may apply to have their property rezoned as a PUD.*<sup>846</sup> Once PUD has been approved for the property, all prior zoning classifications for the property cease to exist.<sup>847</sup> The actual change to the zoning plan and zoning map is legislative and is subject to referendum pursuant to R.C. § 519.12. Once property is rezoned as a PUD, it must comply with the regulations associated with the PUD.<sup>848</sup> Any approval or disapproval of subsequent uses or development of the property in the PUD are not amendments to or supplements to a township zoning resolution.<sup>849</sup> Such approval or disapproval of subsequent uses is administrative and subject to appeal pursuant to Ohio Revised Code Chapter 2506.<sup>850</sup>

### Road Vacation/Abandonment

A board of trustees’ responsibility to improve and maintain public roads in the township ceases when a road has been abandoned and/or vacated. Generally, “[a] township shall lose all rights in and to any public road, highway, street, or alley which has been abandoned and not used for a period of *twenty-one years*, after *formal proceedings* for vacation...have been taken.”<sup>861</sup> Note that Ohio courts have considered a road “not in use” when, for over twenty-one years, the road has not been maintained or improved and used solely by abutting landowners, their guests, and service suppliers.<sup>862</sup>

The formal proceedings specified in the Ohio Revised Code call for the board of trustees to petition the board of county commissioners, by resolution, to vacate a road or some portion of it.<sup>863</sup> The

petition must include “a description of the general route and termini of the road or portion” to be vacated.<sup>864</sup> The township fiscal officer is responsible for filing the resolution with the board of county commissioners and certifying another copy of it to the county engineer for their consideration.<sup>865</sup>

Upon approving the petition, the board of commissioners will, by resolution, declare the road or portion vacated and file a certified copy of that resolution with the board of trustees.<sup>866</sup>

If the petition is not considered by the board of county commissioners within sixty (60) days of its filing, the road or portion thereof described in the petition will be deemed vacated.<sup>867</sup> Under those circumstances, the board of trustees must adopt another resolution describing the vacated road and explaining that the vacation is an act pursuant to R.C. § 5553.045(D).<sup>868</sup> Such a resolution must be filed with the board of county commissioners, the county recorder, and the county engineer. Once so filed, the board of township trustees may, by resolution, order the road vacated.<sup>869</sup>

If declared vacated, the road will pass to all the abutting landowners.<sup>870</sup> R.C. § 5553.042(B) specifies that, in certain circumstances, others still may share in the vacated road’s use. Thus, even though vacated (or abandoned) roads become private property, they may be used by the public in the following instances:<sup>871</sup>

- 1) As a right of way for the services facilities of a public utility or electric cooperative, so long as the vacated road previously existed as such and the public utility or electric cooperative continues to render service to the public,
- 2) As ingress and egress for a public utility or electric cooperative to service and maintain its service facilities,<sup>872</sup>
- 3) To trim or remove trees, shrubs, or brush, or other obstacles growing in or encroaching onto the right of way that may affect the operation, use, or access to service facilities,
- 4) As a right of way for public non-motorized vehicular recreational use.<sup>873</sup>

In addition to the process described above or a successful action brought by an abutting landowner to acquire title to an abandoned road, in certain circumstances, a township may divest itself of maintenance by placing a graveled or unimproved township road under its jurisdiction that is not the exclusive means for obtaining access to land that adjoins the road and that is not passable year-round or any portion of such road on nonmaintained status.<sup>874</sup>

Prior to placing a road on nonmaintained status, the township must request the county engineer to issue an advisory opinion addressing the consequences of placing the road on nonmaintained status.<sup>875</sup>

While a township may cause a road it has placed on nonmaintained status to be drafted at any time, to cut, destroy, or remove any brush, weeds, briars, bushes, or thistles upon or along the road, or to remove snow from the road, or to maintain or repair the road in any manner, it is not required to perform any of the foregoing.<sup>876</sup>

### **Township Employee Insurance Health Benefits**

In discussing the provision of health care benefits to township officers and employees, it is appropriate to remember that a board of township trustees is empowered only with that authority either provided by statute or necessarily implied therefrom. Accordingly, a board of township trustees has only as much authority and power as conferred to it by the Ohio Revised Code.<sup>877</sup>

R.C. § 505.60 allows a board of trustees to provide insurance for its officers and employees. More specifically, pursuant to R.C. § 505.60(A):

[t]he board of township trustees of any township may procure and pay all or any part of the cost of insurance policies that may provide benefits for hospitalization, surgical care, major medical care, disability, dental care, eye care, medical care, hearing aids, prescription drugs, or sickness and accident insurance, or a combination of any of the foregoing types of insurance for township officers and employees.<sup>878</sup>

As such, a board of trustees may negotiate and contract for the purchase of a long-term insurance policy for township officers and employees.<sup>879</sup> This includes contracting for group health care services with insuring health corporations holding certificates of authority under Chapter 1751 of the Revised Code,<sup>880</sup> such as health maintenance organizations.<sup>881</sup> Only an insurance company authorized to do business in Ohio may issue the policies.<sup>882</sup> Also, competitive bidding need not be used to purchase health insurance benefits from a private company under R.C. § 505.60.<sup>883</sup>

<sup>883</sup> OHIO REV. CODE ANN. § 505.60(E). See also 1992 Ohio Op. Att’y Gen. No. 92-068.

A board of township trustees is limited to the provisions of the Revised Code and, thus, the requirements of R.C. § 505.60. As such, in providing for these benefits, R.C. § 505.60(B) requires that coverage among township employees be uniform. That is, township “officers and full-time township employees and their immediate dependents” must be offered “the same benefits.”<sup>884</sup> Thus, “[e]very township officer and employee who receives health insurance benefits under R.C. 505.60 is entitled...to receive benefits which are uniform with respect to those granted to every other officer and employee under that section.”<sup>885</sup>

If benefits are offered to part-time employees and their immediate dependents pursuant to R.C. § 505.60(B), they too must receive the “same benefits” offered to full-time employees.<sup>886</sup>

R.C. § 505.60 “does not require that the premium charged or the amount paid for each trustee be uniform....”<sup>887</sup> Only *coverage* must be uniform.<sup>888</sup> “If, in order to provide uniform coverage, the township must spend different amounts for different township trustees, that variation in expenditure is permitted under [R.C. § 505.60].”<sup>889</sup>

In addition, R.C. § 3901.56 permits health and life insurers, including public employee benefit plans, to offer a “wellness or health improvement program that provides rewards or incentives” in order to encourage or reward participation.<sup>890</sup> Rewards and incentives may include, but are not limited to: “merchandise; gift cards; debit cards; premium discounts or rebates; contributions to a health savings account; modifications to copayment, deductible, or coinsurance amounts; or any combination of these incentives, to encourage participation or to reward participation in the program.”<sup>891</sup>

When health insurance benefits are provided, “[a]ny township officer or employee may refuse to accept any coverage... without affecting the availability of such insurance coverage to other township officers and employees.”<sup>892</sup>

Recent provisions enacted in the federal Patient Protection and Affordable Care Act, Pub. L. No. 111-148, 124 Stat. 119 (2010) “(ACA)” have called into question certain provisions of Ohio law which permit premium reimbursements for those township officers and employees refusing to accept or denied coverage. At the time of publication of this manual, the law on this issue remains very unsettled. For all questions related to health insurance premium reimbursements to township officials and employees, please contact the Delaware County Prosecuting Attorney’s Office.

## Comprehensive Zoning Plan

A township comprehensive zoning plan is just that. It is a township-wide plan or goal as to future zoning and growth in the township. It generally takes into account growth or lack thereof in terms of population, businesses, industry, etc. and provides a plan for various prospective changes to zoning that the township determines to be necessary. Such plans are generally created in conjunction with and based on input received from the regional planning commission. Yet, there is no specific statutory guidance in creating and revising such a plan.

The “authority to adopt a system of zoning has...been granted to townships by the provisions of [O.]R.C. Chapter 519.”<sup>893</sup> Though there is no specific authority providing townships with a procedure for creating and/or revising a “comprehensive zoning plan,”<sup>894</sup> Chapter 519 of the Ohio Revised Code “provides a comprehensive system for adopting township zoning” that legal authorities regard as encompassing “[t]he adoption of a comprehensive plan”<sup>895</sup> Thus, Revised Code Chapter 519 can be interpreted to provide requirements regarding the adoption of comprehensive zoning plans.<sup>896</sup>

Townships, “in accordance with a comprehensive plan,” may enact zoning regulations consistent with Ohio Revised Code Chapter 519.<sup>897</sup> In first enacting a comprehensive zoning plan:

the duties of a township...include the formation of a township zoning commission [(BZC)] to prepare the zoning plan, the adoption of the plan by a board of township trustees, the submission of the plan to the electors residing in the unincorporated area of the township, and the filing of a voter approved plan with the county recorder and the appropriate planning commission.<sup>898</sup>

Note that “[a]fter township zoning regulations have been enacted, *any attempt to amend or supplement them should comply with the requirements of [O.]R.C. 519.12.*”<sup>899</sup> As such, in revising a comprehensive zoning plan, the procedures specified in R.C. § 519.12 must be observed.<sup>900</sup>

The procedures detailed in the “Amendments to the Zoning Resolution” subsection of the “Board of Zoning Commissioners” section of this manual are applicable to and should be followed in

revising a comprehensive zoning plan.<sup>901</sup> Such amendment procedure generally follows and is in accordance with R.C. § 519.12. But it is unlikely that a referendum is applicable to an amendment to a comprehensive plan, as it is simply a plan or guide and lacks any true mechanism of regulatory enforcement. Thus, gatherings of the BZC and trustees should be referred to as meetings. Generally, the amendment process includes the following steps:

- 1) Revision by Amendment Initiated by:
  - Motion of the Township Zoning Commission (BZC),
  - Passage of a resolution by the Board of Township Trustees, or
  - Filing of a petition by one or more owners of affected property.<sup>902</sup>

### **Conflicts of Interest**

Because township officials serve as government officers while at the same time acting as community leaders, they often face the potential for conflicts of interest.<sup>916</sup> A conflict of interest arises whenever a public position faces a situation which would subject him or her to divided loyalties or conflicting duties, or tempt him or her to act other than in the public’s best interest.<sup>917</sup>

<sup>916</sup> LOCAL GOVERNMENT LAW, *supra* note 1, § 6:3.

<sup>917</sup> 1985 Ohio Op. Att’y Gen. No. 85-042 at 2-150.

In general, township officials should recuse themselves from participating in any official activity presenting a conflict of interest.

Although there is no single test for determining what constitutes a conflict of interest, township officials may face employment-related conflicts in their relationship with other township offices, township-related functions, county governments, other political subdivisions, or within the broader community.<sup>918</sup> R.C. § 102.03 sets forth some of the most common and prohibited conflicts involving public officials. Township officials and employees may not:

use or authorize the use of the authority or influence of office or employment to secure anything of value or the promise or offer of anything of value that is of such a character as to manifest a substantial and improper influence upon the public official or employee with respect to that person's duties.<sup>919</sup>

Conflicts of interest also may occur where a township official or employee seeks to “solicit or accept anything of value that is of such a character as to manifest a substantial and improper influence upon the public official or employee with respect to that person's duties.”<sup>920</sup>

The Revised Code also imposes restrictions on third-person activities posing a conflict of interest to any township official's duties. No individual is permitted to “promise or give to a public official or employee anything of value that is of such a character as to manifest a substantial and improper influence upon the public official or employee with respect to that person's duties.”<sup>921</sup>

In addition, certain county officials are prohibited from participating in county contracts in which they hold an interest. Specifically, “[n]o county commissioner shall be concerned...in any contract for work to be done or material to be furnished for the county.”<sup>922</sup> Violations of this prohibition could result in a civil action as well as the commissioner forfeiting his/her compensation received on the contract.<sup>923</sup> This prohibition does not apply where the commissioner, “being a shareholder of a corporation but not an officer or director, owns not in excess of five per cent [(5%)] of the stock of such corporation and the value of the stock so owned does not exceed five hundred dollars [(\$500)].”<sup>924</sup>

It is important to note that these are only a few examples of the potential conflicts that could arise as a township official. Issues involving conflicts of interest should be assessed on a case-by-case basis.

Questions about potential conflicts may be directed to the Delaware County Prosecutor's Office. In addition, the Ohio Ethics Commission serves as an excellent resource on this topic. Questions can be directed through the Ethics Commission's website at:

## Compatibility of Public Offices or Positions

A township officer may not hold another office that is incompatible with the township office.<sup>925</sup> Issues involving the compatibility of public offices typically concern whether a person may serve simultaneously in two separate positions. The Attorney General has established a seven-factor test for determining whether two public positions are compatible.<sup>926</sup> Several Ohio courts have used this test in analyzing the compatibility of simultaneously-held positions.<sup>927</sup>

To determine whether two public offices are compatible with each other, a court may consider the following;

- (1) Whether either position is classified pursuant to R.C. § 124.57;
- (2) Whether the empowering statutes limit outside employment;
- (3) Whether either position is a check upon or subordinate to the other;
- (4) Whether one person can physically perform both functions;
- (5) Whether there is a conflict of interest;
- (6) Whether there are any controlling charter provisions or ordinances; and
- (7) Whether there is a federal, state or local departmental regulation applicable.<sup>928</sup>

As with conflict of interest issues, it is important to remember that issues of compatibility are also assessed on a case-by-case basis.

Questions about the compatibility of two simultaneously-held public positions may be directed to the Delaware County Prosecutor's Office. In addition, the Ohio Attorney General offers a helpful reference guide to the many Attorney General opinions that have addressed the compatibility of particular public offices or positions. Titled the "Compatibility of Public Offices or Positions Index," this guide can be found at the Ohio Attorney General's website at:

#### **D. EVIDENCE**

It shall be a *prima facie* violation of division (B) of this Resolution when the noise can be heard at a distance of one hundred (100) feet or more from the property where the noise or sound emanates.

#### **E. NOISE FROM MOTOR VEHICLES**

No person while operating or occupying a motor vehicle within the unincorporated territory of the Township within any area zoned for residential use or at any premises to which a D permit has been issued by the Ohio Division of Liquor Control shall operate or amplify the noise or sound produced by a radio, tape player, speaker, cassette, compact disc player, MP3 player, computer, synthesizer, instrument, or any other machine or device for the producing or reproducing of sound or amplifying sound from within the motor vehicle so that the noise or sound is Plainly Audible at a distance of one hundred (100) feet or more from the motor vehicle.

#### **F. OFFICIAL USE EXEMPTIONS**

The regulations contained in this Resolution shall not apply in the following circumstances:

1. To any law enforcement motor vehicle equipped with any communication device necessary to the performance of law enforcement duties or to any emergency vehicle equipped with any communication device necessary to the performance of any emergency procedures.

#### **G. LAW ENFORCEMENT DETERMINATION OF SOURCE**

Any law enforcement personnel who hears a noise or sound that is Plainly Audible, shall measure the noise or sound according to the following standards:

1. The primary means of detection shall be by means of the officer's ordinary auditory senses, so long as the officer's hearing is not enhanced by any mechanical device, such as a hearing amplification device or hearing aid.

**NOW THEREFORE, BE IT RESOLVED**, as follows:

1. The Board, pursuant to R.C. § 505.86, intends to remove, repair, and/or secure the Structure on the Property. Any and all costs incurred by the Board and/or the Township in so doing shall be recovered.
2. Prior to taking any action to remove, repair, and/or secure the Structure, the Board respectfully requests that the \_\_\_\_\_ Township Fire Department, which fire department is under contract with and/or serves the Township, and/or the county building department, inspect the Structure to determine whether the Structure is insecure, unsafe, and/or structurally defective. Following such inspection, the \_\_\_\_\_ Township Fire Department and/or the county building department shall make a written report of findings concerning the condition of the Structure and immediately forward such written report of findings to the Board.
3. Upon inspection, if the \_\_\_\_\_ Township Fire Department and/or county building department determines and reports that the Structure is in an insecure, unsafe, and/or structurally defective condition, notification in accordance with R.C. § 505.86, will be sent to all Parties in Interest with an ownership and/or legal or equitable lien interest in the Property and/or Structure, including the following:

A. Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
\_\_\_\_\_

B. Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
\_\_\_\_\_

to notify and inform them of the Board’s intentions regarding the removal, repair, and/or securance of the Structure.

4. The notification will be sent via certified U.S. Mail, return receipt requested, to all known addresses for these Parties in Interest. If any addresses are unknown and/or cannot reasonably be obtained with certainty or if notification by certified mail is returned “unclaimed” or not delivered, notification will also be published once in a newspaper of general circulation in the Township. Whether mailed or published, the notification(s) shall:

- A. Identify with specificity the Property and Structure and all persons known to have an ownership or legal or equitable lien interest in the Property and/or Structure.
  - B. Order the Parties in Interest to remove, repair, and/or secure the Structure such that the Structure is secure, safe, and structurally sound as determined and approved by the \_\_\_\_\_ Township Fire Department and/or county building department;
  - C. Inform the Parties in Interest that each Party in Interest is entitled to a hearing if the Party in Interest requests a hearing in writing within twenty (20) days after which the notice was mailed. The written request for a hearing shall be made to the Township Fiscal Officer.
  - D. State that if the Structure is not removed, repaired, or secured, the Board shall make an order providing for the removal, repair, and/or securance of the Structure at within thirty (30) days after mailing the notice, unless a Party in Interest has requested a hearing, in which case the Board shall make such order within thirty (30) days after a hearing. Any expenses incurred by the Board and/or Township in performing that task shall, pursuant to authority provided under R.C. § 505.86, be collected through a civil action and/or entered upon the tax duplicate and become a lien upon the land from the date of entry.
5. If a Party in Interest timely requests a hearing, the Board shall set the date, time, and place for the hearing and notify the Party in Interest by certified mail, return receipt requested. The date set for the hearing shall be within fifteen (15) days, but not earlier than seven (7) days, after the Party in Interest has requested a hearing, unless otherwise agreed to by both the Board and the Party in Interest. The hearing shall be recorded by stenographic or electronic means.
  6. The Board shall make an order deciding the matter not later than thirty (30) days after a hearing, or not later than thirty (30) days after mailing notice to the Parties in Interest if no Party in Interest requested a hearing. The order may dismiss the matter or direct the removal, repair, or securance of the Structure. At any time, a Party in Interest may consent to an order.
  7. A Party in Interest who requested and participated in a hearing, and who is adversely affected by the Order of the Board, may appeal the order under R.C. § 2506.01.
  8. At any time, a Party in Interest may enter into an agreement with the Board to perform the removal, repair, or securance of the insecure, unsafe, or structurally defective or unfit Structure.
  9. If after thirty (30) days of sending notice, the Structure, following reevaluation by and as re-determined by the \_\_\_\_\_ Township Fire Department and/or the county building department, is still in an insecure, unsafe, or structurally defective condition, and a Party in Interest has not requested a hearing, the Structure, pursuant to R.C. § 505.86, shall, by any action deemed necessary by the Board, be removed, repaired, and/or secured through the use of either Township employees, materials, and equipment, or through any contractor or person whom the Board may employ. All costs incurred in such removal, repair, and/or securance, when approved by the Board, shall be paid out of the Township general fund from moneys not otherwise

appropriated, except that, if the costs incurred exceed five hundred dollars (\$500), the Board may borrow moneys from a financial institution to pay for the costs in whole or in part.

10. The total cost of removing, repairing, and/or securing the Structure shall be paid out of the Township general fund from moneys not otherwise appropriated. The Board, pursuant to R.C. § 505.86, shall collect the total cost of removing, repairing, and/or securing the Structure by choosing, at their discretion, either of the following methods:

A. The Board may have the Township Fiscal Officer certify the total costs, together with a proper description of the Property to the county auditor who shall place the costs upon the tax duplicate. The costs are a lien upon the Property from and after the date of entry. The costs shall be returned to the township and placed in the township's general fund.

B. The Board may commence a civil action to recover the total costs from the owner of record of the Property on which the Structure is located.

11. All formal actions of this Board concerning and relating to the passage of this Resolution were adopted in an open meeting of the Board, and all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

12. This Resolution shall be in full force and effect immediately upon adoption.

**PREAMBLE**

**WHEREAS**, it is the intent of \_\_\_\_\_ Township and the \_\_\_\_\_ Township Board of Township Trustees to deter the commission of arson and related crime, to discourage the abandonment of fire damaged property and to prevent urban blight and deterioration; and,

**WHEREAS**, section 505.86 of the Ohio Revised Code authorizes townships, by resolution, to provide for the removal, repair, or securance of buildings or other structures in the township that have been declared insecure, unsafe, or structurally defective by:

- 1) any fire department under contract with the township, or

- 3) buildings or other structures that have been declared to be in a condition dangerous to life or health, or unfit for human habitation by the board of health of the general health district of which the township is a part; and,

**WHEREAS**, as a means to achieve this stated intent and to recover the costs or expenses incurred by the township in removing, repairing, or securing buildings or other structures in the township damaged by fire that have been declared insecure, unsafe, or structurally defective pursuant to section 505.86 of the Ohio Revised Code, a board of township trustees may, accept security payments and follow the procedures of divisions (C) and (D) of section 3929.86 of the Ohio Revised Code, whenever:

- 1) a policy(ies) of insurance is/are in force providing coverage against the peril of fire on a building or structure, and
- 2) the loss agreed to between the named insured(s) and the company(ies) is more than five thousand dollars (\$5,000.00) and equals or exceeds sixty per cent (60%) of the aggregate limits of liability on all fire policies covering the building or structure on the property; and,

**WHEREAS**, section 3929.86 (A) of the Ohio Revised Code provides that no insurance company doing business in the state of Ohio shall pay a claim of a named insured for fire damage to a structure located in a township in this state where the amount recoverable for the fire loss to the structure under all policies

exceeds five thousand dollars (\$5,000.00), unless the company is furnished with a certificate pursuant to division (B) and unless the company first complies with the procedures of divisions (C) and (D) thereof; and,

**WHEREAS**, division (C) of section 3929.86 of the Ohio Revised Code requires that when the loss agreed to between the named insured(s) and the company(ies) equals or exceeds sixty per cent (60%) of the aggregate limits of liability on all fire policies covering the building or structure, the insurance company(ies), in accordance with section 505.86 of the Revised Code, shall transfer from the insurance proceeds to the designated officer of the township in the aggregate:

- 1) two thousand dollars (\$2,000.00) for each fifteen thousand dollars (\$15,000.00), and each fraction of that amount, of a claim, or,
- 2) if, at the time of a proof of loss agreed to between the named insured(s) and the insurance company(ies), the named insured(s) have submitted a contractor's signed estimate of the costs of removing, repairing, or securing the building or other structure, the amount specified in the estimate; and,

**WHEREAS**, division (C) of section 3929.86 of the Ohio Revised Code also requires that such proceeds shall be transferred to the township on a pro rata basis by all companies insuring the building or other structure; and

**WHEREAS**, division (C) of section 3929.86 of the Ohio Revised Code also states that the named insured(s) may submit a contractor's signed estimate of the costs of removing, repairing, or securing the building or other structure after the transfer, and the officer designated by the township to administer such transferred funds shall return the amount of the fund in excess of the estimate to the named insured(s), provided that the township has not commenced to remove, repair, or secure the building or other structure; and,

**WHEREAS**, division (C) of section 3929.86 of the Ohio Revised Code directs the township to designate the officer authorized to carry out the duties of section 3928.86 of the Ohio Revised Code; and,

**WHEREAS**, division (D) of section 3929.86 of the Ohio Revised Code directs that upon receipt of proceeds by the township as authorized by Ohio Revised Code section 3929.86, the designated officer shall place the proceeds in a separate fund to be used solely as security against the total cost of removing, repairing, or securing such fire damaged building or other structure incurred by the township pursuant to 505.86 of the Ohio Revised Code; and,

**WHEREAS**, division (D) of section 3929.86 of the Ohio Revised Code, requires that when transferring the funds as required in division (C) of section 3929.86 of the Ohio Revised Code, an insurance company provide the township with the name and address of the named insured(s), whereupon the township shall contact the named insured(s), certify that the proceeds have been received by the municipal corporation or township, and notify them that the following procedures will be followed:

- 1) The fund/proceeds shall be returned to the named insured(s), if the township has not incurred any costs for the repairs, removal, or securing, when repairs, removal, or securing of the building or

- 2) If the township has incurred any costs for repairs, removal, or securing of the building or other structure, the costs shall be paid from the fund, and if excess funds remain, the township shall transfer, no later than sixty (60) days after all such costs have been paid, the remaining funds to the named insured(s).
- 3) Nothing in section 3929.86 of the Ohio Revised Code shall be construed to limit the ability of a township to recover any deficiency under section 505.86 of the Revised Code.
- 4) Nothing in section 3929.86 of the Ohio Revised Code shall be construed to prohibit the township and the named insured(s) from entering into an agreement that permits the transfer of funds to the named insured(s) if some other reasonable disposition of the damaged property has been negotiated; and,

**WHEREAS**, division (C) of section 3929.86 of the Ohio Revised Code requires that in order to avail itself of this procedure, a township must:

### Instructions for filling out the Delaware County Engineer's Request for Engineering Assistance form:

**DATE:** Fill out the date that the request was signed by the township board of trustees (or the last date if signed on more than one date by different trustees).

#### ROADWAY/TRAFFIC SAFETY:

##### Speed limit study:

1. Gravel, dirt or unimproved roads" in accordance with ORC 4511.21(K)(1): The Board may establish speed limits by resolution, based on an **engineering and traffic investigation**, for all unimproved roads (gravel or dirt). A speed limit between 25mph to 55mph may be enacted. The County Engineer's Office will perform a speed limit study to determine an appropriate speed limit.

2. Subdivision streets within platted commercial or residential subdivisions in accordance with ORC 4511.21(K)(5): Except for "through highways", the Board may establish speed limits by resolution, based on an **engineering and traffic investigation**. Speed limits may be established from 25mph to 55mph on these streets. The County Engineer's Office will perform a speed study to determine an appropriate speed limit.

3. All other highways and roads in accordance with ORC 4511.21(B)(5): Speed limit established by ODOT based on **engineering investigation** done by the County Engineer. The Engineer will advise the township what, if any, change in speed limit is feasible, but ODOT has sole authority to alter speed limits on these roads. See County Engineer's website for more information.

**Intersection traffic study (stop sign, traffic signal or roundabout):** The Engineer will investigate the current traffic pattern at the intersection using traffic counts or other methods. If a change in the current stop condition is warranted, the Engineer will recommend a change and/or a course of action. If one of the roads is a county road, Delaware County must approve the change.

**Sight distance study:** The County Engineer's Office will collect field data on sight distance and report whether the existing sight distance conditions are satisfactory or whether changes are needed with a recommended course of action.

**Guardrail/barrier study:** The County Engineer's Office can conduct guardrail warrant studies or other types of safety studies. Please provide detailed information on what is desired from the study.

#### ROADWAY/TRAFFIC PLANNING:

**Pavement resurfacing or repair:** If pavement resurfacing such as asphalt paving, chip sealing or micro-surfacing is desired, the limits of the work should be specified. If multiple roads are being requested, list the roads and limits in the space provided for description of the request. If additional space is needed, attach a separate list. If the township wishes to program the road for the County's annual resurfacing program, indicate all township roads that the Board wishes to enter into the program. The Engineer can also provide estimates as requested.

**Roadway or intersection improvement:** The Township should specify the type and limits of improvements desired. Be specific. If only pavement work is desired, please refer to the section above. For road widening or more extensive improvement projects, the County Engineer's Office will evaluate existing conditions and report on possible alternatives. Estimated costs will be provided.

#### FUNDING APPLICATIONS:

**OPWC application:** The County Engineer's Office can help you submit a funding application for Ohio Public Works (Issue 2) funding. Refer to [www.co.delaware.oh.us/engineer/design/townshipinfo.htm](http://www.co.delaware.oh.us/engineer/design/townshipinfo.htm) for more information on scheduling and applying for OPWC projects.

#### CULVERTS:

**Culvert safety inspection:** The Engineer will inspect and evaluate the existing culvert according to ODOT culvert inspection procedures and report the condition of the structure. This will include evaluation of functional capacity. An estimate will not be included unless specifically requested.

**Culvert hydraulic analysis:** The Engineer will perform drainage calculations to determine the waterway adequacy of the existing culvert and, if necessary, the proper size for a replacement culvert. An estimate will not be included unless specifically requested.

**Force account estimate:** A force-account assessment form will be completed by the Engineer in conformance with ORC 5575.01. This is an estimate of the actual labor, materials and equipment cost required to perform the work. If the estimated cost of the construction is less than \$45,000, the township may perform the work using its own crews, may hire a contractor, or may request the County Engineer's crews to perform the work. If it is over \$45,000, the township must advertise for competitive bids. A force account estimate is required for culverts constructed by township forces or by county forces.

**County construction of township culvert:** The County Engineer's Office will construct culverts on township roads with its own forces at the request of the board of trustees. The Engineer will first advise the township how long it will take to complete plans and specifications for the work. The Engineer will also determine cost sharing eligibility in accordance with the County Engineer's Culvert Cost Sharing Policy.

**DITCHES/DRAINAGE:** If the Township is requesting ditch work for any county maintained ditch, please indicate which ditch it is and the limits of the requested work.

**LOCATION:** Specify the location as a point referenced from the nearest intersection (for culverts). For road segments, such as for a speed limit study or for resurfacing, please specify the beginning and end points.

**DESCRIPTION OF REQUEST:** Include any supplemental information that would be helpful in responding to the request, including the specific issues that brought forth the need for the request. This is especially important when requesting a recommendation and estimate for road improvements, since there are a variety of improvements that can be performed.

**TOWNSHIP CONTACT PERSON:** Provide contact person's name, address, telephone and email or fax number.

**APPROVAL OF REQUEST:** All REA's must be signed by at least two (2) township trustees, or may be signed by the township administrator when authorized by resolution of the board of trustees.

Personal property sold via Internet auction shall be offered for a minimum of ten (10) days including Saturdays, Sundays, and legal holidays.

**SECTION 7. GENERAL TERMS AND CONDITIONS OF SALES**

The Buyer is not entitled to any payment for loss of profit or any other money damages – special, direct, indirect or consequential.
2. Description Warranty. Seller warrants to the Buyer the property offered for sale will conform to its description. Any claim for misdescription must be made prior to removal of the property. If Seller confirms the property does not conform to the description, Seller will keep the property and refund any money paid. The liability of the Seller shall not exceed the actual purchase price of the property. Please note that all sales are final upon the removal of the property.

3. Personal and Property Risk. Persons attending during exhibition, sale, or removal of goods assume all risks of damage of or loss to person and property and specifically release the Seller and \_\_\_\_\_ *[name of party]* from liability therefore.
4. Inspection. Most assets offered for sale are used and may contain defects not immediately detectable. Bidders may inspect the property prior to bidding. Bidders must adhere to the inspection dates and times indicated in the asset description. See special instructions on each asset page for inspection details.
5. Consideration of Bid. Seller reserves the right to reject any and all bids and to withdraw from sale any of the assets listed.
6. Buyer's Certificate. Successful bidders will receive a Buyer's Certificate by email from \_\_\_\_\_ *[name of party]*.

8. Payment. Payment in full is due not later than 5 business days from the time and date of the Buyer's Certificate. Payment must be made electronically through the \_\_\_\_\_ *[name of party]* website. Acceptable forms of payment are:
  - PayPal

If Wire Transfer is chosen, a Wire Transfer Transaction Summary page will provide payment and account information. The Wire Transfer must be completed within 5 days.

9. Removal. All assets must be removed within ten (10) business days from the time and date of issuance of the Buyer's Certificate. Purchases will be released only upon receipt of payment as specified. Successful bidders are responsible for loading and removal of any and all property awarded to them from the place where the property is located as indicated on the website and in the Buyer's Certificate. The Buyer will make all arrangements and perform all work necessary, including packing, loading and transportation of the property. Under no circumstances will Seller assume responsibility for packing, loading or shipping. See special instructions on each asset page

for removal details. A daily storage fee of \$10.00 may be charged for any item not removed within the ten (10) business days allowed and stated on the Buyer's Certificate.

10. Vehicle Titles. Seller will issue a title or certificate upon receipt of payment. Titles may be subject to restrictions as indicated in the asset description on the website.
11. Default. Default shall include (1) failure to observe these terms and conditions; (2) failure to make good and timely payment; or (3) failure to remove all assets within the specified time. Default may result in termination of the contract and suspension from participation in all future sales until the default has been cured. If the Buyer fails in the performance of their obligations, Seller may exercise such rights and may pursue such remedies as are provided by law. Seller reserves the right to reclaim and resell all items not removed by the specified removal date.
12. Acceptance of Terms and Conditions. By submitting a bid, the bidder agrees they have read, fully understand and accept these Terms and Conditions, and agree to pay for and remove the property, by the dates and times specified. These Terms and Conditions are displayed at the top of each page of each asset listed on \_\_\_\_\_ [*name of party*]. Special Instructions appearing on the asset page will override certain sections of the terms and conditions.
13. State/Local Sales and/or Use Tax. Buyers may be subject to payment of State and/or local sales and/or use tax. Buyers are responsible for contacting seller or the appropriate tax office, completing any forms and paying any taxes that may be imposed.
14. Sales to Employees. Employees of the Seller may bid on the property listed for auction, so long as they do NOT bid while on duty.

**NOTIFICATION OF APPOINTMET TO SECRETARY OF STATE (R.C. § 3.02(B)):**

Immediately, but no later than seven (7) days after making the appointment, certify (notify) the Secretary of State of appointment in writing.

---

<sup>936</sup> If a vacancy occurs in a township elective office more than 40 days before the next general election (November election) for municipal and township officers a successor shall be chosen at that election to fill the unexpired term, provided the term does not expire within 1 year from the day of the election. If the term expires within 1 year from the day of the next general election for municipal and township officers, a successor appointed pursuant to R.C. § 503.24 shall serve out the unexpired term.

- **Example 1:** Vacancy occurs November 10, 2021 for trustee. The trustee’s term naturally expires December 31, 2023. The next general election for township and municipal officers is November 7, 2023. No municipal or township officers are elected at the November 8, 2022 general election. The term expires (December 31, 2023) within 1 year from the November 7, 2023 general election. The appointee is therefore appointed for the unexpired term.
- **Example 2:** Vacancy occurs October 10, 2023 for fiscal officer. The fiscal officer’s term naturally expires March 31, 2024. The next general election for township and municipal officers is November 7, 2023. October 10, 2023 is less than 40 days before the November 7, 2023 general election. Because the vacancy occurred less than 40 days before the next general election for municipal and township officers the appointee is not required to run at the November 7, 2023 general election. The appointee is appointed for the unexpired term (until March 31, 2024). At the expiration of the natural term (March 31, 2024), any fiscal officer elected at the November 7, 2023 general election will take office (April 1, 2024). If no fiscal officer was elected, the office will again become vacant. At that time, a new vacancy would need to be declared and a new appointment would need to be made. No municipal or township officers are elected at the November 5, 2024 general election. Therefore, following a new appointment the next general election for municipal and township officers is the November 4, 2025 general election. The November 4, 2025 general election is more than 40 days after the appointment. The new term expires March 31, 2028, more than 1 year from the November 4, 2025 general election. The appointee is therefore appointed until a successor is elected at the November 4, 2025 general election.

**NOTICE TO APPOINTEE, BOND, AND OATH (R.C. § 3.061 and 503.25):**

Immediately after the appointment, the township fiscal officer shall make a list (notice) of all the appointed officers, stating the offices to which each is appointed, and the fiscal officer shall add to the list a requisition that the officers appear before the fiscal officer, or some other officer authorized to administer oaths, give bond or proof of coverage under an employee dishonesty and faithful performance of duty policy (if applicable), and take the oath of office prescribed by R.C. §§ 3.22 and 3.23 and Section 7 of Article XV, Ohio Constitution.

The fiscal officer shall immediately make service of, or deliver to any constable of the township who shall make service of, a copy of the list and requisition by delivering it to each person so appointed. The list and requisition, with the time and manner of service on it, shall be returned and filed in the office of the fiscal officer.

**CONTENT OF THE OATH (R.C. §§ 3.22, 3.23, 3.24 AND 503.25 SECTION 7, Art. XV OH CONST.):**

The oath of office shall be to support the constitution of the United States and the constitution of this state, and faithfully to discharge the duties of the office.

The oath shall be in writing. The person taking the oath shall write the person's signature immediately under the text of the oath. The person administering the oath under authority of R.C. § 3.24 shall then write the administering person's signature, the title of the elected office that the administering person holds, and the date; and shall affix the seal of office if a seal is prescribed for, or has been adopted by, the administering person's office.

(See Attached "Exhibit A" for sample oath).

**ADMINISTRATION OF THE OATH (R.C. §§ 3.24 AND 503.25):**

Every person holding an elected office under the constitution or laws of this state may administer oaths of office to persons elected or appointed to offices under the constitution or laws of this state if those persons are elected or appointed to offices within the geographical limits of the elected officer's constituency, except that members of the general assembly may administer oaths of office to persons elected or appointed to any office under the constitution or laws of this state.

**CERTIFICATE OF OATH TO BE RETURNED AND RECORDED (R.C. § 503.26)**

If a person elected or appointed to a township office takes the oath of office required by R.C. § 503.25 before an officer other than the township fiscal officer, the officer before whom it is taken shall immediately deposit with the fiscal officer a certificate of the oath. The fiscal officer shall make a record of all official oaths.

**BOND - TRUSTEES (R.C. §§ 3.061 and 505.02):**

Each township trustee, before entering upon the discharge of his duty, shall give bond to the state for the use of the township, in the sum of one thousand dollars (\$1,000), conditioned for the faithful performance of his duty as trustee, with at least two sureties, each of whom shall be a resident of the same township with the trustee or a corporate surety authorized to do business in this state. Such bond shall be approved by a judge of the county court or judge of a municipal court having jurisdiction in the township.

A political subdivision may adopt a policy, by ordinance or resolution, to allow for the use of an employee dishonesty and faithful performance of duty policy, rather than a surety bond that would otherwise be required by law. If such a policy is passed, the township trustee must be covered before beginning or continuing his or her duties. If a trustee receives coverage under the employee dishonesty and faithful performance of duty policy, then the trustee shall be considered qualified to hold the office or employment, without maintaining bond for the duration of the individual's term or employment as required by law.

**DEPOSIT OF BOND – TRUSTEES (R.C. § 505.03)**

The bond shall be deposited with the township fiscal officer and recorded by the fiscal officer.

**BOND – FISCAL OFFICER (R.C. § 507.03)**

The township fiscal officer, before entering upon the discharge of official duties, shall give a bond, payable to the board of township trustees, with sureties approved by the board, in the sum determined by the board but not less than the sum provided in R.C. § 507.03(A)-(J)<sup>937</sup>, and conditioned for the faithful performance of the duties of the office of township fiscal officer.

A political subdivision may adopt a policy, by ordinance or resolution, to allow for the use of an employee dishonesty and faithful performance of duty policy, rather than a surety bond that would otherwise be required by law. If such a policy is passed, the fiscal officer must be covered under an employee dishonesty and faithful performance of duty policy before beginning or continuing his or her duties. If the fiscal officer receives coverage under the employee dishonesty and faithful performance of duty policy, then the trustee shall be considered qualified to hold the office or employment, without maintaining bond for the duration of the individual's term or employment as required by law.

**DEPOSIT OF BOND – FISCAL OFFICER (R.C. § 507.03)**

The fiscal officer's bond or proof of insurance coverage shall be recorded by the township fiscal officer, filed with the county treasurer, and carefully preserved.

---

<sup>937</sup> The minimum amount of the Fiscal Officer's Bond is based on the amount of the township budget. (See R.C. § 507.03(A)-(J)).

**DELIVERY OF BOOKS (R.C. § 503.28)**

All books, records, documents, laws, obligations, papers, blanks, and all other articles and property belonging to the respective office shall be delivered to the appointee.
